ADVOCACY AREA OF CONNECTIONAL MINISTRIES

A widow in that city kept after him: 'My rights are being violated. Protect me!' (Luke 18:3 MES)

Today, we are experiencing injustice through not only an attempt for voter suppression, but police brutality, detention and mass incarceration. In the U.S. and around the world, communities whose health, water, air and land are threatened by corporate greed, voices for justice are often curbed through extreme violence, intimidation and murder. In a year where the inequalities of justice and community recovery have once again shown how much needs to be done to produce equality to all areas of South Carolina.

In this country, communities of color are under siege: named and unnamed black lives are killed each year by police; immigrants are detained and scapegoated; and public displays of discontent and calls for solidarity have too often been met with disregard, suppression or violence. As Christians, United Methodist, Wesleyans we believe that leaders and policy makers are called to act and to govern in fairness and with justice for all! Like the persistent widow who demands that the judge hear her plea (Luke 18:1-8), we will bring our petitions for justice to Annual Conference and the Church State of South Carolina. Like the persistent widow, we will not be silenced.

This year the work of advocacy has never been clearer yet much of the energy has been washed away. Through prayer, worship, advocacy training, networking and mobilization with other Christians, we have faced the reality of racism, class and power impacting politics and policies and advocate for persons all around South Carolina and our churches. Two Wednesday evenings before the killings at Mother Emanuel along with hundreds of Wesleyan tradition folks, Members of the Advocacy Ministry Area participated in a powerful mass prayer service in North Charleston called by the Bishops of the AME, AMEZ, CME, and UMC. The Reverend Clementa Pinckney, our friend, led that service. I can hear his deep, gentle voice as he asked with great compassion those among us who had suffered from violence in their families to stand. Now we stand with his family and the families and loved ones of eight more to say we must find a way to the Light, we must work to end the darkness of violence among us and around the world. We must further the work of racial reconciliation and the vital conversations on race we are having.

We have continued to work with South Carolina Christian Action Council SCCAC. As United Methodist we supported the removal of the Confederate flag. The Rev. Kathy James, UMC Board representative volunteered to have a press release prepared based on the Council's statements on the removal of the Confederate Flag. Many Members of the Advocacy Team with in their partnership with the SCCAC the multiple services around the state to bring healing to our communities and neighborhoods. We worked with the Christian Action Council in partnership with SC Appleseed Center for Legal Justice, SC AARP and other organizations and individuals, the Council continues to advocate legislation regulating predatory lending practices in SC. Legislation. We have also been working with The South Carolina Christian Action Council to advocate for legislation to bring the Federal dollars of the Affordable Care Act to SC. The Board of the South Carolina Christian Action Council has taken a position to support advocacy for legislation to make stronger the law and regulation requiring background checks for the purchasing of guns. The Council is in the work of listening and working together to develop a policy statement.

The South Carolina Advocacy ministry team Committee also participated with End Racism Day officially observed since 1966 by the United Nations as The International Day for the Elimination of Racial Discrimination. The CMA is excited to partner with the South Carolina Human Affairs Commission, which is taking the lead to promote End Racism Day for the first time in our state. An Advocacy Training For Clergy and Faith-Inspired Folk hosted by Bethlehem Baptist Church, 1028 Eastman Street, Columbia, SC 29203 the first Tuesday after Holy week as we learned together and encourage each other in the holy work of advocating for justice! Members also have been actively engaging in the online Vital Conversations Webinars by The General Commission on Race and Religion of the United Methodist Church (GCORR) presents Vital Conversations 2 featuring thought leaders, pastors, theologians, activists, authors, and scholars from outside of the United States who share their stories, insights, and expertise on issues related to faith, culture, and fighting oppression in the church and world today. Lastly we also had members to participated in EAD Ecumenical Advocacy Days is a movement of the ecumenical Christian community, and its recognized partners and allies, grounded in biblical witness and our shared traditions of justice, peace and the integrity of creation.

RRDT Report

The tragic events across our state and nation in the last year combined with the current political climate evince the need for an ongoing, intentional, and faithful Christian witness in light of the racial dynamics of our state, nation, and world. Although the Racial Reconciliation Task Force did not sponsor an event for the Annual Conference this year, we are encouraged by the number of Districts who have begun intentional interracial conversations and relationships in their local communities. At its core, reconciliation is incarnational work as we live out a new racial reality with our neighbors, especially those from whom we are segregated. In the year ahead, the Racial Reconciliation Task Force will seek to organize itself to be in conversation with, and where appropriate, act as consultants to the District conversations of race. We are excited that members of our team will facilitate a panel discussion and table conversations on race in the Columbia District in April. We will also seek to organize another pilgrimage event for the Annual Conference to both engender and benefit from conversations about race and reconciliation in the various districts. We will meet as a task force in April to organize ourselves for both endeavors.

THE REPORT OF THE COMMITTEE ON STANDING RULES

The Committee on Standing Rules met in March of 2016 to consider requests to amend existing standing rules or proposed new standing rules. This year the committee received five such requests. As a result, the Committee on Standing Rules offers to the Annual Conference for its consideration amendments to the following standing rules: 28, 53, 54, 70 and 71.

Standing Rule 28 addresses the clergy election process of General Conference Delegates.

Rationale: The proposed changes to SR28 would provide a method for allowing those clergy interested in being considered for election to General and Jurisdictional Conference to be listed on a “clergy ballot”. While not excluding any eligible person, this would mean that clergy would have to “opt in” to being nominated as delegates for General Conference

Standing Rule 28 (Existing)

28. The following system of nomination and selection shall be followed in the election of clergy delegates to the General and Jurisdictional Conferences:
- The Conference Secretary shall inform all eligible clergy members of their eligibility (pursuant to the provisions of *The Book of Discipline*) by November 1 of the year preceding the election of delegates. Clergy delegates to the General and Jurisdictional Conferences shall be elected from the ordained ministerial members in full connection, (2008 *Book of Discipline* ¶35) except for clergy on Involuntary Leave of Absence (¶355).
 - All eligible clergy members shall be listed on the ballot prepared by the Secretary of the Annual Conference, except clergy members that request in writing that their name be omitted from the ballot. Clergy members requesting omission from the ballot do not lose eligibility for election. Clergy receiving twelve or more write-in votes on any ballot shall be assigned a number and added to the ballot.
 - All clergy who allow their names to be printed on the ballot have expressed their willingness to be a nominee, to attend and participate in the conferences if elected, and to attend meetings of the delegation.

