Global Health Advance #3021770

umcmmission.org/Give-to-Mission/Search-for-Projects/Projects/3021770

Every year, nearly 6 million children under age 5 continue to die from preventable and treatable diseases. This fund supports Global Ministries in reaching 1 million children with health interventions around the world. The United Methodist Church is working to bring better health to people in every place, from our own backyards to around the world.

Please make all checks payable to:
