South Carolina United Methodist Board of Ordained Ministry Board Representative Responsibilities

The Representative from the District Committee on Ordained Ministry to the Conference Board of Ordained Ministry will be the "BRIDGE" between those two groups for Continuing Education Covenant Group work. The Conference Board Representative (Bd. Rep.) will inform and educate District Committees about covenant group needs and processes.

- 1. The Board Representative will help DCOM identify needs for continuing education covenant groups.
- The Board Representative will (with help of DCOM) identify and secure leadership for covenant groups.
- 3. The Board Representative will mail an application to the covenant group leader(s).
- 4. The Board Representative will make sure that the application is filled out and is sent to the chair of the continuing education team of the Board of Ordained Ministry by May 15 (address is on application).
- 5. The Board Representative will check in with leader(s) throughout their meeting season.
- The Board Representative will receive evaluations from the Covenant Group and pass them on to the Conference Continuing Education Team so that they can continue to evaluate the covenant process and effectiveness.