Proposed Standing Rule 28

28. The following system of nomination and selection shall be followed in the election of clergy delegates to the General and Jurisdictional Conferences:
- The Conference Secretary shall inform all eligible clergy members of their eligibility (pursuant to the provisions of *The Book of Discipline*) by November 1 of the year preceding the election of delegates. Clergy delegates to the General and Jurisdictional Conferences shall be elected from the ordained ministerial members in full connection, (2008 2012 Book of Discipline ¶35) except for clergy on Involuntary Leave of Absence (¶355). The Conference Secretary shall advise eligible clergy member who are interested in being considered for election to the General and Jurisdictional Conference of their right to be listed on the clergy ballot by self-nomination or nomination by another eligible clergy member and shall provide a form for such nominations. Such forms are to be returned to the Conference Secretary by no later than February 1 in the year preceding the election of delegates.
 - All eligible clergy members nominated through the process outlined in a., above shall be listed on the clergy ballot prepared by the Secretary of the Annual Conference, except ~~clergy members that request in writing that their name be omitted from the ballot. Clergy members requesting omission from the ballot do not lose eligibility for election.~~ clergy members otherwise eligible receiving twelve or more write-in votes on any ballot during the election process shall be assigned a number and added to the clergy ballot.
 - All eligible clergy who allow their names to be printed on the clergy ballot shall have expressed their willingness in writing to be a nominee, to attend and participate in the conferences if elected, and to attend meetings of the delegation.

Standing Rule 53 addresses the composition and election of the Board of Trustees of Claflin University.

Rationale: The proposed changes would clarify that Claflin University will nominate its own trustees and the SCUMC and BHECM “approve the trustees” for election.

Standing Rule 53 (Existing)

53. There shall be a Board of Trustees of Claflin University composed of not less than nine (9) nor more than twenty-seven (27) members divided into three classes serving three years respectively, elected at the annual meeting of the Board, in accordance with the Claflin University Board of Trustees by-laws. Successors for each class, as their term expires, shall be nominated by a university related agency and/or the Nominating Committee of the Board of Trustees and elected by the Board of Trustees for a term of three (3) years. After twelve (12) years of continuous service, trustees may be placed in a class of Trustee Emeritus.
- The Trustees shall elect their successors from a list of nominees submitted by the South Carolina Annual Conference Board of Higher Education and Campus Ministry and the Claflin University General Alumni Association. The composition of the Board shall at all times include three (3) members from the South

Carolina Annual Conference and with one representative of the Conference to be placed in each class and shall be replaced or re-nominated by the South Carolina Annual Conference upon the expiration of each succeeding class. The remaining membership of the Claflin Board of Trustees shall be elected by the Board from nominations made to and approved by the Nominating Committee of the Board from recommendations received from the General Alumni Association and other college related Conferences and agencies.

- b. This institution shall report to the Annual Conference through the Board of Higher Education and Campus Ministry.

Proposed Standing Rule 53

53. The Board of Trustees at Claflin University will consist of no fewer than thirteen (13) members and no more than twenty-seven (27) members. Newly elected trustees serve for a term of three (3) years or elected to serve out a remaining term due to a vacancy on the Board.

The Board shall elect three (3) of their members from the South Carolina United Methodist Conference (SCUMC) upon the expiration of a term in which its nominees were placed.

- a. The composition of the Board will include three (3) members (lay or clergy) from the South Carolina Annual Conference (SCUMC). These representatives (lay or clergy) will be distributed in separate classes among the three classes and may be approved for election by the South Carolina Annual Conference (SCUMC) upon the expiration of each succeeding class. These three (3) persons will be proposed as candidates by the Claflin University Board of Trustees, vetted and approved by the Board of Higher Education and Campus Ministry, approved for election by the South Carolina Annual Conference (SCUMC), and elected by the Claflin University Board of Trustees. These elected trustees are eligible to serve four three-year terms on the Board and an extended continuous term must be approved by two-third (2/3) vote of a quorum of the Board present and voting.
- b. A Board member who has served continuously with distinctive service for a period of twelve (12) years or more is eligible for consideration and election to the status of Trustee Emeritus. A former Board member elected to the position of Trustee Emeritus may attend meetings of the Board of Trustees as an ex-officio member without the power to vote at meetings and will not be counted to constitute a quorum of the Board. Claflin University will provide a report annually to the South Carolina Annual Conference.

Standing Rule 54 has to do with the composition and election of Boards of Trustees of Columbia and Wofford Colleges

Rationale: The goal of increasing the number of trustees from 28 to 31 has now been achieved and thus the current language is no longer needed.

Standing Rule 54

54. There shall be Boards of Trustees for Columbia College and for Wofford College, each of which shall be composed of **up to twenty-eight members (28) in 2004, twenty-nine (29) members in 2005, thirty (30) members in 2006 and thirty-one (31) members in 2007.** Board members shall be elected by the Annual Conference in conformity with the respective charters. The term of office for trustees shall be four (4) years. **In 2007 and thereafter,** each board shall be organized into three (3) classes of eight (8) members each and one (1) class of seven (7) members.

- a. The Board of Higher Education and Campus Ministry annually shall nominate suitable persons to fill vacancies in each class after prior consultation with the respective Boards of Trustees as stated in the policies adopted by the South Carolina Annual Conference Board of Higher Education and Campus Ministry (February, 1989) and the Restated Articles of Incorporation of Wofford College and Columbia College. Trustees may be re-elected for additional terms, but may not serve more than a maximum of three consecutive terms. After a full tenure of service a former trustee shall be ineligible for re-election until a lapse of one (1) year.
- b. These institutions shall report to the Annual Conference through the Board of Higher Education and Campus Ministry.

