Through the generosity of SC UM churches, the BOM has been able to provide financial assistance to students, reducing the cost to them for seminary and course of study. This past year \$99,750 was disbursed for seminarians and \$37,200 for the Course of Study, totaling \$136,950. Also, the BOM was able to consider increasing the amount for each funding tier to assist with the cost of the School of Pastoral Formation.

Slide 1: Move to adopt of the Revised MEF Funding Tier for 2017-2020. *The motion was approved.*

Excellence in ministry continues to be a major focus for the BOM as we seek to strengthen and discover effective ways of developing excellent leadership in and for the church in an ever-changing culture. We're aware of the need to acknowledge creative and adaptive leadership while maintaining a Wesleyan tradition and spirit as we move forward in and with the culture. The BOM is actively listening to the needs of the clergy and laity of the SC Annual Conference so that through Covenant Groups, Bishop's School of Ministry, Clergy Gatherings, and greater involvement with each DCOM we can offer relative and meaningful training and experiences that will enhance leadership development and the mission of the church.

Slide 2: Significant changes to SCBOM Policy Guidelines. See par. 349 BOD. Revisions to the SC Board of Ministry Policy Guidelines are required this year in order to align our policies with the 2016

Book of Discipline paragraphs according to the 2016 General Conference changes. Significant changes:

- Section III. Candidacy for Licensed and Ordained Ministry, page 8 (par 310-314)
- Section IV. License for Pastoral Ministry, page 9 (par315-320)

Additions:

- Evaluation for Continuing Formation for Full Members and Local Pastors, page 12 (par 349-351)
- Evaluation (par 349) For clergy serving local churches (par 349.1)
 - ◊ All clergy appointed beyond the local church or in extension ministries (par 349.2)
 - ◊ Eight year professional assessment for all clergy (par 349.3)
- Revised guidelines can be found on SC Conference website. *Moved and Approved.*

In October 2016, 7 members of the BOM along with **Rev. Ken Nelson**, Coordinator of Clergy Services attended the General Board of Higher Education and Ministry quadrennial training for BOMs. From this training, valuable information was gained to better equip the BOM for the broad scope of its work. One significant area of focus was the strengthening of the relationship between Cabinets and the BOMs across the General Connection.

Our Conference was already a step ahead of this recommendation. Since Bishop Holston's retreat with the Cabinet and several members of the BOM in February 2016, there has been a concerted effort from both teams of leadership to create and maintain supportive and cooperative conversation that assists in providing excellence in leadership. We continue to be clear that the BOM's primary roles are leadership development and credentialing, while the Cabinet's primary roles are as missional strategists, supervisors, and in appointment-making.

Slide 3: A Cabinet Response to Ineffective Pastoral Leadership – complying with Par. 334.3,4 BOD. – Revision of 2008 Cabinet Response to Ineffective Leadership Policy. In the 2017 revised policy, Section II, Pastoral Ineffectiveness is defined by specific characteristics. Section III outlines the Potential Reasons for Alleging Ineffectiveness such as service record, clergy assessment documents, reports and Reviews of the District Superintendents, history of church's effectiveness before and after the 'ineffective' pastor, and patterns of ineffectiveness. Section IV offers Recommendations for Responding to the Ineffective Pastor, which is designed to be helpful to the referred pastor in order to use available resources to improve effectiveness. Section V further outlines specific actions to assist in identifying ineffectiveness concerns and to begin a corrective plan of action for improvement. Section VI outlines how this process will be evaluated and how the intended outcomes have been accomplished. An addendum of Resources offers assistance with finding ways to effect corrective measures such as clergy coaching, counseling, career planning, and spiritual direction. A copy of the policy can be found as a part of the Report of the Board of Ordained Ministry in Section VII of the 2017 Journal.

Rev. Marvin Caldwell (point of clarification/question) – suggests that presentation slides be visible to the body. Moved the adoption of Conference Ineffectiveness Guidelines; *Approved.*

As our Conference continues to realize the increasing number of potential retirees in the next 5-7 years, the BOM is working toward strengthening recruitment of ministry candidates and retention of clergy in SC Conference. We are soliciting the assistance of recent seminary grads as recruitment connections with United Methodist and Senate approved seminaries, encouraging local churches, campus ministries, and other UM ministry settings to prayerfully consider persons who are exhibiting gifts for ministry and engage them in conversation with clergy, as well as involve them in the numerous ministries and mission of The UMC. Realizing we also have an increasing number of Local Pastors, the BOM seeks to strengthen the relationship among Local Pastors through group mentoring in each district as well as through the Fellowship of Local Pastors.

Group Candidacy Retreats are held each year for persons exploring a call to ministry, followed by group candidacy mentoring to assist with connectional relationships. The Board is appreciative for the leadership of **Rev. Angela Marshall** and **Rev. Terry Fleming** for coordinating this ministry of discernment.

The School of Pastoral Formation began this quadrennium with a new format for first-time pastors. **Rev. Mel Arant** designed a comprehensive curriculum that was graciously led by Cabinet members, clergy in the conference, and Conference Staff – offering an excellent learning and connectional relationship building experience for new pastors. Also, through the generosity of the Annual Conference, we are able to offer scholarships to assist persons called to ministry to achieve the necessary education to equip them for ministry. This year we recognize the following recipients:

The T. Dennis Smith Scholarship: **Shirley P. Gordon** \$2,500.

