THE REPORT OF THE COMMITTEE ON NOMINATIONS

With the extension of the 2016 quadrennium, our election cycle for members of conference boards, agencies, councils, and committees is delayed. Those terms of office ending in the year 2020, will be instead extended until the 2016 quadrennium ends.

Report Number One is for the election of those institutions that relate to the annual conference, who select and nominate their own board members, and who, by standing rules, pass these nominations directly to the Annual Conference by way of the Conference Committee on Nominations. These nominations are before the Annual Conference for your election.

Report Number Two contains the nominations for the Wesley Foundations and Fellowships.

Report Number Three contains the nominations for the various district boards and committees and they are submitted by the districts for annual conference election.

Report Number Four is the list of all boards, agencies, committees and councils of the annual conference elected at the 2019 annual conference. This report is given as information only. These elections will stand until the end of the extended quadrennium.

PLEASE GIVE TO THE CONFERENCE SECRETARY AS SOON AS POSSIBLE
THE COUNCIL ON FINANCE AND ADMINISTRATION

Recommendations to the 2020 Annual Conference

Each and every disciple of Christ is called to be stewards of the mysteries of God. On behalf of the Council on Finance and Administration, I want to thank all United Methodists in South Carolina for their generosity in 2019. We achieved a 90.02% collection rate on apportionments. This is the fifth consecutive year in which apportioned giving exceeded 90% for our Annual Conference. The Council commends all congregations for their continued and sacrificial support of their extended ministry through the South Carolina Annual Conference. We celebrate the Walterboro district for collecting the highest percentage at 98.31%. We also celebrate the Greenville district which had the largest increase in funds collected, an increase of $83,899 over the prior year. The largest percentage point increase was in the Florence district at 5.76.

The biennial stewardship summit was held February 29, 2020, at Union UMC in Irmo. Our speaker was Rev. Bob Crossman who shared many actionable ideas and forty-eight ways to improve your annual stewardship campaign. Approximately 150 people attended.

The following pages outline the complete ministry funding plan for our South Carolina Annual Conference for calendar year 2021. The Council has sought to prepare this document with deep prayer and faithful reflection. The Council is aware that the target is to have a budget at or around 15% of total Conference average net funds. It is aware that this percentage had been creeping higher and we are making progress reversing this trend.

The recommended budget for 2021 is reduced by $246,837 and is estimated to be 14.7% of average net funds. The Council anticipated having a more significant reduction in the total budget brought about by reduced apportionments from the General Church. However, because General Conference 2020 is postponed to 2021, we continue to be held to the apportionment formulas passed at General Conference 2016. It is expected that when the next General Conference passes the apportionment formula changes, the apportionments for the remainder of the quadrennium will be adjusted for the excess amount calculated for 2021.

We appreciate the service of Mrs. Elizabeth (Beth) Westbury, whom we recommend to re-elect as our Annual Conference Treasurer and Director of Administrative Services, and her gracious staff. I am also constantly grateful for the devoted work of every lay and clergy member of the Council on Finance and Administration. They attend, interact, debate and support the work of the Council in a most faithful and dependable manner.

May God continue to bless and guide all the ministries of our beloved SC Annual Conference!

The Reverend Mitch Houston, President, Council on Finance and Administration

Report No. 1

A. The compensation for the District Superintendents for the year 2021 will be set at $106,090, a 3% increase. (DS compensation for 2019 was $103,000 and for 2020 is $103,000.)

B. The Council on Finance and Administration of the South Carolina Annual Conference, The United Methodist Church, hereby designates 15% ($15,914) of the district superintendent’s salary for the year 2021 as allocated for parsonage utilities and maintenance (“utility exclusion”), not including expenses paid by the district. Any subsequent changes to the utilities exclusion that may be requested by an individual may be approved by the Treasurer on behalf of the Council on Finance and Administration.

C. The District Administration Fund will be handled as follows:
   1. The item “Office Expense” in the District Administration Fund will be for the operation of the District Office to pay such items as secretary, postage, and supplies and will be set at $21,000 per district.
   2. Exceptions: Inasmuch as the Columbia District Office must be in The United Methodist Center, one-half of that office rent will be paid from the Conference Expense Fund. Inasmuch as the Columbia District superintendent is designated as the Cabinet secretary, one-half of the salary and benefits of the secretary in that office will be paid from the Conference Expense Fund.
   3. Travel (in and out-of-district) is set at $170,000 for the total of all districts, which includes $8,000 for the common lodging and meal expenses of retreats. This will be set at $13,500 per district or an allocated amount set by the Cabinet not to exceed a total of $162,000. In addition, insurance & pensions is expected to be approximately $330,000 ($27,500 per district), and continuing education will be set at the amount recommended by the Commission on Equitable Compensation (currently at $750 per superintendent).
   4. Vouchers for continuing education must be approved prior to payment. The unused portion of the Continuing Education allowance may be carried forward from year to year during a district superintendent’s tenure, not to exceed a total amounting to three year’s Continuing Education allocation. The accumulation is cancelled in full when a district superintendent leaves the superintendency. It does not carry forward to the new district superintendent. However, by application to the CF&A in advance of leaving the superintendency, the district superintendent may within a reasonable length of time use the unused portion of the Continuing Education allowance to take training that would assist in his/her return to the parish ministry or other appointment. For the year in which there is a move, one-half of the Continuing Education allowance will be available for each superintendent.
5) The funds for program in each district are based on the membership of the district, beginning with a base of $2,800 for the smallest membership district and adding $100 for each one thousand (1,000) members, or major fraction thereof, above 18,000. These funds are not guaranteed and are contingent upon the apportionment receipts and other requirement of the district administration fund. The schedule for 2021 will be as follows (Final amounts will be reflected in the 2020 Journal):

D. Each District Board of Trustees shall administer all funds for the District Parsonage Fund, which provides funds for parsonage payments, repairs, insurance and furnishings (not to include parsonage utility payments). The moving expenses of an in-coming district superintendent may also be paid from the District Parsonage Fund, not to include more than $350 packing expenses. To comply with the change in tax law effective January 1, 2018 whereby reimbursements of moving expenses become taxable compensation to the recipient, the amount of reimbursement will be included in the district superintendent’s taxable income as reported on Form W-2. Reimbursements of moving expenses for district superintendents shall be paid without the benefit of a gross up for taxes. Each district office shall provide its trustees with regular reports of all receipts and expenditures of the District Parsonage Fund.