Proposed Standing Rule 54:

54. There shall be Boards of Trustees for Columbia College and for Wofford College, each of which shall be composed of up to thirty-one (31) members. Board members shall be elected by the Annual Conference in conformity with the respective charters. The term of office for trustees shall be four (4) years. Each board shall be organized into three (3) classes of **up to** eight (8) members each and one (1) class of **up to** seven (7) members.

- a. The Board of Higher Education and Campus Ministry annually shall nominate suitable persons to fill vacancies in each class after prior consultation with the respective Boards of Trustees as stated in the policies adopted by the South Carolina Annual Conference Board of Higher Education and Campus Ministry (February, 1989) and the Restated Articles of Incorporation of Wofford College and Columbia

- 1 College. Trustees may be re-elected for additional terms, but may not serve more than a maximum of
2 three consecutive terms. After a full tenure of service a former trustee shall be ineligible for re-election
3 until a lapse of one (1) year.
- 4 b. These institutions shall report to the Annual Conference through the Board of Higher Education and
5 Campus Ministry.

7 ***Standing Rule 70 would enumerate those persons or organizations eligible to submit petitions to the***

13 by the Annual Conference. It is recommended that three (3) be lay persons and three (3) be clergy persons,
14 at least half having been delegates to General Conference previously. This committee shall be considered a
15 task force and neither a quadrennial committee nor a non-quadrennial committee.

16
17 **Rationale:** Proposed changes will clarify persons and organizations eligible to submit petitions to the annual
18 conference for endorsement. The addition would clarify the process for submission of petitions and referral
19 to the Committee. It would also provide guidance for the form and format of such petitions.

20
21 **Proposed Standing Rule 70**

22 70. There shall be a Committee on Petitions to the General Conference (see The Book of Discipline, Para. 507)

29 with the annual conference. Such petitions shall be referred to the Committee on Petitions to the General

31 with a recommendation of approval or non-approval. Petitions delivered to the Conference Secretary no later

33 presenters of petitions must be responsible for printing copies of their petitions for all members of the Annual
34 Conference session. Petitions presented to the Annual Conference for endorsement must follow the
35 provisions of ¶507 and be submitted in the format determined by the Secretary of the General Conference.
36 The Committee on Petitions to the General Conference shall meet during the session of the Annual Conference
37 and provide time for persons or organizations offering petitions referred to the committee to come before the

40
41 ***Standing Rule 71 would enumerate those person or organizations eligible to submit resolutions to the***
42 ***annual conference for endorsement***

43
44 **Standing Rule 71 (Existing)**

45 71. There shall be a Committee on Resolutions and Appeals composed of nine (9) members nominated by the

62 d. The Committee on Resolutions and Appeals shall on the first full business day of Annual Conference
63 provide time for persons offering resolutions to come before the Committee on Resolutions and Appeals
64 to define and talk about their resolutions.

Rationale: Proposed changes to SR 71 would enumerate those person or organizations eligible to submit resolutions to the annual conference. The changes would also clarify the process for referring and for the Committee's review of resolutions.

Proposed Standing Rule 71

THE REPORT OF THE BOARD OF ORDAINED MINISTRY

As we come to the end of the 2012-2016 quadrennium, we have the opportunity to reflect on the work of the BOM over the past four years. The Board has carefully read and evaluated candidates' Bible Studies, Sermons, Contextual Projects, Call and Discipline Life as well as Theology and Doctrinal Questions. We also had our first class doing fruitfulness projects, which seeks to evaluate a significant ministry in the life of the parish where the Provisional Elder or Deacon is serving.

The fruit of all this hard work will be celebrated tonight in our ordination service. Fourteen will be ordained Elder, 5 will be ordained Deacon, and 13 will be commissioned as Provisional Elder. At the end of my report this morning, we will celebrate and recognize those being licensed as local pastors. We want to thank the District Committees and the BOM for their faithful work.

The BOM is very aware of the changing cultural reality in which our clergy are called to serve, as well as the need to stay focused on excellence in ministry. Clergy today must be lifelong learners and sensitive to the ministry context in which they serve.

A significant event happened in February of this year as sixteen members of the Board of Ministry shared in a time of retreat with the extended Cabinet. Rev. Mark Tidsworth, President of the Pinnacle Consultant Firm, led us in our work. Two specific purposes were set forth:

- To identify a cohesive and comprehensive four year cycle of continuing education, which will equip our clergy to serve as excellent pastoral leaders.
- To identify an effectiveness improvement strategy for clergy who are struggling in their pastoral ministry.

We were clear that the BOM and the Cabinet have different responsibilities, but it has become evident to both, that there are places where we need to be in conversation. The Board's main focus is to credential clergy for service and the Cabinet appoints and supervises the work. The goal is always to encourage and support clergy as they grow toward excellence. Rev. Tidsworth also raised our awareness of the changing reality of the church in the world today. Our context for ministry is changing and clergy need to be aware of and empowered to do ministry in that new reality.

Another concern was raised in Bishop Holston's observation that the number of retirees in the next 6-8 years could be as high as 267 and that we have only 135 pastors under the age of 45. The question was asked, how can we strengthen the pool of candidates and empower those we already have ordained? The Recruitment and Enlistment Committee of the Board continues its initiatives to address this challenge. Our experience with the group mentoring process is also strengthening relationships as persons work through candidacy.

1 Over time, as the BOM stays engaged and our conversation with the Cabinet continues, our clergy
2 leadership will be empowered for these days in which we are called to faithfully serve.

3 We are thankful for the churches that support the Ministerial Education Fund. Seminary education is
4 expensive and your generosity helps reduce the cost for seminarians. Funds are also provided to underwrite the
5 cost of the Course of Study for Local Pastors. This past year \$97,075 was disbursed for seminarians and
6 \$34,250 for the Course of Study totaling \$131,325.

7 Our District committees are extensions of the BOM and continue to faithfully guide persons in the candidacy
8 process and review the work of those called to licensed ministry. Our local pastors are an essential and effective
9 part of our clergy family.