The SC Conference Seminary Students Scholarship: **Ms. Rachel Whaley Carter** -\$1,500; **Ms. Cynthia Wolfe Muncie** -\$1,500; **Ms. Emma McClain Mathis** - \$1,500; **Ms. Nona Margaret Woodle** - \$1,500. The Bessie Bellamy Parker Memorial Scholarship: **Ms. Frances Hillary Taylor** - \$4,000

In addition, the BOM also provides summer internship funding for up to three seminary students to assist with further equipping for ministry while serving in a ministry setting that may benefit from additional summer staffing and ministry development.

We celebrate receiving internship funding from a grant written by Duke University committed to placing two African-American students in ministry settings in SC Conference during the upcoming summer – and for the subsequent three years. **Rev. Megan Gray** serves as the leader of the recruitment committee of the Board of Ordained Ministry.

District Committees on Ordained Ministry are an extension of the Board of Ordained Ministry that meet with all candidates for ministry. Appreciation is given to those who serve on our District Boards. The BOM recognized persons who reached a milestone in their preparation for effective ministry. **Rev. Anthony Alford, Rev. Kenneth C. Burr, Rev. Kenneth D. Freeman, Rev. Lewis Christopher King III, and Rev. Merritt Robert Wentz.**

The Board expressed gratitude for the leadership of **Rev. Ken Nelson**, Coordinator of Clergy Services, and **Ms. Martha Long**, Administrative Assistant; **Bishop Holston** as he engages all of us in matters of nurture and accountability and faithfulness. **Bishop Holston, in response to BQ 17, "Are all the clergy members of the conference blameless in their life and official administration (Par 604.4, 605.7 BOD)?** The answer is yes with exception of those matters which have been acted upon in the clergy session on Sunday, June 4, 2017.

We are in this ministry together – as the Red Oaks who survive through the harshest of circumstances, we too survive and thrive together because we are rooted and grounded in the love of God! This love enables us to "Walk by Faith and Not by Sight!" This worship service was followed by a reception for the ordained and the commissioned and their guests.

The Annual Conference Board of Higher Education and Campus Ministry disperses the Merit Scholarship Award in accord with these guidelines and others, which they may set. Merit can be in terms of academic scholarship, church involvement, financial need and special vocational preparation for ministry or other service, or a combination of these. This year's recipient is **Mr. Azavia Scott**, a lifelong member of Mt. Seal UMC, Hemingway, where he is a member of the United Methodist Men and an acolyte. He plans to attend Claflin University this fall in hopes of becoming a corporate lawyer.

The Advocate College Scholarship was established to help students at one of the four South Carolina United Methodist colleges majoring in business, communications or journalism. This year's recipient is **Ms. Loren Mackenzie Summers**, a freshman at Wofford College and a member of St. John's UMC, Rock Hill, where she has been active in missions and ministry, including Salkehatchie Summer Service, youth group and the music ministry.

Bible Study began at 8:32 a.m. with the singing of a hymn. The study was again led by the **Rev. Dr. Albert Moseley**. The scriptural reference was "The Healing of the Blind Man" – Mark 8:22-26. The points of emphasis included:

- Distorted vision – we run the risk of seeing unclearly and everything else becomes distorted. Even though we have eyes, sometimes we don't see.
- Man sees people, but the people look like trees who are walking – maybe his mind is bad too. When we don't see the way God sees, we begin to place divisive labels where they don't belong.
- Jesus touches his eyes, and he is partially healed – teach lesson by prolonging the blessing. Our eyes have been opened, but we still don't see clearly. Initial touch is the beginning and provides some vision but there is a second touch – leads us to 'exist by faith'.
- We need the continuous touch of Jesus so that our eyes will be opened fully, and proclaim this need and the answer to the world. Each time God touches us, we need to return for new blessings day by day. We depend on God to do for us and to us what only God can do.

Bishop Holston began the business session at 9:04.

Voting on Constitutional Amendment

Ken Nelson explained who are able to vote (Deacons and Elders in Full Connection) on constitutional amendments (found on pages 78 and following). Amendments are debatable but not amendable. Opportunity will be offered for three speeches for and against and then vote. Eligible voters were asked to stand and receive the ballots.

Edward Kennedy (Kannapolis Charge) asked for clarification on the ballots that are to be used – ballots previously received or colored ballots. **Bishop Holston** confirmed that the colored ballots shall be used for the constitutional amendments.

Proposed Constitutional Amendment I

- This adds a new paragraph between current Para. 5 and 6 in the *2012 Book of Discipline*, Division I, regarding gender justice. The General Conference approved rationale for the amendment notes that the constitution contains a paragraph on racial justice but not one on gender justice.
- Discussion:
 - ◊ **Evelyn Johnsey** (Trinity, York) – asks for explanation on how this can enhance women’s rights. – AGAINST
 - ◊ **Carol Cannon** (St. Andrews, Orangeburg) – does not mean that we can’t call God Father, but encourages a reclaiming of the female imagery and understanding that being neither male nor female all can identify with God. FOR
 - ◊ **Michael Cheatham** (Greenville Lay Leader) – AGAINST
 - ◊ **Fran Connell** (Brookland, West Columbia) – speaks on how change in imagery in language regarding God can change attitudes toward women and girls – FOR
 - ◊ **Rob Bowsky** (Charleston) – Christianity is changing every 500 years and we are becoming more secular than Christian – AGAINST
 - ◊ **Dorothy Turbeville** (Jordan Charge) – God is all genders; amendment changes only the constitution to claim women equal to men – not changing Bible
- **Rev. Thomas Pearson** offered prayer as the ballot was cast.
- **Rev. Ken Nelson** advised that ballots are to be placed in white envelope and they will all be collected together.