E. Below are the percentages of average net funds that each church is asked to pay to its respective District Parsonage/Office Fund (Avg. Net Funds will be printed in the Journal):

Report No. 2

A. We recommend that the following special observances be a part of the program of each local church and that appropriate free-will offerings be received:

- Human Relations Day – January 17, 2021
- Golden Cross Sunday – February 7, 2021
- UMCOR Sunday (formerly One Great Hour of Sharing) – March 14, 2021
- Native American Awareness Sunday – April 18, 2021
- Peace with Justice Sunday – May 30, 2021
- Epworth Children’s Home
- Mothers’ Day – May 9, 2021
- Work Day – September 12, 2021
- Church school offering first Sunday each month
- Aldersgate Special Needs Sunday – August 8, 2021
- Youth Service Fund Sunday – September 19, 2021 (youth offering)
B. We offer the following:

1) That all boards, commissions and committees receiving funds from the conference treasurer shall submit with each voucher adequate supporting data (receipts, bills, contemporaneous travel log, etc.). Payments in excess of $1,000 should be approved by the Conference Treasurer in advance.

2) That boards, agencies and conference institutions which are allowed to withdraw lump sums from the conference treasurer shall submit an annual audit (with management letter) by a certified public accountant to the Council on Finance and Administration, along with evidence of fidelity insurance coverage and compliance with payroll tax laws.

3) That all boards, commissions and agencies of the conference reimburse persons at a rate of 24 cents per mile when traveling on conference business. In order to encourage car pooling, we recommend that if a car contains two persons traveling on church business, the mileage rate be increased to 32 cents; if a car contains three or more persons all traveling on church business, the rate be increased to 40 cents per mile. Pastors who are members of such agencies should submit reimbursement requests to their appointed church or charge for the difference between their conference reimbursement and the approved IRS mileage rate, since participation in the ministries of the district and conference is an expected responsibility of all appointed pastors. Conference employees will be reimbursed at the approved IRS mileage rate when traveling on church business. We recommend that other expenses for travel on church business be paid. We also recommend that the guideline amount paid to a person for meals shall be $7.00 for breakfast, $13.00 for lunch and $20.00 for the evening meal.

4) That the balance held for each board, committee, commission or agency on the books of the conference treasurer shall be carried forward from one year to the next and that this shall be taken into consideration in the subsequent budget request.

5) That conference boards and agencies may not spend in excess of funds received on budget for the given conference year, except that funds carried forward may be spent in addition to funds received in the current year if such carryover funds were included in the budget presented to CFA. Any expenses beyond the combination of anticipated receipts (based on previous-year percentage of payment) plus budgeted carryover funds will not be paid by the treasurer.

6) That “average net funds” as used in the calculation of 2021 apportionments shall mean for each church the two-year average of net funds in the years 2019 and 2018. Newly organized churches will be phased in over four years, but for the years prior to the organization of the new church, the net funds figure will be zero. “Net funds” for churches that provide a housing allowance in lieu of a parsonage will exclude the lesser of the actual housing allowance or 25% of the minister’s compensation prior to calculating the church’s average net funds.

7) That “net funds” be defined as the total of figures reported on lines 41 through 47 (inclusive) of Table 2 for 2018 and 2019.

8) That once the apportionments are calculated from Table 2 statistics for any given year, those apportionments cannot be altered. Needed corrections can be made on Table 2 reports for use in future year calculations by providing written explanation of the correction to the Treasurer.

9) Total apportionment funding for Methodist Homes Residents’ Assistance (item 11, Report No. 9) is reduced to reflect changes in funding after Methodist Oaks is sold to a for-profit entity. Methodist Oaks requested the Conference continue assistance for four individuals in residence there. Based on the monthly assistance requested and the life-expectancy of the individuals, an expected need has been projected. For 2021, the apportionment request is reduced and the allocation of funds among the participating homes adjusted. The recommended allocations are:

</table>

10) That the funds received on the apportionment for Senior College Scholarship Fund (item 9, Report No. 9) be divided in three equal parts, one-third each going to Wofford College, Columbia College and Claflin University; that the funds received on the apportionment for Camps and Retreat Ministries (item 12, Report No. 9) be distributed to the various Camps and Retreat Ministries as determined by the Board of Trustees of the South Carolina United Methodist Camps and Retreat Ministries.

11) That the Annual Conference Council on Finance and Administration be authorized to grant amounts from the Conference Contingency Fund or Permanent Reserve to meet any individual emergency or unanticipated need.

12) That the salaries and fixed essential expenses of Conference Connectional Ministries (section A-4 of the Conference Benevolences budget) be funded up to 100% of budget by using funds from the Contingency Fund; the remainder of that budget will be funded at the percentage paid on the line item.

13) That the salaries and benefits portion of the Campus Ministry budget be funded up to 100% of budget by using funds from the Contingency Fund; the remainder of that budget will be funded at the percentage paid on the line item.
14) That the budgets of the District Superintendent Salaries, Director of Administrative Services, the Conference Archivist Contract and the Coordinator of Clergy Services be funded up to 100% of a year end deficit, but not more than the amount budgeted, by using funds from the Contingency Fund.

15) The Council on Finance and Administration of the South Carolina Annual Conference, The United Methodist Church, hereby designates 15% of the salary for each conference clergy staff for the year 2021, exclusive of a designated housing allowance, as allocated for utilities and maintenance ("utilities exclusion"), not including maid service. Any subsequent changes to the utilities exclusion that may be requested by an individual may be approved by the Treasurer on behalf of the Council on Finance and Administration.

16) That local churches of the conference incorporate. An informational pamphlet prepared by the Conference Chancellor and the Cabinet is available at www.umscsc.org. After incorporation, churches should take care to maintain with the Secretary of State, an accurate, up-to-date record of the name and address of their registered agent.

Report No. 3

As noted in our report to the 2009 Annual Conference, economic uncertainties led to the reduction in apportioned budgets for the Senior Scholarship Fund, Spartanburg Methodist College, and Methodist Homes Residents’ Assistance Fund. The trend of reducing the budgets for these significant ministries continues. In an effort to increase the funds available for these ministries without adding to the apportionment budget, the voluntary asking Extra Mile for Colleges and Homes was increased from $600,284 for 2017 to $625,000 for 2018. Council recommends the 2021 Extra Mile for Colleges and Homes voluntary asking remain at $625,000 with adjustments to how the funds are allocated (see below). We ask churches with sufficient resources to continue to support the Extra Mile for Colleges and Homes. This combined request will be calculated for churches based on the apportionment formula and included on the bottom of the apportionment statement as a voluntary asking.

## Estimated for 2021
THE BOARD OF PENSION AND HEALTH BENEFITS
PENSION SECTION

Report Number One

A. Past Service Rate
The Board of Pension and Health Benefits requests that the South Carolina Annual Conference fix $830 per
service year as the rate for annuity payments to retired ministers under the Supplement One of the Clergy
Retirement Security Plan (otherwise known as Pre-82) for 2021. (This rate was $813 for the year 2020.) This
shall include service annuity credits approved prior to January 1, 1982. An eligible surviving spouse shall
receive 75% of the formula benefit upon the death of the participant.

B. Direct Billing
1. The Board of Pensions requests that direct billings to salary paying units be made to give the Board of
Pension and Health Benefits (The Pension Fund), $4,876,455 for the pension program of the South
Carolina Annual Conference for the fiscal year ending December 31, 2021, and that this sum be apportioned or billed to the churches of the South Carolina Annual Conference.

