Fighting Hunger Locally

Fighting hunger isn't just about sending food to foreign countries. As part of our local efforts to fight hunger we ask that you bring non-parishable food items with you to Annual Conference.

In addition, any donations that exceed the \$72,000 goal will be given to local hunger ministries through the Conference Board of Global Ministries.

Imagine: A World Without Hunger

Mission: To end hunger in our lifetime by providing food and life-saving aid to the world's most vulnerable and by creating a global commitment to mobilize the necessary resources

Why School Feeding Programs Work

Stop Hunger Now's meal packaging program predominantly provides meals to support school feeding programs in schools and orphanages around the world. This is a pivotal step because children in impoverished areas are often sent to school if they will be fed. The education they receive is the turning point at which many negative factors such as infant mortality, disease and gender equality are impacted and communities can begin to heal themselves.

Stop Hunger Now

Established in 1998, Stop Hunger Now is an international hunger relief organization that coordinates the distribution of food and other life-saving aid around the world. The organization is driven by a vision to end world hunger in our lifetime and a mission to provide food and life-saving aid to the world's most destitute and hungry in the most sustainable, efficient and effective manner. Stop Hunger Now's meal packaging program has provided more than 17 million meals.