Proposed Constitutional Amendment II

- This changes Para. 4, Article IV, of the *2012 Discipline*, also to modify gender equity language. The rationale notes that adding gender to the Constitution affirms and protects the UMC’s commitment to gender equity throughout our worldwide connection, plus allows gender-specific groups like United Methodist Women and United Methodist Men.
- Discussion:
 - ◊ **Ms. Jessi Patterson** (Trenholm Road) – opens the door to issues of gender and marital status, etc. issues that have not been addressed by the Church. – AGAINST
 - ◊ **Ms. Rosanna Ross** (Hartsville) – affirms Scripture saying God welcomes whosoever will come. FOR
 - ◊ **Mr. James Morgan** (Anderson) – sometimes we make every issue about every issue in order to pick fights. Amendment is mainstream UM practice. FOR
 - ◊ **Rev. Jeremy Howell** (Hartsville) – unintended consequence – will not discriminate based on ability and that’s what the BOM does. AGAINST
 - ◊ **Rev. Kathy Mitchell** (clergy) – talking about physical status, discrimination exists toward women, single clergy, etc., consider voting for amendment in solidarity with those who have faced discrimination. FOR
 - ◊ **Rev. George Olive** (Hartsville District) – LLP no vote but voice – his daughter is married to her wife in state of Maryland. He believes the church is still discriminating on the basis of marital status. His daughter and daughter-in-law have had to change denominations to be fully involved in the life of the church. AGAINST
 - ◊ **Ms. Frances Hill** offered Prayer as ballot is cast.

Proposed Constitutional Amendment III

- This attempts to fix what the rationale calls “unduly vague” language in Section VI, Para. 34, Article III, of the *Discipline*, with language about delegates to General Conference needing to be elected (not appointed). According to the rationale, the change adds clarity.
- No Discussion.

Proposed Constitutional Amendment IV

- This adds language to Para. 46, Article I, of the *Discipline* about episcopal elections being held in the same manner for central conferences as in jurisdictions.

- No Discussion.
- **Rev. Mitch Houston** offers prayer as ballot is cast.

Proposed Constitutional Amendment V

- This adds a new sentence to the end of Para. 50, Article VI, of the *Discipline* enabling the Council of Bishops to hold its individual members accountable for their work. According to the rationale, Judicial Decision 475 ruled unconstitutional the Council of Bishops holding its individual members accountable for their work, referencing Para. 50, so this legislation follows the Judicial Decision 1275 requirement of a legislative resolution from General Conference so the Council of Bishops may provide such oversight.
- No Discussion.
- **Ms. Barbara Ware** offered prayer as ballot is cast.

Tellers received envelopes from voting delegates at 10:04 AM.

Point of personal privilege requested and prayer offered for the 73rd Anniversary of D-Day invasion.

Bishop Holston expressed gratitude for the hard work of the tellers.

The Report of Congregational Development presented by **Rev. Sara White** and **Rev. Richard Reams**. Pages 37-38. **Rev. White** speaks on developing new spaces for new faces. She asserts, often work from a position of fear that there is not enough grace for us all. Equitable Compensation commission work has made this work possible. Appreciation shown to Congregational Development and the Cabinet. Also, appreciation was given to local churches who faithfully pay apportionment dollars that are making connections and forming community and disciples. Thankful for the support of the Bishop. Appreciation was also given for the **Rev. Reams** who is the chairperson of Conference Board of Congregational Development. He shared stories of missional growth and success. St. Andrews By-the-Sea is the second church to launch a multi-site expansion – a satellite that transformed an old bar into new place of worship. **Rev. Daniel Burbage** is the pastor at St. Andrews. Congregational Development doesn't just start new churches but they engage in beginning new services and ministries in existing churches. A New Worship Experience at North Charleston UMC has boosted membership 75%. Ministry at South Main UMC involves prayer and community outreach. Spartanburg Urban Mission is a missional church start that has its start on the streets, doing ministry with people rather than to people. Provide counsel and services to broad spectrum of people. Ann Hope UMC – District 20% funds has helped ministry blossom to serve its community, serve the poor and reach out to its mill community, feeding and bringing people together, and making sure that children are reached (a ministry that includes 50 kids in the life and ministry of the church). The community came to eat meals with us and now serves 100-150 people every Wednesday night to all in and around Seneca. Thanks to help from Congregational Development they have a certified kitchen. **Rev. Reams** spoke of new worship experience at St. Luke Walhalla – bluegrass – received development funds and increased the participation by half. Encouraged all to use Mission Insite tool that is paid for through our Congregational Development funds. Training is available if there is a need. **Rev. Reams** shows the body 'PeoplePlot' to research who lives around your church's people: income level, values, religiosity, etc. Most people in Walhalla, Reams says, identify BBQ, Fellowship, and Bluegrass so we knew that rock bands wouldn't work. Our ministries must be contextually appropriate. **Rev. Reams** asks, 'What will you do to develop new spaces for new faces? How will we walk by faith and not by sight?' As long as there is one person who doesn't know the love and grace of Jesus Christ there is work to do.