10 The Board of Ordained Ministry also offers several scholarships for full time students. We, once again,
11 thank the **Reverend Jeffrey Salley** and his committee for their work in reviewing the applications and choosing
12 the recipients.

13 The following are those chosen to receive the 2016 scholarships:

14 **2016 Scholarship Recipients**

15 **T. Dennie Smith Scholarship**

16 **Carole Ann Waters** **\$3,000**

17 **The South Carolina Seminary Student Scholarship**

18 **Frances Hillary Taylor** **\$3,000**

19 We want to recognize others who have reached milestones in their preparation for effective ministry.

20 The following person has completed the five year Basic Course of Study in 2015:

21 **Rev. Robert Hoover**

22 The following are recognized for professional/paraprofessional certification:

23 **Sallie Anna Barton** – Christian Education

24 **Anna Shelton** – Christian Education

25 This is a special year for our provisional and ordained deacons as 2016 marks the 20th anniversary of the
26 establishment of the Order of the Deacon. These persons are ordained for word, service, compassion, and
27 justice. We are thankful for their faithful service. The **Reverend Karen Lail Jones**, Chair of the Order of the
28 Deacon for the South Carolina Annual Conference will come and make a special presentation.

29 At the core of all the work we do as a Board of Ordained Ministry is the staff support we receive from the
30 **Reverend Ken Nelson**, Coordinator of Clergy Services and **Ms. Martha Long**, Administrative Assistant to that
31 office. They practice a very high quality of professionalism in all their work.

32 Bishop Holston in response to business question 17 or ¶ 604.4, 605.6- Are all the clergy members of the
33 conference blameless in their life and official administration? The answer is yes with the exceptions which have
34 been noted or acted upon in the clergy session held on Sunday, June 5, 2016.

35 *Respectfully submitted,*

39 **SOUTH CAROLINA UNITED METHODIST**
40 **CAMPS AND RETREAT MINISTRIES**

41

42 2015 was yet another great year for Camps and Retreats as we strive every day to fulfill the mission of the
43 United Methodist Church. Often we are asked how we do that. In keeping with the *Book of Discipline* (2012)
44 paragraph 122, this past year the ministry was able to continue the mission of seeking, welcoming and gathering
45 persons into the community of the body of Christ. Through the ministry of Asbury Hills we were able to nurture
46 persons in Christian living. Just as our churches are charged to do, we were able to provide HOPE; **Hospitality**
47 – Reach out to all persons, **Opportunity** – Offer them Christ, **Purpose** – Nurture persons in Christian Living,
48 and **Engagement** – Send persons out to live their faith. All of this at a place set apart from one's own creative
49 work, a place of solitude, Asbury Hills.

50 Nestled between Table Rock and Caesars Head, Asbury Hills served more than 3000 guests and more than
51 1100 campers in 2015 in this beautiful setting where creation formation leads to faith formation, building relation-
52 ships with trust and confidence. The ministries emphasis is to be more intentional about creating and practicing
53 Christian Community. We continue to practice play and relationship building in a way that generates building
54 blocks to leadership development.

55 As the ministry continues to grow strong from the inside out, the past year was filled with many experiences
56 for which we are thankful. Beginning with the 2015 conference approval to sell Sewee. The property is currently
57 under contract and on track to close by May 2016. Asbury Hills has hired a new Properties Director. While we
58 have retained our current staff, many have new titles and/or positions. DP3 Architects in Greenville have been
59 steadily working on the completion of a Master Plan for the 2000 acres at Asbury Hills.

60 The board is very excited about the new activities which are planned at the Sky Ranch site at Asbury Hills
61 for the summer of 2016. In addition, a successful negotiation has closed the public road leading to the site, and
62 the board was able to purchase 40 additional acres further protecting the camp. This property comes with a
63 beautiful waterfall.

64 From the outside looking in, Asbury Hills played host to a very successful National Gathering of UMC Camping
65 Executives in December of 2015, with our very own Bishop Holston as the keynote speaker. All guests were

pleased with such an amazing site and thank the conference for the wonderful hospitality. And, Camps and Retreats is also pleased to partner with several community leaders in Anderson County, South Carolina and the Anderson UMC District Office to work on the revitalization of Camp Providence.

THE COMMITTEE ON PETITIONS TO THE GENERAL CONFERENCE

The Committee on Petitions to the General Conference is made up of six members, three clergy members (John Wesley Culp, Hayes T. Gainey, Millie Nelson) and three lay members (John Redmond, Gloria Cook, Carolyn Briscoe). The task of the committee is to review the petitions, hear concerns of the presenters and other interested persons, and to make a recommendation of concurrence or non-concurrence to the conference.

Two petitions were submitted for consideration prior to Annual Conference: the first to

Amend ¶161f of the 2012 Book of Discipline, and the second A petition to the 2016 General Conference to *Withdraw the United Methodist Church from the Religious Coalition for Reproductive Choice (RCRC)*. To ensure their understanding of the petitions, the committee met once prior to Annual Conference. A second committee meeting was held on Monday evening during Annual Conference and followed a time of discussion with persons who wished to raise questions or to express their opinions on these issues.

On the first day of Annual Conference, Dr. Carolyn Briscoe, Committee Chair, presented the two petitions as information and stated that they would be presented for action on Thursday. At that time the committee presented their unanimous recommendation of concurrence on the petition to *Amend ¶161f of the 2012 Book of Discipline*. Following discussion, a vote was taken and the petition failed by a vote of 716 to 519. The second petition to *Withdraw the United Methodist Church from the Religious Coalition for Reproductive Choice (RCRC)* was then presented with the committee's unanimous recommendation of non-concurrence. Following discussion Bishop Holston called for the vote and non-concurrence was affirmed, 674-544.

As a result of the votes neither of these petitions was forwarded by the Annual Conference to the General Conference for consideration.

Carolyn Briscoe
Committee Chair

THE EPISCOPAL RESIDENCE COMMITTEE

The Episcopal Residence Committee is charged with the maintenance and proper upkeep of the home in Northeast Columbia provided for the Resident Bishop of the Columbia Area.

The Residence Committee greatly appreciates the excellent stewardship of our residence by Bishop, Jonathan Holston and his wife, Felecia. They often serve as warm hosts in the residence to many groups within the church. The repair coordination assistance has been superior by the Conference Treasurer/Director of Administrative Services, Mrs. Beth Westbury and her staff.

During the winter an entire new roof for the residence was placed following several years of patching. The Residence Committee reviewed the entire home on April 25, 2016. A project list of needed repairs, updates, etc. has been utilized in recent years and has been updated following the most recent walk through.

The next major item will be, in all likelihood, exterior trim painting and repair. The yard is improving some. However, growing grass in the often dry and hot Midlands can be a challenge.

The Committee, along with our Episcopal family, pledges again to the Annual Conference that proper maintenance will take place regularly and consistently including inspections and meetings of the Committee as needed. The Committee also appreciates the financial support of both the congregations of the Annual Conference and the Council on Finance and Administration.

Respectfully submitted,

The Reverend Barbara Reid, Chair, Committee on Episcopacy
The Reverend Michael Wood, Vice-Chair, Conference Board of Trustees
The Reverend David Surrent, President, Council on Finance and Adm.

SOUTH CAROLINA ANNUAL CONFERENCE 2017 COMPREHENSIVE BENEFIT FUNDING PLAN SUMMARY

INTRODUCTION

The 2012 *Book of Discipline* ¶ 1506.6 requires that each annual conference develop, adopt and implement a formal comprehensive funding plan for funding all of its benefit obligations. The funding plan shall be submitted annually to the General Board of Pension and Health benefits for review and be approved annually by the annual conference, following the receipt and inclusion of a favorable written opinion from the General Board of Pension and Health Benefits (GBPHB). This document is only a summary of the information contained in the actual

1 signed funding plan and does not contain all the information required for a comprehensive view of the conference's
2 benefit obligations. You may request the full contents of the 2017 comprehensive benefit funding plan from your
3 conference benefit office.

4 **CLERGY RETIREMENT SECURITY PROGRAM (CRSP)**

5 **Defined Benefit (DB) and Defined Contribution (DC)**

6 **Program overview:**

7 The Clergy Retirement Security Program (CRSP) is an Internal Revenue Code section 403(b) retirement
8 program providing lifetime income and account flexibility designed for those who serve as clergy of The United
9 Methodist Church. The program is designed to provide participants with one portion of their overall retirement
10 benefits. CRSP replaced the Ministerial Pension Plan (MPP) effective January 1, 2007, which had previously
11 replaced the Pre-82 Plan for service rendered prior to January 1, 1982. CRSP consists of both a defined benefit
12 (DB) plan, which provides a monthly benefit at retirement based upon years of credited service to The United
13 Methodist Church, and a defined contribution (DC) plan, which provides a retirement account balance
14 established and funded by the annual conferences.

15 **Current funding plan information:**

16 The Clergy Retirement Security Program (CRSP-DB) annuities total liability as of January 1, 2015 is \$1.271
17 billion, while total plan assets are \$1.407 billion, resulting in a current plan funded ratio of 111%. The South
18 Carolina Conference portion of the liability is 2.8443% with a 2017 contribution of \$2,774,019. The conference
19 anticipates that the amount will be funded by Direct Billing - representing year over year in how contributions are
20 to be funded. Additionally, General Conference 2012 approved a change to CRSP that provides each annual
21 conference the discretion to determine whether to cover three-quarter and/or half-time clergy. The South
22 Carolina Conference has elected to cover clergy serving 100% under CRSP effective January 1, 2017.

23 Effective January 1, 2014 the CRSP-DC plan was reduced from a 3% to a 2% of plan compensation
24 non-matching contribution. Clergy have the opportunity to earn up to an additional 1% CRSP-DC contribution by
25 contributing at least 1% of their plan compensation to UMPIP; therefore, if a participant contributes at least 1% of
26 plan compensation to UMPIP, the individual will receive a contribution of 3%, which is unchanged from 2013.
27 The 2017 CRSP-DC contribution is anticipated to be \$870,400 and will be funded by Direct Billed to local
28 churches – representing year over year in how contributions are to be funded.

29 **MINISTERIAL PENSION PLAN (MPP)**

30 **Plan overview:**

31 Supplement Three to the Clergy Retirement Security Program (CRSP), also known as the Ministerial Pen-
32 sion Plan (MPP), provides clergy with a pension benefit for their years of ministry with The United Methodist
33 Church from 1982 through 2006. MPP is an Internal Revenue Code section 403(b) retirement plan. Effective
34 January 1, 2014, exactly 65% of the account balance must be annuitized when the funds are to be distributed.
35 The remainder may be rolled over to UMPIP, into an IRA or another qualified plan, or it may be paid out as a
36 lump sum.

37 **Current funding plan information:**

38 The Ministerial Pension Plan (MPP) annuities' total liability as of January 1, 2015 is \$3.122 billion, while total
39 plan assets are \$3.509 billion, resulting in a current plan funded ratio of 112% and no required contribution for
40 2017. The South Carolina Conference's portion of the total liability is 2.6365%. Future MPP annuitants have a
41 total account balance of \$4.145 billion and the South Carolina Conference's portion of that balance is
42 \$108,261,052 or 2.61% of the total.

43 **PRE-1982 PLAN**

44 **Plan overview:**

45 Supplement One to the Clergy Retirement Security Program (CRSP), also known as the Pre-1982 Plan, pro-
46 vides clergy with a pension benefit for their years of ministry with The United Methodist Church prior to 1982.
47 The Pre-1982 Plan was replaced by MPP effective January 1, 1982. If a clergy person retires within the Confer-
48 ence (and does not terminate), the minimum benefit payable is based on two factors: 1) years of service with
49 pension credit and 2) the Conference pension rate. Years of service with pension credit are approved by each
50 Conference on the recommendation of the Conference Board of Pensions (CBOP) in accordance with plan pro-
51 visions and The Book of Discipline. The pension rate, also called the Past Service Rate (PSR), is the dollar
52 amount chosen by the Conference as the amount payable for each approved year of service with pension credit.
53 The pension rate may change from year to year. The number of years of service with pension credit is multiplied
54 by the pension rate, and the product is the minimum annual benefit payable to those clergy eligible for Pre-1982
55 Plan benefits. In certain situations, the benefit received from the Pre-1982 plan may vary based on the applica-
56 bility of what is referred to as Defined Benefit Service Money (DBSM), which is the defined contribution feature
57 of the Pre-1982 Plan. At the time that a participant retires, the DBSM account is converted to a life based benefit
58 and, at that point, the clergy's benefit is the greater of the PSR or DBSM benefit. If the conference increases the
59 PSR, the clergy's benefit is recalculated; but the DBSM based benefit does not change.

Current funding plan information:

The 2017 PSR recommended to the South Carolina Conference will be \$765.00, representing a 2.00% increase from the 2016 rate. The conference expects future increases to be approximately 2.00%, which is based on the following rationale: Goal is to increase by 2% per year.

The contingent annuitant percentage is recommended to remain at the 75% level.

Based on the final actuarial valuations from the General Board of Pension and Health Benefits as of January 1, 2015 for 2017, the portion of the Pre-1982 liability and assets attributable to the South Carolina Conference and its related funded status are as follows:

Funding Plan Liability	\$(60,534,024)
Assets, including In-Plan and Outside	90,056,732
Funded Status	\$29,522,708
Funded Ratio	148.77

ACTIVE HEALTH BENEFIT PROGRAM

Program Overview:

The South Carolina Conference offers the following active health benefit to its active eligible participants: Self Funded-HealthFlex.

Current funding plan information:

The total cost of the program for 2017 is anticipated to be \$8,260,428 and will be funded by premiums that are Direct Billed to the local churches. It is anticipated that increases for future years will average 6.5% based on the following rationale: Historical increase.

- Additional Conference Sponsored Coverage**

The South Carolina Conference has elected to provide health benefits coverage to the following groups during periods where, without conference funded premiums; the participants would not be provided coverage or benefits (all figures as of 12/31/2015):

Category:	Number of Participants	Estimated Cost
Clergy and/or lay participants on disability	15	\$303,480
Surviving spouses and/or children of deceased clergy and/or lay participants	2	\$14,400

The total estimated cost of conference sponsored coverage as of 12/31/2015 is \$317,880.

POST-RETIREMENT MEDICAL BENEFIT PROGRAM (PRM)

Program Overview:

The South Carolina Conference post-retirement medical program currently offers a Stipend.

Current funding plan information:

The conference's expectation for 2017 is to offer the following benefits: Defined Contribution of \$200 per month for all covered retirees and covered spouses retiring prior to 01/01/2016. All eligible retirees and covered spouses retiring on or after 01/01/2016 will receive a defined contribution of \$100 a month per covered person.

The funding obligation for 2017 is anticipated to be \$1,489,096 with the following funding sources: Surplus Redirection from Own Pre-82. On a longer term basis, the conference intends to ensure funding by: Funded through apportionment and transfer of Pre-1982 surplus.

Based on the most recent PRM valuation dated 12/31/2015, the following is the funded position of the post-retirement medical benefits:

Expected Post Retirement Obligation (EPBO) or net conference cost	\$23,209,410
Accumulated Post Retirement Obligation (APBO) or net conference cost	\$20,864,883
Assets designated for PRM	\$14,541,255
Service Cost (SC) or net conference cost	\$327,161

As a preview of the 2018 CBFP requirement, a new PRM Funding Contribution requirement will be mandatory for conferences requesting a full favorable CBFP opinion. This year the calculation for informational purposes only is as follows:

Funded Status, [3. – 2.]	\$(6,323,628)
Number of Annual Payments	20
Portion of Funded Status Payable [5. / 6., but zero if 5. is positive]	\$316,181
PRM Funding Contribution, Informational purposes only [4. + 7.]	\$643,342

These values are based on a 3.85% long term discount rate, a 0% long-term expected rate of return on assets, and a current medical trend rate of 6.50% with an ultimate medical trend rate of 5.0%, beginning in 2019.

COMPREHENSIVE PROTECTION PLAN (CPP)

Plan Overview:

The Comprehensive Protection Plan (CPP) provides death, long-term disability and other welfare benefits for eligible clergy of The United Methodist Church and their families. It is an Internal Revenue Code 414(e) "church

1 plan" funded by plan sponsor insurance premiums. Generally, clergy are eligible to participate in CPP if the
2 conference or salary-paying unit sponsors the plan and they are able to satisfy the eligibility requirements which
3 include full-time appointment with plan compensation equal to or greater than 60% of the Denominational
4 Average Compensation (DAC) or the Conference Average Compensation (CAC), whichever is less.

5
6 **Current funding plan information:**

8 participation under special arrangements, while 0% of appointed clergy have optional participation under special
9 arrangements.

10 For 2017, the South Carolina Conference has an expected required contribution to the Comprehensive
11 Protection Plan of \$1,196,851, which is anticipated to be funded by: Direct Billed to local churches. The anticipated
12 average increase in future years is expected to be 2.40% per year as a result of: Change in the CAC.

13

17 defined contribution retirement savings plan for clergy and lay employees of The United Methodist Church and
18 affiliated organizations. Participants may make before-tax, Roth and/or after-tax contributions through payroll
19 deductions. Participant contributions, various optional plan sponsor contributions and investment earnings
20 comprise the individual's retirement account balance.

21

22 **Current funding plan information:**

23 Conference office lay employees working an average of 30 hours per week or more are immediately eligible
24 for a plan sponsor funded pension contribution of 9% of salary if the employee contributes 3%. Lay employees

26 estimated contribution for the South Carolina Conference is anticipated to be \$99,118 and will be funded via
27 Apportionment.

The mission of the South Carolina United Methodist Foundation, Inc., is to cultivate, develop, and administer current and deferred gifts for endowment to support United Methodist institutions, agencies, and local churches, as well as other church-related ministries and charitable purposes and to encourage planned giving among United Methodists in South Carolina.