2. For 2021, each institution, organization or district to which a minister is appointed and enrolled shall pay to
the South Carolina Annual Conference Board of Pension and Health Benefits an amount equal to $497 per month for full-time clergy for the Defined Benefit portion of the Clergy Retirement Security Program (CRSP). Report Number Four
Administrative Procedures

A. Enrollment
Enrollment in HealthFlex, the group insurance plan of the South Carolina Annual Conference, must be made within the first thirty days of eligibility or the first day actively at work. Late enrollment or enrollment for January 1st of any year must be completed with the Wespath Benefits & Investments during open enrollment which is prior to November 30th of the preceding year. It should be noted that any continuation, changes, or initiation of Flexible Spending Accounts (Medical Reimbursement or dependent care accounts) must be done during this time through the open enrollment process and not on the ministerial support form.

B. Eligibility Requirements
Eligibility requirements are also set forth in the HealthFlex Administrative Manual published by the Center for Health of Wespath Benefits & Investments, 1901 Chestnut Avenue, Glenview, IL 60025-1604.

C. Billing
At the first of each month, the Board of Pension and Health Benefits will send premium statements to the salary paying unit of the participants enrolled in the Conference Insurance Program and participants with Flexible Spending Accounts. Payments for group health premiums and Flexible Spending Accounts premiums shall be made on a monthly basis. At the first of each month, the Board of Pension and Health Benefits will send a statement to the salary paying units share of premiums relating to the participants enrolled in the Conference Insurance Program. These payments should be made on a monthly basis.

D. Cancellation of Coverage
It is imperative that each church/charge remit to the Annual Conference the participant’s portion of the Health Benefits withheld from the participants compensation on a monthly basis. The Board of Pension
and Health Benefits has instructed the benefits administrator to cancel the insurance coverage or
the Flexible Spending Account of any participant whose payroll withholdings are not paid by the
end of the month for which the church/charge has been billed. Clergy whose accounts are 60 days
in arrears will be subject to immediate cancellation. Once cancelled the participant’s coverage
cannot be reinstated until the next open enrollment period, and then only if the unpaid balance
has been paid. Churches or salary paying units are responsible for withholding premiums and
other Flexible Spending Accounts from the compensation of participants and remitting payment to
the Annual Conference when billed.

E. Ministers Serving in Eligible Extension Ministries
It is required that all Conference Boards and Agencies, served by ministers and others eligible for group
insurance participation, pay for the “institutional share” of the insured's premium. This provision shall apply
to the District Superintendents, Conference Staff and those serving United Methodist agencies for whom
the South Carolina Annual Conference has pension responsibility. In every case the full cost of the group
health premium must be paid by the insured, the employer, or through the combined payments of the
insured and the employer. Premium payments shall be made in accordance with the instructions printed on
the monthly “Statement of Account”. Premium payments are due at the first of the month for which the
participant is billed.

F. Applications for Enrollment
Applications for enrollment in the Conference Insurance Program are available from the Board of Pension
and Health Benefits, 4908 Colonial Drive, Columbia, SC 29203. The changed enrollment form must be
completed and in the hands of the benefits administrator within 30 days from the date of eligibility. If not,
the applicant will be ineligible for the next following enrollment period.

G. Board Oversight
The Board of Pension and Health Benefits is charged with oversight of the group insurance program of
the South Carolina Annual Conference, the benefits of which program are outlined in the reports of the
Board submitted to the Annual Conference. The Annual Conference approves the group insurance budget
of the Board of Pension and Health Benefits. The Board is authorized to negotiate and contract with carriers
or the Hospitalization and Medical Expense Program Administrator to maintain the level of benefits for the
eligible participants, as defined by the Annual Conference.

H. Plan of First Refusal
The group health plan of the South Carolina Annual Conference (Conference Plan) shall be the plan of
first refusal for covering dependents of clergy appointed to local churches in the Conference. Where
covered clergy wish to cover their dependents, the local church will seek to cover such dependents
through the Conference Plan, rather than purchasing outside health insurance. Local churches may be
excused from this requirement in cases where such dependents may be covered through the employer of
a covered clergyperson’s spouse, or through a governmental plan, such as an SCHIP, and in cases of
demonstrable financial hardship.

THE BOARD OF PENSION AND HEALTH BENEFITS
WELFARE PLAN SECTION

Report Number One

Welfare Plan Structure
The welfare plan made available to South Carolina Conference clergy is the Comprehensive Protection Plan (*CPP*) sponsored by Wespath.

The CPP disability benefits are as follows:
- Clergy disabled on or after January 1, 2002, the CPP disability benefit equals 70 percent of Plan Compensation, with compensation capped at 200 percent of the DAC (Denominational Average Compensation).
- Clergy disabled prior to January 1, 2002, will continue to receive the same CPP disability benefit per the plan document in-force at the time of their disability claim originated.

The following general describes the death benefit amounts payable under the CPP to eligible participants and their beneficiaries.

**Active Participant Death Benefits:** payable upon the death of an eligible active CPP participant, as follows:
- Participant: $50,000, payable in 12 monthly installments or one lump sum
- Spouse of active participant: 20% of DAC (Denominational Average Compensation) in the year of death
- Surviving spouse of active participant: 15% of DAC in the year of death
- Child of active participant: 10% of DAC in the year of death
- Annual surviving spouse annuity benefit of 20% of DAC, less the annuity benefit payable from CRSP.
- Annual surviving child benefit of 10% of DAC, payable in 12 monthly installments (for those age 17 and younger; benefits are paid through the month in which the child attains age 18)
- Annual surviving child educational benefit up to 20% of DAC, payable in equal installments (for those age 18 through 24 and attending school full-time)

**Retired Participant Death Benefits:** to be eligible for death benefits in retirement, a clergyperson must have been covered in CPP for a specified number of years. The 2012 General Conference approved a change to the CPP program which increases the length of service requirement for retirees. Retirees with 25 or more years of enrollment in CPP are eligible for the death benefits in retirement, and the eligibility for those with fewer than 25 years in CPP is phased in with one-year increments, as detailed on the following table. **Those who retire under the 20-year rule are ineligible for CPP Death Benefit.

### Denominational Average Compensation

Several of the pension and welfare plans incorporate the Denominational Average Compensation ("DAC") into the formula for determining the plan benefit. As reported by Wespath, the DAC is projected to increase from 2020 to 2021 as follows: The 2020 DAC is $72,648. The 2021 DAC is $74,199.
This funding plan incorporates, to the best of our understanding, the plan sponsor’s obligations and funding of the benefits provided to clergy and laity, as noted below.

It is understood by the signees that defined benefit plan liabilities [Pre-82 Plan, Ministerial Pension Plan (MPP) and Clergy Retirement Security Program Defined Benefit (CRSP DB) and other sponsored defined benefit plans] continue until the last benefit is paid to participants and their surviving spouses irrespective of the funding level of the plan. That is, even if the assets in the plan are larger than the liabilities in the plan, the plan sponsor still has a liability (obligation) and potential future contribution due to the plan.