Rev. White requests report moved to record. *Approved unanimously.*

Like him, campers have no idea of the unexpected pleasures that await them at Asbury Hills. Asbury Hills will continue to be a place of unexpected discovery. The Board of Directors is tasked to make sure every person experiences God's glory in new and amazing ways. The mission of Asbury Hills started when state parks required segregation and their needed to be a place that honored the integrity and blessedness of all God's children. Video for the UM *Advocate*. **Bishop Holston** showed appreciation for Jessica Brodie.

Conference Chancellor Report presented by **Kaye Crowe**. Ms. Crowe stressed the importance of each church having a complete insurance package. The Trustees are responsible for an annual Review of the insurance coverages. This annual Review must be referenced in the meeting minutes. The Conference no longer provides bond coverage. This is the individual responsibility of each church. 2549 BOD was rewritten. We no longer abandoned or discontinued. Churches are now officially closed. A closure may take place by the Annual Conference, but could ad interim as well. New process begins with the D.S. who reaches a belief that the church no longer accomplishes the purpose for which it was organized. Is that church functioning as a UMC? Following that, if no longer being used or maintained, church must go through a ¶213 church assessment. This process takes some determinations by the District where church resides. Also added, ad interim closure, at

any time during the year that there is a vote of cabinet, with support of committee on location a church can be closed. Allows churches to decide at any time to dissolve. 2016 BOD codifies criteria for closing: local church no longer serves its purpose for which it was organized; no longer houses Divine Worship associated with The United Methodist Church. Moved to record. *Approved*.

Report of the Committee on Nominations presented by **Rev. Joseph James**. Next year there will be a description of all boards and agencies of the Annual Conference on the website. **RESOLUTION TO OPPOSE HUMAN TRAFFICKING AND
HELP END SUICIDE AND HOMELESSNESS
AMONG LESBIAN, GAY, BISEXUAL, TRANSGENDER, AND QUESTIONING (LGBTQ) YOUTH**

WHEREAS, Paragraph 161G of The Social Principles of The United Methodist Church states:

“We deplore all forms of the commercialization, abuse, and exploitation of sex. We call for strict global enforcement of laws prohibiting the sexual exploitation of children and for adequate protection, guidance, and counseling for abused children. All persons, regardless of age, gender, marital status, or sexual orientation, are entitled to have their human and civil rights ensured and to be protected against violence” (Book of Discipline, 2016); and

WHEREAS, Paragraph 162J of The Social Principles of The United Methodist Church states:

“Certain basic human rights and civil liberties are due all persons. We are committed to supporting those rights and liberties for all persons, regardless of sexual orientation.... Moreover, we support efforts to stop violence and other forms of coercion against all persons, regardless of sexual orientation.” (Book of Discipline, 2016); and

WHEREAS, lesbian, gay, and bisexual youth are four times more likely to attempt suicide than their straight peers; questioning youth are 2 times more likely to attempt suicide than their straight peers; and 40% of transgender adults report having attempted suicide, of which 92% have been made while under the age of 25 (*The Trevor Project, 2017*); and

WHEREAS, LGBTQ youth who come from highly rejecting families are 8.4 times as likely to have attempted suicide as their straight peers who reported no or low levels of family rejection, this propensity for rejection being evidenced in the disproportionate rates of LGBTQ homeless youth in comparison to the general population, and an estimated 40% of youth served by drop-in centers, street outreach programs, and housing programs identify as LGBTQ (*Durso & Gates, 2012*); and

WHEREAS, homeless LGBTQ youth often run away or are turned out of their homes due to discrimination, name calling, rejection and abuse and additionally, the lack of support within many institutions that guide the lives of LGBT youth (e.g., their schools, families, and churches) leaves them more vulnerable to experiences that may compromise their mental health, and as a result, LGBTQ youth are more likely to experience low self-esteem issues, putting them at a much higher risk for trafficking or turning to sex work in exchange for shelter, food or rent money (*National Institutes of Health 2013*); and

WHEREAS, during the first 48 hours after running away or being turned out of their homes, one in three homeless youth are recruited by a trafficker into commercial sexual exploitation. (*National Institutes of Health 2013*); and

WHEREAS, 58.7% of LGBTQ homeless youth have been sexually victimized compared to 33.4% of heterosexual homeless youth; LGBTQ homeless youth are roughly 7.4 times

more likely to experience acts of sexual violence than heterosexual homeless youth; LGBTQ homeless youth commit suicide at higher rates (62%) than heterosexual homeless youth (20%) (*National Coalition for the Homeless, 2012*); and

WHEREAS, Jesus Christ has expressly given the *least*, the *lost*, and the *hurting* a place among the people of God, which holy privilege must not be denied them and Jesus Christ our Lord teaches us, saying...“Truly I tell you, just as you did it to one of the least of these who are members of my family, you did it to me.” (*Matthew 25:40 NRSV*); and

WHEREAS, the South Carolina Conference of The United Methodist Church seeks to follow a biblical mandate of edification of the least, the lost, and the hurting in order to prevent suicide, sexual assault, trafficking, and homelessness of LGBTQ youth;

THEREFORE, BE IT RESOLVED, that the following resolution is adopted by the 2017 South Carolina Annual Conference:

That we vow, as churches and people of faith, to bear witness to the value of each and every life by not remaining silent when this value is questioned or dehumanized. To that end, we categorically oppose the practices of human trafficking and slavery in all its forms and urge our churches, committees, campus ministries, and all other United Methodist organizations to create safe space for each and every child of God.

