There is an African proverb that says, “If you think you’re too small to make a difference, you haven’t spent the night with a mosquito.” That proverb along with our belief in our big God who is able to do abundantly far more than we can ask or imagine through the young, small and less seasoned in life has inspired the UMCSC Imagine No Malaria steering committee to invite our children, youth and young adults to lead our annual conference in raising awareness and funds for Imagine No Malaria, a General Board of Global Ministries campaign to help end deaths from malaria in sub-Saharan Africa. One opportunity our youth can jump in and lead is to help design our conference Imagine No Malaria t-shirt. We invite all UM youth to go online to www.ImagineNoMalaria.org, or www.inm.umcsc.org to learn about God’s work of healing, hope and abundant life through Imagine No Malaria, and let all you learn inspire your design and submit your t-shirt in .jpg format by **January 8, 2016** to jerikatherine@gmail.com And don’t forget to register for Revolution 2016: www.scmyp.org/revolution