Clergy Retirement Security Program (CRSP)

Plan Overview: The Clergy Retirement Security Program (CRSP) is an Internal Revenue Code section 403(b) retirement program providing lifetime income and account flexibility designed for those who serve as clergy of The United Methodist Church. The plan is designed to provide participants with one portion of their overall retirement benefits. CRSP replaced the Ministerial Pension Plan (MPP) effective January 1, 2007.

CRSP consists of two components:

- A defined benefit (DB) plan--provides a monthly benefit at retirement based upon years of credited service to the Church
- A defined contribution (DC) plan--provides a retirement account balance established and funded by the annual conferences

Ministerial Pension Plan (MPP)

Plan Overview: Supplement Three to the Clergy Retirement Security Program (CRSP), also known as the Ministerial Pension Plan (MPP) provides clergy with a pension benefit for their years of ministry with The United Methodist Church from 1982 through 2006. MPP is an Internal Revenue Code section 403(b) retirement plan. MPP requires that exactly 65% of the account balance must be annuitized when it is to be distributed. The remainder may be rolled over to UMPIP, another qualified plan or an IRA, or paid in a lump sum.

Pre-82 Plan (Pre-82)

Plan Overview: Supplement One to the Clergy Retirement Security Program (CRSP), also known as the Pre-82 Plan, provides clergy with a pension benefit for their years of ministry with The United Methodist Church prior to 1982. The Pre-82 Plan was replaced by MPP effective January 1, 1982. If a clergyperson retires within the conference (and does not terminate), the minimum benefit payable is based on two factors:

1) Years of service with pension credit—approved by each conference on the recommendation of the Conference Board of Pensions (CBOP) in accordance with plan provisions and The Book of Discipline.

2) The conference pension rate (past service rate)—the dollar amount chosen by the conference as the amount payable for each approved year of service with pension credit (may change from year to year).

The number of years of service with pension credit is multiplied by the PSR, and the product is the minimum annual benefit payable to those clergy eligible for Pre-82 Plan benefits. In certain situations, the benefit received from the Pre-82 plan may vary based on the applicability of what is referred to as Defined Benefit Service Money (DBSM), which is the defined contribution feature of the Pre-1982 Plan. At the time that a participant retires, the DBSM account is converted to a life-based benefit. At that point, the clergy’s benefit is the greater of the PSR benefit or DBSM benefit. If the conference increases the PSR, the clergy’s benefit is recalculated; however the DBSM-based benefit does not change.

Comprehensive Protection Plan (CPP)

Plan Overview: The Comprehensive Protection Plan (CPP) provides death, long-term disability and other welfare benefits for eligible clergy of The United Methodist Church and their families. It is an Internal Revenue Code 414(e) “church plan” funded by plan sponsor insurance premiums. Generally, clergy are eligible to participate in CPP if they satisfy the eligibility requirements, including full-time appointment with plan compensation of at least 25% of the Denominational Average Compensation (DAC). Plan sponsors may elect to cover participants with three-quarter time appointments and/or to continue to cover clergy who, due to certain leaves or appointments, are not otherwise eligible to continue coverage.

The CPP adoption agreement executed by the SOUTH CAROLINA contains its elections to cover or not to cover categories mentioned above.

THE COMMISSION ON EQUITABLE COMPENSATION

Report Number 1

A. The Mission and Changing Focus of the Conference Commission on Equitable Compensation
Historically, the Commission on Equitable Compensation has served for the support of full-time clergy in the charges of the South Carolina Annual Conference. Through the years, the Commission has been guided by the *United Methodist Book of Discipline*; the latest version states the following: “It is the purpose of the commission on equitable compensation to support full-time clergy serving as pastors in the charges of the annual conference by: (a) recommending conference standards for pastoral support; (b) administering funds to be used in base compensation supplementation; and (c) providing counsel and advisory material on pastoral support to district superintendents and committees on pastor-parish relations; and (d) submitting an arraimage policy to be adopted by the annual conference.” (*The Book of Discipline, 2016*, Paragraph 625.2 at pg. 442) The Commission on Equitable Compensation supports the overall ministry of the local church, especially in transitional situations.

B. Total Compensation for Clergy
1. The commission on equitable compensation reminds churches and charges that salary is only one portion of total compensation. Churches and charges are urged to consider dispersing compensation in ways that will assist clergy and their families to retain as great a portion of their income as is legally possible. Churches and charges are reminded to consider total compensation and not just think of salary when thinking of clergy family needs. Likewise, clergy are reminded that they are supported in a variety of ways, and total compensation most often exceeds salary.
2. Churches and pastors are urged to keep informed of their income tax responsibilities and rights. Pastors are advised to seek qualified assistance in making decisions that will affect their income tax liabilities.

Report Number 2

A. Budget Request for 2021
1. The Commission on Equitable Compensation requests that a line item appropriation of **$565,000** be made to fund the Commission on Equitable Compensation operational budget for 2020. These funds will be used for base compensation supplements, salary support for clergy in new church starts, special situations, and Hispanic Ministries, as well as support required and/or provided under these recommendations.

B. Schedule of Total Minimum Compensation for Clergy Serving in the South Carolina Annual Conference
In accordance with the mandate of *The Book of Discipline*, the Commission recommends that the South Carolina Annual Conference fix the following as its minimum base compensation scale, effective January 1, 2020, and continuing until changed by the Annual Conference.

**FOR FULL-TIME APPOINTMENTS AS CLERGY IN THE LOCAL CHURCH:**

<table>
<thead>
<tr>

<tr>
<td>c. Full Time Local Pastors</td>
<td>$ 38,494</td>
</tr>
</tbody>
</table>

The recommendation represents a 2% increase over what was approved for 2020. This parallels with the 2% COI suggested by the Social Security Office.
[Please note that the Commission on Equitable Compensation strongly encourages churches to pay the pastor's business expense through an accountable reimbursement plan which is a part of the administrative budget of the church, not part of salary. Please see sections "O," "P," and "Q" below, entitled "O. Reimbursement for Travel and Professional Expenses," "P. Continuing Education," and "Q. Reimbursement as Administrative Cost."]

Please be aware that plan compensation for full-time clergy must equal 25% of the denominational average compensation (DAC) so that full-time clergy may participate in CPP. For 2018, the DAC is $70,202 and 25% of that is $17,551. For 2019, the DAC is $71,361 and 25% of that is $17,841. Plan compensation is calculated as (a) 125% of base compensation when a parsonage is provided or (b) base compensation plus housing allowance in lieu of parsonage when a parsonage is not provided.

C. For Deacons in Full Connection

Those persons who have responded to God’s call to lead in service and to equip others for ministry through teaching, proclamation, and worship and who assist elders in the administration of the sacraments and are full-time ordained deacons in accordance with Paragraph 330 of The Book of Discipline 2016, beginning at pg. 254, shall be compensated by the local church not less than the minimum amount for an ordained elder of the annual conference. (See Paragraph 331.10(b) of The Book of Discipline 2016, pg. 263.) Deacons who are employed by the congregation, charge, or cooperative parish less than full time shall be compensated proportional to the percentage of time being served. (Half time would receive not less than half the minimum salary.) Deacons not employed by a congregation, charge, cooperative ministry, or who are appointed under Paragraph 331.6(d) are not affected.

D. Longevity Increases

A clergy person, who has completed 5 or more year’s full time service in the United Methodist Church, shall receive in addition to the minimum base, a supplement of $175.00 per year of service for up to 10 years of service. (In practical terms, this increase would not be applied until the fiscal year following the completed annual conference year. In other words, the first increase would not be applied until the January after the Annual Conference at which the clergy person complete their fifth year.)

</tr>
</tbody>
</table>

E. Housing Allowances

The Commission recommends that all money given to the pastor for housing by the charge he/she serves be considered income if the pastor is not a resident in the charge which he/she serves.

F. Application for Equitable Compensation Support for Base Compensation Assistance

The District Superintendent shall request the base compensation assistance required by each charge twice each year (by May 15 for the July through December compensation assistance period and by December 15 for the January through June compensation assistance period); these requests must be approved by the Commission before payment can be made. This request from the District Superintendent shall be accompanied by an application form provided by the Commission and completed by the pastor, the pastor-parish relations committee, and the District Superintendent indicating income from all sources. Grants shall be made based on fiscal years (January to December), and unless otherwise designated, shall decrease 25% annually. For grants beginning in July, 100% of the approved amount will be provided for the first eighteen (18) months and will decrease 25% annually thereafter.

G. Cross Racial Appointments

If the Bishop and Cabinet, in making a cross-racial appointment, find it necessary to request an equitable compensation supplement, special consideration will be given on an individual basis.

H. Cooperative Parish Ministries

The initial directors or coordinators of a cooperative parish ministry which has been approved by the Board of Global Ministries, and application made by the District Superintendent to the commission by January 1 preceding the appointment in June of the same year may be eligible for funds not to exceed $7,000.00. No pastor shall be eligible to receive funds unless the charge he/she serves agrees in writing to release him/her for these added duties. Assistance will be provided over a 4-1/2 year period and will decrease by 25% each year after the first year and a half.

I. Disbursement of Supplements

All compensation supplements from the Commission shall be paid to the local church involved for disbursement to the pastor or clergyperson, and shall be disbursed monthly. In the case of new mission situations or churches, monies will be dispersed directly to the pastor until there is a church treasurer. Equitable compensation funds will not be used for moving expenses, businesses expenses, or church administration.

For charges receiving CEC supplements, changes to the total compensation may be made for longevity (see D. Longevity Increases above), changes in clergy status, and to reflect changes in minimum base compensation as approved by the Annual Conference. Charges are encouraged to increase their portion of total compensation as they are able and thereby reduce the amount of supplement paid by CEC. Such
increases in the portion paid by the local charge above the scheduled amounts will result in a reduction of the CEC supplement by the amount of increase.

J. Utilities Allowance
4 The Commission requests that the South Carolina Annual Conference designate 15% (or estimate of actual expenses as requested by recipient) of base compensation support funded by this Commission as parsonage utilities allowance. This request is made to satisfy the requirements of the Internal Revenue Service. Under IRS Guidelines, this money may be used for household expenses including mortgage or rent payments.

K. Investment of Reserve Fund
9 The Commission on Equitable Compensation recommends that all funds held in “reserve” be invested and the interest used in the Commission’s operating account. In accordance with guidelines established with CF&A in 2013 and presented to the 2013 Annual Conference, the “floor” of the reserve is to be set at $300,000 in order to meet general projection shortfalls, to allow for the unanticipated start of a new church or missional situation, or to deal with an unexpected disaster.

L. Interpretation
15 The commission recommends that an interpretation of its task and policy procedures be given as a part of the District Pastor/Staff Parish Relations Committee Workshops. It is further recommended that this interpretation be done by a member of the Commission upon invitation by the District Superintendent.

M. Compensation Guidance
19 The Commission recommends that District Superintendents assist churches and charges in setting appropriate compensation and work load packages in accordance with Paragraph 419.4 419.6 of The Book of Discipline 2016 (pg. 343-344)

N. Ineligibility
23 The Commission on Equitable Compensation recommends that the following not be eligible for Equitable Compensation support:
25 Retired supply pastors
26 Part-time local pastors
27 Pastors on leave of absence except as provided in Standing Rule 99
28 Special appointment categories within the itinerancy of the United Methodist Church as defined in Paragraph 344.1 a, b, c of The Book of Discipline 2016 (pg. 281-282).
30 Deacons as defined in Paragraphs 329 and 330 of The Book of Discipline 2016 (pg. 254-255)(except as appointed with regard to Report 3, 4, and 5 of this report and Paragraph 625.4 of The Book of Discipline 2016, pg. 443).

O. Reimbursement for Travel and Professional Expenses
34 The Commission recommends that each church set up a reimbursement account for travel and professional expenses incurred by the pastor in performing pastoral duties. Reimbursement for non-commuting church-related travel shall be at the IRS rate (currently 53.5 cents per mile.) The pastor(s) shall submit a voucher and a log each month for reimbursement. For reimbursement for actual professional expenses (books, subscriptions, periodicals, etc.) the pastor(s) shall submit a voucher with supporting documentation for reimbursement. The amount set by the charge as reimbursement for travel and professional expenses should be determined after consultation with pastor(s) (and the District Superintendent, if desired or needed) by the Pastor/Staff-Parish Relations Committee. Each charge should annually evaluate the local needs and expectations of its pastors and set an amount for reimbursement accordingly. Also, the procedures for reimbursement should be clearly stated.

P. Continuing Education
44 Each charge shall place in its budget an amount of $750 or more per year to be used by the pastor as a continuing education fund. If the full amount is not used in a given year, the unused portion may be carried forward from year to year during the tenure of a pastor, not to exceed a total amounting to three year’s continuing education allowance inclusive of the current year’s amount.

Q. Reimbursement as Administrative Cost
49 The Commission recommends that the reimbursement for travel and professional expenses be a part of the administrative cost of each local church and not considered or reported as part of the pastor’s compensation.