Further, in the spirit of advocating for safe spaces, we call upon every United Methodist to respond to acts of prejudice, harassment, bullying, abuse, and violence against all persons, including our LGBTQ youth, with acts of compassion, justice, and liberation.

Moreover, we call upon the Church and society to intentionally support, advocate on behalf of, and minister to all at risk youth regardless of sexual orientation or gender identity.

Finally, we call upon clergy to provide counseling and emotional and spiritual assistance to the families of LGBTQ youth, in accordance with the social principles of the United Methodist Church, to help them better understand and value their youth and to make the home a safe space that is free of ridicule, bullying, and physical and verbal abuse, wherein the desire for escape by running away from home or by suicide is lessened through acceptance and the enduring love of family and of God.

HEALING FROM THE LEGACY OF LYNCHING

WHEREAS, the genocide of native people, the legacy of slavery and social terror, and the legally supported abuse of social minorities existed in the United States; and

WHEREAS, research on mass violence, trauma, and transitional justice underscores the urgent need to engage in public conversation about social history that begins a process of truth and reconciliation in this country; and

WHEREAS, lynching profoundly impacted race relations in this country and shaped the geographic, political, social and economic conditions of African-Americans in ways that are still evident today; and

WHEREAS, many victims of terror lynching were murdered without being accused of a crime; they were killed for minor social transgressions or for demanding basic rights and fair treatment; lynching of share croppers, ministers, and community leaders who resisted mistreatment occurred; and

WHEREAS, lynching of African-Americans was terrorism, a widely supported phenomenon used to enforce social subordination and segregation, Southern lynch mobs killed more than 4,000 black people between 1877 and 1950; and

WHEREAS, the risk of racial violence led many African-Americans to flee the South. Between 1910 and 1970, national demographics shifted dramatically as nearly six million black refugees from Southern terror relocated to urban centers in the Northern and Western United States; and

WHEREAS, public commemoration plays a significant role in prompting community-wide reconciliation. No prominent public memorial or monument commemorates the thousands of African-Americans who were lynched in America.

THEREFORE, BE IT RESOLVED, that each United Methodist Church in communities of South Carolina are encouraged to have a ritual of forgiveness and reconciliation at the site of the lynchings in their community and a memorial be placed at this site.

RESOLUTION: A FORMAL APOLOGY FROM TRINITY UMC TO CENTENARY UMC

Whereas, the first formal Methodist Church was formed in Charleston in 1785 when the Charleston Circuit reported a membership of thirty-five whites and twenty-three blacks assembled in what was to be known as the Cumberland Street Methodist Church. In 1791, the Trinity Primitive Methodist Church was formed from the membership of that church. In 1874, the two churches merged to form what is known today as Trinity United Methodist Church,

Whereas, founder John Wesley and Bishop Thomas Coke's antislavery position led the Methodist Conference to urge the end of slavery and teach all children to read and write in their Sunday school classes causing "outbreaks of mob violence against Charleston's Methodists, its ministers, or visiting bishops for the first twenty years of the nineteenth century",

Whereas, the conflicting opinions and elevated animosity of slavery and Civil War incited division within American Methodism and several Methodist congregations "resulted in segregating free blacks to worship in the galleries and in some cases being physically removed from the sanctuary floor"¹

Whereas Rev. T. Willard Lewis and Rev. Alonzo Webster assisted in the establishment of a new church for “free people of color” stating “there will be no galleries in heaven” and in 1865 the Methodist Episcopal Church appointed Rev. Webster as the pastor. This congregation then became known as the Centenary church after purchasing the former Wentworth Street Baptist Church,²

Whereas, in the 225th year of ministry, the contemporary congregation of Trinity United Methodist Church acknowledges the history and legacy of its congregation in Charleston is a result of the predecessors of the original, combined congregation of the Cumberland church which includes Centenary United Methodist Church and further acknowledges the discrimination Trinity’s white members inflicted against its black members creating segregation within its faith community,

Therefore be it resolved, the members of Trinity United Methodist Church make formal amends to the members of Centenary United Methodist Church to ensure it is understood and acknowledged we are all equal brothers and sisters in Christ. We express regret for the sins of our predecessors, mourn their acts of divisiveness, and ask to show our love for one another by sharing in joint events, worship, congregation development, and mission programs. The harsh lesson to learn from our history is this; we stand stronger united rather than divided. We need to get to know each other so as to demonstrate our sincere desire to end the racial tensions which have continued throughout the centuries and are in hopes this one initial step at achieving unity will encourage other congregations to do the same.

We are the United Methodist Church.

Be it further resolved that the SC Annual Conference commend those churches on their action.

WELCOMING THE MIGRANT IN OUR MIDST

Whereas, the state of South Carolina is made up of many immigrants who have migrated to our state seeking safety, security and prosperity; and

Whereas, immigrants and refugees sit in the pews and are behind the pulpits of South Carolina’s United Methodist Churches and provide much of the agricultural labor for produce and other goods that sustain us; and

Whereas, we know so well that we have benefitted by their leadership. They have added to our witness for Christ as we have all dedicated ourselves to the church's mission of making disciples of Jesus Christ for the transformation of the world; and

Whereas, the writer of Leviticus commands the love of the immigrant, who "shall be to you as the citizen among you." (Leviticus 19:33-34); and

Whereas early in Jesus' life, he was a refugee to Africa fleeing persecution and violence in his homeland. (Matthew 2:13-15) and told us that nations would be judged on the basis of the way they fed the hungry, clothed the naked and cared for prisoners (Matthew 25:31-46); and

Whereas, careless rhetoric has ignited xenophobic and racist attitudes among some of our fellow citizens;

Therefore be it resolved that the South Carolina Conference of The United Methodist Church, as followers of Jesus, commit ourselves to work to eliminate racism and violence directed toward newly arriving migrants from all parts of the world

Be it further resolved that the South Carolina Conference of The United Methodist Church, as followers of Jesus, express our opposition to any immigration policy that excludes refugees solely on the basis of their religion or national origin;

Be it further resolved that we celebrate the recreation of a Hispanic Latino Ministry Task Force and the formation of an immigration task force by the Conference to help provide guidance to churches seeking to be in ministry to immigrants in South Carolina;

Be it further resolved that, to that end, the Conference encourages all churches to educate and equip its members to provide hospitality and welcome to migrants and refugees in their communities (the Resolution approved by General Conference "Welcoming the Migrant to the United States" would be an excellent resource); and to take further actions and advocacy for just policies through prayer and discernment;

Be it further resolved that the Conference calls upon each church to engage and educate its members by participating in events sponsored by our Conference's Task Force such as Pentecost Journey;

Be it further resolved that the Conference calls upon our political leaders and policy makers to assure our laws affirm the worth, dignity, inherent values and rights of immigrants.

Be it further resolved that this resolution be signed and forwarded to our Congressional Delegation, both National and State, by our resident Bishop and Conference Secretary.

Keith Sweat (Greenwood District) – requested a decision of law regarding actions on the 5th of June regarding decision on alignment.

Bishop Holston received the statements below and stated that he believes only the General Conference has the power to engage in what the resolution pertain.

The questions of law include:

- (1) “Regarding the Bishop’s action at the afternoon session of 5 June on the Resolution on Realignment: Does Decision 1340 of the Judicial Council or some part of the *Discipline* render it out of order for an Annual Conference to petition the General Conference for enabling legislation so as to allow the Annual Conference to alter its relationship with the General Conference?”
- (2) “Regarding the Bishop’s action at the afternoon session of 5 June on the Resolution on Realignment: Does Judicial Council Decision 1340 prevent an Annual Conference from forming a task force, study commission, or committee if the product of that task force would likely result in a proposal that is contrary to the *Discipline* at the time it is written, but includes a petition to General Conference for enabling legislation before enactment?”

(See page 99 for Judicial Council Ruling of Law.)

Robert Cox (Greenville District) expressed gratitude for all of the hospitality team.

Rev. Ken Nelson stated, after consultation with Bishop and Committee on the Annual Conference I would like to offer the following motions:

- That the dates set for the 2018 SC Annual Conference be **June 3-6, 2018**
 - ♦ *Approved.*
- That the host site for the 2018 SC Annual Conference be the **TD Convention Center in Greenville, SC.**
 - ♦ *Approved.*

Rev. Wayne Jackson (Florence District) – Annual Conference future sites committee report. Recommendation for future sites for 2019 and on. Recognized the committee members. Discussed the many facets considered when picking an Annual Conference venue. Recommends that we extend the contract with TD Convention Center in Greenville a third year. TD Center has verbally agreed to do this for us and gave us the best financial incentives to return a third year.

After year 3 in Greenville, it is recommended that we go to Myrtle Beach (2020) for three years, and then back to Florence (2023). It is recommended that this will become a rotation. All venues meet our needs. No matter where we are we’ll accomplish our mission. (*Presented for information*)

- **Ruby Williams Stines** (Hartsville District) – What happened to Columbia which was in the study early on?
 - ♦ **Rev. Jackson** – noted several problems: parking (\$9,000); to accommodate events we’d need to use the Colonial Life Arena and Columbia Convention Center and the issue of moving piano and organ. Rent of convention center required rental of Hotels that were in contract with them.

Jennifer Cheatham (Greenville District) – question answered by **Rev. Ken Nelson** - first week in June and Myrtle Beach dilemma. Sheraton Convention Center does not see high school student traffic being 3 blocks from the Beach. Cued Video expressing gratitude for those who worked tirelessly to make this year’s Annual Conference gathering a success.

Felicia Holston and Lollie Haselden (Executive Assistant to the Bishop) were recognized by Bishop Holston. Appreciation for Bettye Rivers was shown as well.

The Omnibus Motion –This motion will be made at the close of the 2017 Annual Conference.

Omnibus Motion: That any reports, nominations, or recommendations printed and distributed in the pre-Conference or registration materials or distributed on the floor during the Annual Conference Session not previously acted upon be accepted and moved to record and that following the completion of *The Fixing of the Appointments*, that this 2016 Session of the South Carolina Annual Conference be adjourned *sine die*.

Mary Bennett (St. Paul Bennettsville) – complaint that church was told that they had paid 100% apportionments but in write up it reflected 99.98%.

Roger Gramling (Retired) – we need to vote on the recommendation for 2019 site for Annual Conference.

Omnibus motion *approved*.

2019 site *approved*.

Marty Mason (Latta) – Lay Delegate couldn't be here because of 2 pinched nerves and earlier today should've had his gallbladder removed (**Henry Brunson**). Prayer offered for him by **Bishop Holston**.

After a 10 minute break **Bishop Holston** reconvened the Conference for a Worship Service of Sending Forth and the Fixing of Appointments. **Bishop Holston** preached a closing sermon entitled: "A Hope and a Promise!" The Annual Conference members sang "We Go Forth to Serve." After the presentation of Appointments by the District Superintendents and Fixing of the Appointments by Bishop Holston, the Annual Conference was adjourned at 3:37 p.m.

JUDICIAL COUNCIL RULING OF LAW ON

RESOLUTION FOR THE REALIGNMENT OF THE SOUTH CAROLINA CONFERENCE OF THE UNITED METHODIST CHURCH AND ITS DISAFFILIATION FROM THE STRUCTURES OF THE UNITED METHODIST CHURCH

RESOLUTION FOR THE REALIGNMENT OF THE SOUTH CAROLINA CONFERENCE OF THE UNITED METHODIST CHURCH AND ITS DISAFFILIATION FROM THE STRUCTURES OF THE UNITED METHODIST CHURCH

Endnotes are citations of documents and events relative to the specifics of the resolution and include inferences and characterizations. They are to assist the Committee on Resolutions and Appeals in their work. Endnotes are not a formal part of the resolution and need not be distributed with it.

I. BACKGROUND AND RATIONALE

"Now I beseech you, brethren, by the name of our Lord Jesus Christ, that ye all speak the same thing, and that there be no divisions among you; but that ye be perfectly joined together in the same mind and in the same judgment." (1 Corinthians 1:10)

"Now in this that I declare unto you I praise you not, that ye come together not for the better, but for the worse. For first of all, when ye come together in the church, I hear that there be divisions among you; and I partly believe it." (1 Corinthians 11:17-18)

"And if a house be divided against itself, that house cannot stand..." (Mark 3:25)

The South Carolina Conference of the United Methodist Church asserts that the following is or ought to be obvious to all parties concerning the state of the church:

1. Schism is not separation from a church body but separation within a church bodyⁱ
2. To declare that "we are not of one mind" or "not of the same judgement" is to affirm that we are in schismⁱⁱ
3. The United Methodists Church has been for a generation engaged in divisive debates on numerous matters of doctrine and polity which have created suspicion and mistrust among its peopleⁱⁱⁱ, restricted its ministry^{iv}, and thereby damaged its witness to the world.
4. Attempts by people of good will to recover unity—to speak with one voice as one body—whether through dialogue, legislation, or judicial action have all failed^v

5. The one remaining path, the Bishops' Commission on a Way Forward, has neither in its charge nor in its communication any intent of bringing about unity of purpose or common mission^{vi}, but seeks only to maintain a unity of property and a common purse.
6. Even IF the Bishops' Commission is successful in its goals, and IF they are affirmed by a subsequent General Conference, and IF they are ratified by enough subsequent Annual Conferences, and IF they are then implemented by all our administrative bodies as the General Conference intends, and IF they withstand the inevitable challenges before the Judicial Council; then the result will still condemn us to codified perpetual schism.
7. Because of our ongoing schism and the unwillingness of administrative bodies to implement polity, the General Conference, the one body designated to speak with authority on behalf of the whole church
 - a. cannot establish uniform criteria for the licensing of its professionals^{vii}
 - b. cannot establish uniform criteria for membership in the church^{viii}
 - c. cannot establish uniform criteria for being in "good standing"^{ix}
 - d. cannot establish criteria for the election of members to its own quadrennial body^x
 - e. cannot direct the ministry of its boards and agencies either by requiring them to act in one matter or by restraining them from acting in another^{xi}
 - f. cannot speak authoritatively with one voice on behalf of the church
8. The General Conference cannot perform the essential functions for which it was formed and the United Methodist Church has ceased to exist except as various independent corporations with shared interests in certain properties, copyrights, and trademarks
9. Boards and agencies are already electing to reorganize themselves and remove the term "United Methodist" from their title^{xii}
10. Individual clergy and local churches are already separating themselves from the structures of the former United Methodist Church in a spontaneous and chaotic manner
11. Chaos is not a friend of the Church, and any realignment or change in affiliation ought rightly to be accomplished in an organized way while charity remains with us still

II. WHEREAS

1. Even if the United Methodist Church could find an agreement on its most notorious divisions, "the denomination is faced with many decisions regarding policies and theology with no common ground. We have no desire to continue to engage in these divisive debates nor to be forced to face the crossfire between multiple front lines"
2. "We simply desire to be able to withdraw from engaging in these distractions and move forward with ministry, focused instead on our mission of connecting people to Christ and to one another"
3. An organized realignment of this magnitude takes time to develop and additional time to implement, and furthermore, "the most critical step in being able to recover from a disaster is being prepared for one in the first place." It is, therefore, not advisable to wait until the passions of a 2019 or 2020 General Conference are unleashed upon us, but prudence and charity implore us to develop a plan now which truly allows room for the Holy Spirit to still work among us and which may be paused or set aside at any point

III. THEREFORE, BE IT RESOLVED

1. The Bishop shall within thirty days of the close of this Annual Conference appoint a task force with the sole charge of developing a plan of disaffiliation of this Conference from the structures of the United Methodist Church for presentation to the Annual Conference of 2018.^{xiii}
2. The task force shall be known as the Task Force on Realignment
3. The task force shall consist of twelve members--not more than six clergy and not less than six laity.
4. The members shall demonstrate a sincere desire to participate in the work of the task force and an unequivocal commitment to the success of their charge.
5. To avoid the actual or apparent conflicts that could result from their unique vows and positions of trust, neither the Bishop nor any District Superintendent shall serve on the task force.
6. The task force shall elect its own chair and other officers as it deems helpful.
7. All officers and employees of the South Carolina Annual Conference of the United Methodist Church, its boards, trust, agencies, committees, and other

- subsidiary entities are charged to expedite requests for information from the task force and to make themselves available for interviews.
8. The Conference Treasurer shall make available to the task force a budget of \$10,000 from the Conference Administration Fund for the procurement of legal counsel, financial consultants, and other specialists it may deem necessary to its work. The GCFA shall make such editorial changes to its report as are necessary to provide these funds
 9. Should the task force determine the need for additional funding then they shall be permitted to solicit designated gifts from the local churches to be remitted through the Conference Treasurer's Office.
 10. Since realignment brings with it inherent sadness, hurt, and costs of various kinds; as far as it is within its purview, the plan ought to allow clergy or local churches of this conference who desire to follow a different path the opportunity to do so without extraneous burdens or nonessential costs.

JUDICIAL COUNCIL OF THE UNITED METHODIST CHURCH

MEMORANDUM NO. 1356

IN RE: Review of a Bishop's Decision of Law in the South Carolina Annual Conference concerning if Decision 1340 of the Judicial Council or some part of the Book of Discipline 2016 render it out of order for an annual conference to petition the General Conference for enabling legislation to allow the Annual Conference to alter its relationship with the General Conference.

STATEMENT OF FACTS

Two written requests for decision of law were presented to the Presiding Bishop by a licensed local pastor on June 7, 2017, the last day of the session of the South Carolina Annual Conference, as follows:

1. Regarding the Bishop's action at the afternoon session of 5 June on the Resolution on Realignment; Does Decision 1340 of the Judicial Council or some part of Discipline render it out of order for an Annual Conference to petition the General Conference for enabling legislation so as to allow the Annual Conference to alter its relationship with the General Conference?
2. Regarding the Bishop's action at the afternoon session of 5 June on the Resolution on Realignment: Does Judicial Council Decision 1340 prevent an Annual Conference from forming a task force, study commission or committee if the product of that task force would likely result in a proposal that is contrary to the Discipline at the time it is written, but includes a petition to General Conference for enabling legislation before enactment? (emphasis added).

Three months earlier, on March 14, 2017, petitioner pastor submitted to the Annual Conference Committee on Resolution and Appeals "Resolution for the Realignment of the South Carolina Conference of the United Methodist Church and Its Disaffiliation from the Structures of the United Methodist Church."

In the afternoon session of the Annual Conference of June 5, 2017, or two days before the twin requests were made, the Committee on Resolutions and Appeals brought to the Conference floor the Resolution for Realignment and Disaffiliation as part of its report, without recommendation, for information only. The bishop ruled it out of order, not properly before the Conference, and that it could not be discussed or acted upon. No further consideration, deliberation, or action, was taken except and until the submission of the request for the decision of law.

JURISDICTION

The Judicial Council has no jurisdiction. The twin requests for a bishop's decision of law arose out of a parliamentary ruling of the bishop on the Conference floor on June 5, 2017, when the Committee on

Resolutions and Appeals brought to the Conference session petitioner's draft Resolution for Realignment and Disaffiliation as part of its report for information only. The Committee presented the Resolution without recommendation. The bishop ruled that the Resolution was out of order, not properly before the Conference, and, therefore, that it could not be discussed or acted upon by the Annual Conference. No further discussion nor any action taken related to the matter until the request for decision of law was submitted on the last day. (Minutes of the Annual Conference, 2nd day, June 5, 2017, pp. 13-14: Transcript of Proceedings, Appendix "A" of Petitioner's Brief)

It is true that review by the Judicial Council of a bishop's decision of law is automatic or mandatory (JCD 799, 1244). Jurisdiction is another matter. It is settled precedent that the Judicial Council has no jurisdiction on a parliamentary matter or verbal ruling made on the conference floor during a session. There is no disciplinary authority for the Judicial Council to assume jurisdiction of a parliamentary ruling by a presiding bishop. (Memoranda 898, 941, 1117, 1187 and 1205).

After the bishop ruled the resolution out of order, the proper recourse for the proponent of the resolution was to appeal that ruling. No request to appeal the ruling was made. (JCD 1117) Hence, the matter was no longer before the Annual Conference. The Bishop was correct in making this ruling.

DIGEST

The Judicial Council has no jurisdiction. The request for a Bishop's decision of law arose out of a parliamentary ruling that the resolution or petition was out of order. We have no jurisdiction to review a parliamentary determination by a bishop.

Dennis Blackwell was absent.
First clergy alternate Timothy Bruster participated in this decision.
