quality of life with the greatest level
of independence, within the context
of a faith-based residential setting
for adults with special needs.

ALDERSGATE

SPECIAL NEEDS MINISTRY

A ministry, established June 2003 by action of the South Carolina Conference of the United Methodist Church to provide homes for adults with special needs, where residents live in a loving Christian environment, overseen by a dedicated professional staff.

The homes provide life skills training and work experiences along with daily living skills, cooking, laundry, self-help, social and recreational experiences and Sunday connections to worshiping communities.

The SC Annual Conference gives support by designating an Aldersgate Special Needs Ministry offering to be taken each year on the second Sunday in August or an alternative Sunday chosen by each church. Churches, Sunday School Classes, Study Groups, Mission Groups, and individuals give additional support with regular and special gifts.

- As there is a growing need for homes in South Carolina, our vision is to expand ALDERSGATE to meet this need.
- Help this vision come into reality with your prayers and your gifts to build and maintain additional homes and to provide a residents assistance fund.