R. Vacation Policy
53 The Commission reminds churches and ministers that vacation time plus time for renewal and reflection are an expected part of compensation. Time away is necessary for personal, spiritual, and family health. It is recommended that all full-time clergy and diaconal ministers be granted, as a minimum, annual vacation and days of renewal according to the following schedule:

<table>
<thead>
<tr>
<th>Total Years of Service</th>
<th>Number of Weeks</th>
</tr>
</thead>
<tbody>
<tr>
<td>Less than 5 years</td>
<td>a minimum of 2 (including Sundays)</td>
</tr>
<tr>
<td>5 years - 10 years</td>
<td>a minimum of 3 (including Sundays)</td>
</tr>
<tr>
<td>More than 10 years</td>
<td>a minimum of 4 (including Sundays)</td>
</tr>
</tbody>
</table>

In addition to the above, it is recommended that the minister, regardless of years of service, be granted one day of retreat a month for prayer and reflection. Also, it is expected that the minister will have at least one day off a week. “Years of Service” reflect number of years under appointment in the ministry of the United Methodist Church, and not the number of years of service on a given charge. “Vacation” is meant as freedom from any responsibility in the local church or charge, district, conference area, jurisdiction, or general conference. Vacation
should be a time of rest, recreation, and renewal. It should not be interpreted to mean time the pastor works at a church camp, is on a mission trip, a meeting of a general board, an agency of the conference, or a district retreat. Time away from the charge for annual conference and continuing education events shall not be considered vacation time. The charge shall make available as necessary the funds for pulpit supply while the pastor is on vacation.

It is asked that the Lay Member of the Annual Conference communicate this information to the Pastor/Staff Parish Relations Committee and to the local church.

S. Application Procedure
CEC requests the following for initial grant consideration:
1. A Ministerial Support Form duly adopted by a charge conference that includes information about the nature of the grant, the reason for the grant request, percentages to be paid to the various churches involved, the email of the pastor, contact information of the church/charge treasurer (name, address, phone number, email) and other information as designated by the CEC Chairperson.
2. The above Ministerial Support Form is to be presented and approved in accordance with Cabinet policy and then forwarded to the CEC Chairperson by the appropriate District Superintendent.
3. At the discretion of the CEC Chairperson or request by a member of the CEC Executive Committee, further financial information may be required including, but not limited to: church budgets, ban statements, audit forms, treasurer's reports, etc. Failure to produce the required documents would be cause for non-approval of the grant.

T. Arrears
An arrearage occurs when full payment of a regularly scheduled payroll, accountable reimbursement, or housing allowance installment is not made to the appropriate pastor. The current procedure for handling an arrearage is outlined in detail at the conclusion of the Commission on Equitable Compensation's report in the 2013 Journal. The Arrearage Policy is also available on the conference website, www.umcsc.org.

Report Number 3 – New Church Starts

Schedule for New Church Starts
Equitable Compensation for new church starts shall be as follows:
Year 1 and 2: The Commission on Equitable Compensation will pay the minimum compensation base according to the minister's category and half of the payment of the direct billing for pensions and health benefits. (New church starts that begin in July will receive 100% funding for the first two and a half years.)
Year 3: Support from Equitable Compensation will not exceed 67% of the minimum base compensation amount. The Commission will pay half of the payment of the direct billing for pensions and health benefits.
Year 4: Support from Equitable Compensation will not exceed 33% of the minimum base compensation amount. The Commission will pay half of the payment of the direct billing for pensions and health benefits.
Year 5: Support from Equitable Compensation will cease for both the base compensation supplement and for payment of the direct billing for pensions and health benefits.

New Church Travel: Upon request and appropriate documentation, the Commission on Equitable Compensation will provide travel allowance for new church pastors at the following rates:
First year and a half: up to $4,000.00 annually
Second full year: up to $3,000.00 annually
Third full year: up to $2,000.00 annually
Fourth full year: up to $1,000.00 annually

Report Number 4 – Renewed Vitality Situations (RVS)

Renewed Vitality Situations are those places that the Conference Committee on Congregational Development has evaluated and determined that short term assistance would possibly greatly enhance the effective ministry taking place. RV grants would be for a maximum of 2 years and subject to the criteria proposed and adopted by the Conference Committee on Congregational Development. Failure to meet said criteria will result in termination of the grant.
Grants will consist of:
a) Up to minimum compensation as described in Report 2. B. above.
b) Up to one-half the appropriate Direct Billing.

Report Number 5 – Mission Situations

A. Definition
Mission situations are new churches and existing churches in transitional circumstances that are in areas that demand an effective ministry but are incapable of providing such ministry without equitable compensation assistance. Mission situations may also include intentional ministry to persons of low income.

B. Eligibility
To be eligible for equitable compensation assistance in mission situations the following procedures must be followed:
1. The District Board for Congregational Development shall be the authorizing body to project a transitional situation and the Conference Committee on Congregational Development will project all new church starts.
2. The District Board for Congregational Development will refer this to the Conference Committee on Congregational Development for verification as a transitional situation, and its priority rank among conference needs.

3. The potential new mission situation will then be referred to the Cabinet for approval. The Cabinet will strive to inform the Commission of potential new mission situations two years ahead of the time the appointment is to start. The Commission will budget for new mission situations after Cabinet approval.

4. At the time of appointment, the Cabinet will then designate a pastor or clergy person and request an appropriate base compensation for that particular mission situation.

5. In all cases where a new mission situation is to be launched, the District Superintendent shall notify the Commission on Equitable Compensation by December 15th preceding the Annual Conference at which an appointment is to be made providing, at that time, the projected base compensation cost to be incurred in July.

Note 1. The local church’s share of this base compensation schedule is interpreted to mean all sources of income from the local church or from any other source.

Note 2. In all cases where a mission situation is attached to an existing charge, these become charge figures.

Note 3. The District Superintendent may apply to the Commission for a compensation that is more in keeping with the amount received by this pastor in his or her previous appointment.

C. Continuation of Supplements and Annual Evaluation

If the ministry being served is unable to meet the schedule below for two years in a row, support from Equitable Compensation will cease after the next year following.

An evaluation shall be done annually on each mission situation. The Conference Director of Congregational Development shall provide a report of this evaluation to the Commission on Equitable Compensation by January 1st.

D. Payment of Direct Billing Costs for Pensions and Health Benefits in Mission Situations Only

The Commission on Equitable Compensation will pay only the direct billing costs of persons in mission situations according to the compensation schedules listed below. The Commission will send its proportional share directly to the conference office of Pensions and Health Benefits.

E. Compensation Schedules for Mission Situations

Schedule for Ministry with Persons of Low Income

Equitable Compensation assistance in ministries with persons of low income will be provided for a pastor or clergy person, when requested by the Cabinet, over a ten and a half year period decreasing as follows:

First Year and a Half: The amount of Equitable Compensation support will be according to the pastor’s category. As the sole salary paying unit in this mission situation, the Commission of Equitable Compensation will pay 100% of the clergyperson’s direct bill for pensions and health benefits.

After One and a Half Years: Support from Equitable Compensation will decrease by 5% for both the base compensation supplement and for payment of the direct billing for pensions and health benefits.

After Two and a Half Years: Support from Equitable Compensation will decrease by another 5% for both the base compensation supplement and for payment of the direct billing for pensions and health benefits.

THE BOARD OF ORDAINED MINISTRY

Every clergy and laity on the Board of Ordained Ministry is a highly dedicated and faithful servant, who gives of his or her time and unique gifts to the ministry of leadership development. Together, they prayerfully seek to affirm the calling of each candidate for ministry, with compassionate nurture and accountability. We are grateful for each member of the Board of Ordained Ministry who serves to encourage, provide, and develop fruitful leaders in various ministry settings.