The General Endowment Fund. The General Endowment Fund is the Foundation's basic support fund. The operating expenses of the Foundation are a first claim against the income of the Foundation's General Endowment. Income after expenses may be distributed at the discretion of the Foundation's Board of Directors to the Institutional Members of the Foundation. The Foundation actively solicits gifts and bequests for its General Endowment. Any gift or bequest to the Foundation which is not designated for the benefit of a specific institution, agency, local church, or other charitable purpose is added to the Foundation's General Endowment.

Designated Endowment Funds. Designated Endowment Funds are Funds owned and administered by the Foundation for the benefit of a designated institution, agency, local church, or other charitable purpose. Designated Funds may be "open" and receive contributions from many donors, or they may be "closed" having been established by the gift of a single donor or family. Restricted Funds may be established by current gifts or they may be established by deferred gifts such as a bequest, a gift annuity, or a distribution from a trust.

Charitable Gift Annuities. The Foundation initiated a charitable remainder gift annuity program in 1981. A gift annuity is a life income charitable gift vehicle which provides a guaranteed income for one or two lives. In exchange for an irrevocable gift to the Foundation of cash or publicly traded securities, the Foundation contracts to make annual payments for life to the donor or other life income beneficiary based on a fixed rate determined by age at the time of the gift.

Assets Under Agreement. Assets administered under agreement are endowment funds placed with the Foundation for administration under the terms of a revocable agreement by local churches, boards, agencies, or other organizations affiliated with the South Carolina Annual Conference of the United Methodist Church. Such organizations become "Agency Members" of the Foundation. Funds placed with the Foundation under this program are commingled with other designated funds of the Foundation for investment purposes.

Self-supporting. The Foundation is self-supporting. Its annual operating costs are funded by income from its General Endowment Funds and Administrative Endowment Fund and from administrative fees charged other funds which are owned or administered by the Foundation. The business, property, and affairs of the Foundation are managed by a Board of Directors composed of the following members:

Mary Ann S. Crews
Eugene L. Curry

ANNUAL CONFERENCE 2016

AWARDS NEWSLETTER

JOSEPH B. BETHEA DISTINGUISHED SERVICE AWARD

South Carolina Conference Laity or Clergy who have shown a strong commitment to Christian social justice for at least five years are eligible.

Rev. Kenneth L. Nelson

Bishop Bethea was the first African American bishop to be appointed to the South Carolina Conference UMC. Richly immersed in the African American heritage and traditions of the “Black Church,” he also believed in racial reconciliation and equality. He served two conferences as district superintendent and was a professor at Duke University before being elected bishop.

Rev. Ken Nelson reminds us so much of Bishop Bethea in stature, vision, giftedness, experiences and heart. Overcoming great obstacles as a child, he refused to be defined by the adversity he encountered. Instead he views the love he received from people who mentored him throughout this conference as a great blessing which empowered him to choose “the more excellent way” of living for Christ.

He is a brilliant scholar, having served as the Assistant Dean of the Chapel and Director of Religious Life at Duke University. He is steeped in the African American tradition and served as the Conference’s African American Coordinator but believes in racial inclusiveness, social justice and equality, and served with distinction in one of our first appointments across racial lines from 1994-1998 and from 2000-2002 as an associate pastor at St. John UMC in Aiken, South Carolina. He has pastored large and small congregations throughout the conference and has preached all throughout the United Methodist connection, but his message of the Gospel of Jesus Christ remains consistent and his work ethic is undeniable. He served as a Congregational Specialist and presently serves as the Coordinator of Clergy Services and Conference Secretary where he serves with professionalism and compassion. Rev. Nelson has been elected to General and Jurisdictional Conferences. He is a worthy recipient of the Joseph B. Bethea Distinguished Service Award.

BARBARA BOULTINGHOUSE BRIDGE BUILDERS AWARD

The Barbara Boultinghouse Bridge Builder award, named after a UMC deaconess, is given to a person or organization in the S.C. conference who has built bridge of understanding by promoting equity and inclusiveness without regard to race, gender, age, handicap or economic condition. It is sponsored by the Commission on Religion and Race

Rev. Angela Ford Nelson

Barbara Boultinghouse had a radical and amazing love for all humanity that reached across racial, social, ethnic, and cultural differences. She was the heart of Boylan Haven Mather Academy, a private United Methodist school for young African American students in Camden, SC and was a committed member at the predominantly African American congregation at Trinity UMC, now Camden First UMC. She spread her love all over the town of Camden to everyone who came her way.

Rev. Steve A. Patterson

Many decades later in the same town, a predominantly African American congregation worshipping in a brand new edifice, Good Hope Wesley Chapel United Methodist Church, flooded. Within days, mold began to set in. The pastor, Reverend Angela Ford Nelson, devastated by the disaster, but exhibiting that same love Barbara had for all humanity, began to share that story with her supervising elder, the Reverend Steve Patterson, the pastor of the predominantly White congregation, Lyttleton Street United Methodist Church. Immediately, “Pastor Steve” did what Barbara would have done – he informed his congregation of the devastation and not only did they decide to help, they decided to underwrite a portion of the repairs and work until the repairs were completed. Having no flood insurance, coupled with a newly acquired mortgage, without Lyttleton Street’s help, the flood could have devastated Good Hope Wesley Chapel.

As the members of Good Hope Wesley Chapel and Lyttleton Street worked together, they became friends. They learned about each other’s families, hopes, dreams and passions. College students, home on break, came to work with their parents. Invitations to each other’s church services were extended and accepted. Personal contributions were made. They rebuilt a church, YES, but they also built bridges of friendship that will last forever.

While it is traditional to give this award to one person, it also remains true that if a bridge is built, it must go from one place to another and these two pastors, one a mentor and ordained elder, Rev. Steve A. Patterson, the other a licensed local pastor, Rev. Angela Ford Nelson, brought their churches together in a town that still is divided in many ways. Along the way these congregations became Christian friends and built a bridge of love and relationship that has endured long since.

Barbara Boultinghouse would be quite proud!