Like all ministries, this past year, and most recently during the COVID-19 pandemic, the Board of Ordained Ministry has been invited and challenged to discover different approaches to our two primary tasks: leadership development and credentialing. We have worked faithfully and adapted accordingly in the midst of the challenges. It remains a body that collaborates well, even as we exist in an emerging church culture that also faces possible denominational shifts.

At a yet undetermined date, we will celebrate the fruit of persons who have answered a call to ministry and successfully navigated the requirements for commissioning and ordination. These persons are valued as meeting the standards of “readiness” and “effectiveness” for ministry in the local church and other ministry settings. Ten persons will be ordained Full Elders; nine persons will be commissioned Provisional Elders; one person will be commissioned a Provisional Deacon:

Kenneth David Freeman, Jr.    FE
Cindy Wolfe Muncie            FE
Sammy Omar Pazi               FE
Nathan Smalls                 FE
Elizabeth Fulmer Sullivan     FE
Frances Hillary Taylor        FE
Brenda Joyce Thomas           FE
Carole Anne Waters            FE
Lisa Montgue Way              FE
Cheryl Elaine Yates           FE

James Thornton Brown, III     PE
William Douglas Herlong       PE
Cameron Thomas Levi           PE
Tae Suk Park                  PE
Bryan Wray Pigford            PE
Woongchul Daniel Ra           PE
Andrew Warren Sizemore        PE
James David Taylor, III       PE

Emma McClain Murphy           PD
Soon Suk Nix                  PD

We give thanks that each has responded to a call to ministry and a commitment to the ministry process, and we ask God’s blessing on their continued journey in mission and ministry. We look forward to a time in the future when we can celebrate their commissioning and ordination together.

Also, through the generosity of the churches in SC Annual Conference, the BOM is able to offer scholarships to assist persons called to ministry to achieve the necessary education to equip them for ministry. This year we are delighted to recognize the following scholarship recipients:

Seminary Students Scholarship Recipients:
Joseph Daniel Kovas           $3,000.00
James William Smith           $3,000.00

The BOM would also like to recognize those who have reached a milestone in their continued preparation for effective ministry.

The following person(s) completed the five-year Basic Course of Study in 2019/2020:
John Elmore                   August 2019  Duke
Jerry Godfrey                 August 2019  Duke
Jacob Thompson                November 2019 Duke
Richard Toy                   July 2019    Duke

As always, we are grateful for the churches and the Annual Conference for ongoing support for the Ministry Education Fund. Through your generosity, the BOM has been able to provide financial assistance to students reducing the cost to them for seminary and Course of Study. This past year $166,450.00 were disbursed for seminarians, and $67,250.00 for the Course of Study, totaling $233,700.00. We invite you to continue to be generous in your support of our seminarians and local pastors as they remain faithful in their leadership development toward excellence in ministry. Your offering may be sent to the SC Conference Seminary Students Scholarship Fund, an endowment of the South Carolina United Methodist Foundation, which provides scholarship awards to candidates.
for ministry from South Carolina attending United Methodist seminaries and theological schools. Your generosity is greatly appreciated.

District Committees on Ordained Ministry are an extension of the Board of Ordained Ministry that are committed to meeting often with all candidates for ministry. They have an extremely important role in nurture and accountability of persons in the ministry process. The BOM is grateful for the hard work of every District Committee on Ordained Ministry.

As you have heard, we celebrate God's call on lives to the unparalleled vocation and joy of ministry. There is also other business as it relates to ministry that necessitates our meticulous and particular attention. The Board of Ordained Ministry continues to plan and implement the Bishop’s School of Ministry, Clergy Orders, recruit and engage seminarians as potential and hopeful leaders in the SC Conference, discern and process Extension Ministry requests, participate in Approval for Service requests, receive and prayerfully process requests for Change of Status of candidates and clergy and engage persons discerning a call to ministry through the Candidacy Retreats, just to name a few of the ongoing responsibilities of the board. Above all, as your South Carolina Conference Board of Ordained Ministry, we strive to faithfully attend to the nurture and accountability of every person called to ministry and those serving Christ in these strange and hope-filled times in which all find ourselves.

On behalf of the Board of Ordained Ministry, we are grateful for the faithful and consummate leadership of the Rev. Ken Nelson, Coordinator Clergy Services, and Mr. Sharome Henry, Executive Assistant, Clergy Services. The work of the BOM could not be done as smoothly and effectively without the blessing of their guidance, leadership, knowledge, professionalism, and love for the Church.

Bishop in response to BQ 17, “Are all the clergy members of the conference blameless in their life and official administration (¶¶604.4, 605.7)?” The answer is yes with the exception of those matters which have been acted upon in the clergy session.

Bishop, I move the Report of the Board of Ordained Ministry to record.
Respectfully submitted:

Rev. Fran M. Elrod
Board of Ordained Ministry, Chair
THE REPORT OF THE COMMITTEE ON STANDING RULES

The Committee on Standing Rules met in April of 2020 to consider requests to amend existing standing rules. This year the committee proposes changes to four standing rules. As a result, the Committee on Standing Rules offers to the Annual Conference for its consideration amendments to the following standing rules: 27, 28, 48, and 57. In addition, because the Standing Rules still refer to the Board of Lay to some places, the Committee on Standing Rules will change the words “Board of Lay” to “Lay Leadership” throughout the Standing Rules.

Standing Rule 27

Rationale: This proposed rule change would save time each four years during the election process for lay delegates to General and Jurisdictional Conference. Each election year, because there is no provision in our Standing Rules or the Discipline for the Conference to pay the expenses of alternate delegates to General or Jurisdictional Conference, someone must make a motion to pay those expenses. If we approve this recommendation, the motion will no longer be necessary.

Standing Rule 27 – Proposed section 27.d

27. d. Alternate lay delegates elected to Jurisdictional and General Conferences will be paid (by the South Carolina Annual Conference) the same per diem and travel expenses as other delegates elected to those Conferences.

Standing Rule 28

Rationale: This proposed rule change would save time each four years during the election process for clergy delegates to General and Jurisdictional Conference. Each election year, because there is no provision in our Standing Rules or the Discipline for the Conference to pay the expenses of alternate delegates to General or Jurisdictional Conference, someone must make a motion to pay those expenses. If we approve this recommendation, the motion will no longer be necessary.

Standing Rule 28 – Proposed section 28.e

28. e. Alternate clergy delegates elected to Jurisdictional and General Conferences will be paid (by the South Carolina Annual Conference) the same per diem and travel expenses as other delegates elected to those Conferences.
Standing Rule 48

Rationale: Conference Connectional Ministries has submitted a request to change their Standing Rule, SR 48. There are several changes, and for the most part, they bring the Standing Rule into line with the current practice of Connectional Ministries.