THE MICHAEL C. WATSON VOLUNTEER IN MISSION AWARD

The Michael C. Watson Volunteer in Mission Award is an annual initiative which recognizes clergy and laypersons who exemplify extraordinary volunteer mission service within the S. C. Conference.

CLERGY

Rev. George Olive has been involved in SC UMC Disaster Response preparedness and leadership for 10 years as a member of the disaster response committee, core member of ERT and even the Conference Disaster Response Coordinator for several years. During the devastating October 2015 floods, George stepped up in the early response phase. George continued to coordinate efforts in the coastal areas into mid-December when the ERT phase transitioned into rebuilding. George also functioned as one of our Regional Conference Disaster Coordinators and helped coordinate with other disaster coordinators plus VOAD's emergency managers, faith based organizations which included NC UMVIM and ERT Teams coming into the state.

Rev. George Olive

LAITY

Dr. James H. Salley

Dr. James Salley is "Mr. United Methodist." His name flows through the agencies and conferences like the air we breathe. He serves on numerous boards throughout the connection and his wise counsel is sought after. Jim can be in Zimbabwe this week and in Nashville the next and still find a way to attend his local church in Orangeburg on the weekends. He is one of South Carolina's most devoted men of God and represents laity across the connection..

His mission work spans the globe, literally, and reaches throughout United Methodism. His mission work here in this conference has transcended the decades. His most obvious mission work presently is with Africa University as the Vice Chancellor and Chief Development Officer. We see him each year as he brings his amazing choir to tour the United States or if we are fortunate to go on a mission trip to the university. Jim's true mission is PEOPLE and restoring lives. In order to do so, he may have to erect some buildings or schools or homes or shelters, but his true mission is building hope in the lives of the hopeless, repairing broken hearts and restoring vision to the spiritually blind, serving the disenfranchised and marginalized in life-transformative ways, but mostly sharing the Gospel of Jesus Christ and he does it all so effortlessly. Dr. Jim Salley is clearly one of the world's greatest missionary and volunteer. He will just tell you that he loves the Lord, the United Methodist Church and the people of God.

BISHOP'S AWARD OF EXCELLENCE

“EXTENDING OUR MINISTRY TO CHILDREN AND YOUTH IN THE COMMUNITY”

The Bishop's Award of Excellence is established for the purpose of recognizing congregations and units within the United Methodist Church that extend their ministry to children and youth by creating a faith based environment for children, youth, their families and their leaders who participate in Girl Scouts of the USA and Boy Scouts of America.

Bishop Holston joins with the United Methodist Men of South Carolina in recognizing Scouting Ministry as an important part of the Church's total ministry because of who is involved, ALL God's children. Scouting affords many opportunities for ministry from the church's buildings to camping in God's creation. These children will learn of God's love from those servants who model their faith. Those involved become part of a worldwide identity in the local community influencing youth positively for Christ. Not only are the youth ministered to, the adults also are afforded ministry among each other.

STUDENTS IN MISSION (SIM) 2016

Students in Mission (SIM) proposes to expose young adults to the mission of the church; to encourage and develop vocational discernment of young adults; to assist the church in carrying out specialized ministries; to stimulate the church in developing new ministries; to extend the missional outreach of the church; and through young adults, to make the church aware of missional needs in South Carolina. It is an opportunity for young adults to serve as missionaries for the summer in authentic mission sites within South Carolina. It is a meaningful experience of intentional Christian living, faith in action and spiritual formation. This year our sites focus on assisting migrant workers and their families as well as developing new ministries to inner city youth and needy families.

David Larymore, student at Charleston Southern University and member of the Charleston Wesley Foundation will serve at Rural Mission, Inc.

Joshua Simon, student at Claflin University from St. Paul United Methodist Church (Kingstree) will serve at Rural Mission, Inc.

LaToya Charley, student at Claflin University from New Covenant United Methodist Church (Bowman) will serve at Rural Mission, Inc.

Miyosha Foster, student at Lander University from Central United Methodist Church (Central) will serve at Aldersgate United Methodist Church (Charleston).

Sarah Davis, student at Spartanburg Methodist College from Woodland United Methodist Church (Rock Hill) will serve at Aldersgate United Methodist Church (Charleston).

THE SOUTH CAROLINA UNITED METHODIST ADVOCATE

The South Carolina United Methodist Advocate awards a \$1,000 scholarship annually to a United Methodist student with an interest in business, communications or journalism who are planning to enroll or are already enrolled at one of the four United Methodist colleges in South Carolina: Claflin University, Columbia College, Spartanburg Methodist College or Wofford College.

The *South Carolina United Methodist Advocate* has selected Ashly Higgins, a junior at Columbia College, as the newspaper's college scholarship recipient.

Higgins will receive \$1,000 from the *Advocate* toward her studies at Columbia College in the 2016-2017 academic year.

The *Advocate's* scholarship is for United Methodist students who are planning to enroll or are already enrolled at one of the four United Methodist colleges in South Carolina: Claflin University, Columbia College, Spartanburg Methodist College or Wofford College. The scholarship is available to students with an interest in business, communications or journalism.

Ashly Higgins

Higgins is majoring in writing for print and digital media at Columbia College and holds two part-time jobs. When not devoting time to studying or homework, she conducts research and writes articles for *The State* and manages a team of marketers for Young Entrepreneurs Across America. She participates in Columbia College's weekly chapel services and also attends Mount Horeb UMC, Lexington.

"I believe that journalists who also serve the church fulfill a catechetical calling," Higgins wrote in her application letter. "In addition to giving voices to the voiceless, they serve as teachers who help others understand a world created by God, but corrupted by sin. I believe journalism has a vital, yet often underappreciated role in ministry. Ministry-focused media outlets, such as the *Advocate*, not only provide an opportunity for engagement between churches and congregations, but also encourage awareness and education. Although I am not a minister, I believe that I have a duty to my Savior and brothers and sisters in Christ to share His story as often as I can, to all the people that I can, for as long as I can." The application process for the *Advocate* 2017 scholarship will begin in early 2017. For more information: jbrodie@umcsc.org.