Standing Rule 48 – Existing rule:

48. TRANSITION PLAN FOR THE SOUTH CAROLINA CONFERENCE COUNCIL, BOARDS, COMMISSIONS, COMMITTEES AND EQUIVALENT STRUCTURE

INTRODUCTION

I. THE ORGANIZATION, STRUCTURE AND PURPOSE OF PROGRAM-RELATED AGENCIES

The organization with chairs and membership of program-related conference councils, boards, commissions, committees and equivalent structure shall coordinate functions under four Ministry Areas of Advocacy, Discipleship, Lay Leadership and Outreach. These conference agencies shall be constituted by the established annual conference procedures for nomination, election and inclusiveness (See The Book of Discipline 2008 Par. 610.5, Par. 605.3 and Program Structure Plan Sections II. A and III. B and 2011 Conference Standing Rules 34-80).

The structure, as mandated in The Book of Discipline 2008, is inclusive of specific ex-officio members for unique function and/or connectional link. (See Par. 610.5, Par 710.6 and Section IX The Annual Conference of The Book of Discipline 2008 on paragraphs for program-related conference agencies.)

The foregoing structure encompasses the process in paragraph 610 of The Book of Discipline 2008.

The primary purpose of this structure plan shall uphold the defined purpose of an annual conference as stated in Par. 601 of The Book of Discipline 2008, which is “...to make disciples of Jesus Christ for the transformation of the world by equipping its local churches for ministry and by providing a connection for ministry beyond the local church; all to the glory of God.”

First, to these ends the following design establishes that there shall be organized in each district of the annual conference a District Connectional Ministries (DCM).

Secondly, there shall be a Conference Connectional Ministries (CCM) consistent with the disciplinary requirements in composition, election, membership terms, reporting methods, lines of accountability, ministry, mission, and structure under four Ministry Areas (See Judicial Decision 1147). This structure of the CCM shall provide for the membership, function, and connectional relationship of the local church, district, and conference with general agencies as prescribed in Par. 610 of The Book of Discipline 2008.

II. DISTRICT CONNECTIONAL MINISTRIES (DCM)

A. Functions & Connections of DCM

The DCM shall be composed of four Ministry Areas: Advocacy, Discipleship, Lay Leadership, and Outreach. The focus of the four Ministry Areas shall be to enhance the connectional relationship with equivalent local church officers through relevant programs and ministries designed for local church implementation and/or participation. In addition, the four Ministry Areas shall put into practice connections with CCM and relevant program-related/advocacy general agencies. In order to coordinate with CCM, the scheduled meetings to facilitate DCM work shall be set for January, March, May, September, and November. The assigned District Congregational Specialist shall work with the DCM to establish agenda guidelines for planning, setting due dates and reporting to the CCM. With input from local churches through each DCM, the CCM meetings in February and October shall focus on planning, coordinating, implementing and evaluating for the mission and ministries of the connection. Each DCM shall report annually in writing to the CCM by November 30.

B. Membership and Organization of DCM

The DCM membership shall be at least twenty-four (24) persons composed of at least six members of each district ministry area. These persons shall be appointed for a quinquennial term by the district superintendent, the district lay leader and the district congregational specialist. At the time of appointment, it is recommended that Ministry Area members be one-half lay and one-half clergy. Each Ministry Area at their DCM quinquennial organization meeting in January may elect up to four (4) additional members to insure inclusiveness (See Par 610.5). Also, a District Communicator appointed by the District Superintendent, in consultation with the district lay leader and the assigned district congregational specialist, shall be an ex-officio member of DCM. The DCM shall coordinate the election process of DCM officers. No person may serve at the same time on more than one Ministry Area.
District Ministry Area members shall be elected for a quadrennial term. The term limit shall be two consecutive quadrennium, except to permit exceeding this limit for completing an interim vacancy term of less than twenty-four (24) months. After this period of service that member shall be ineligible for reelection to that same district agency until a lapse of two (2) years. Interim vacancies for DCM shall be appointed by the district superintendent in consultation with the district lay leader and the district congregational specialist. The District Superintendent (DS), District Lay Leader, and the assigned District Congregational Specialist shall be ex-officio members of the DCM.

C. Funding of DCM

The primary source of funding for the program and administrative budget of each DCM shall be provided from the respective district program budget and from CCM Program and Administrative Budgets as annually recommended to CCFA for adoption by the annual conference.

III. CONFERENCE CONNECTIONAL MINISTRIES (CCM)
(Previously Conference Council on Connectional Ministries)

A. Function & Connections

The CCM shall be composed of the program councils, boards, commissions, committees, and task forces under four Ministry Areas (Advocacy, Discipleship, Lay Leadership, and Outreach) with twenty-four (24) members in each Ministry Area. In addition, each Ministry Area at their quadrennial organization (See SR 37b) may elect up to six (6) additional members to insure inclusiveness. No person may serve at the same time on more than one Ministry Area. The CCM shall encompass the functions and connectional relationships of disciplinary program-related agencies of the annual conference. (See conference agency functions in the Discipline paragraphs 629, 630, 631, 632, 634, 642, 643, 644, 645, 646, 647, 648, 649, 650, 651, 654, and 655 of The Book of Discipline 2008) These program councils, boards, commissions, and committees shall be directly related to the Conference Connectional Ministries. The chair and members of program councils, boards, commissions, committees, and task forces designated under each Ministry Area shall have oversight for representing the functions of their respective conference agency in the CCM. The chair of each agency shall designate one of its members to function as Coordinator of Witness (See function in Par. 610).

The CCM is connected directly with program-related/advocacy general agencies. Also, CCM is linked with general agencies by the annual conference members (with vote) who serve on that corresponding program-related conference agency. (See Par. 710.6) (See SR 38 & 39) Accountability of the CCM with the Annual Conference shall be through the annual CCM reports and implementation of conference adopted CCM programs and ministries utilizing the connectional relationship with DCM and local churches for implementation along with general agencies. The CCM Chair and the Chairs of four Ministry Areas shall submit their annual reports and any recommendations requiring Conference consideration to the Conference Secretary no later than March 1 of each year for printing in the pre-conference materials. Reports and recommendations shall be submitted in a format acceptable to the Conference Secretary. CCM may recommend additional committees to the annual conference for the work and approval of the prescribed membership, powers, and duties (See Par. 610.2).

Scheduled meetings to facilitate CCM work shall be set for February and October. The CCM Director and Chair of CCM shall establish the CCM agenda for planning, coordinating (including agency functions), implementing and evaluating for the mission and ministries of the connection within and beyond the annual conference.

B. Membership and Organization of CCM

Each CCM Ministry Area of Advocacy, Discipleship, Lay Leadership, and Outreach shall organize their twenty-four (24) members from two nominees for each Ministry Area by each DCM following their election by the annual conference session at the beginning of the quadrennium. At the time of election, it is recommended that Ministry Area members be one-half laity and one-half clergy. At the beginning of a quadrennium all quadrennial CCM agencies shall be convened within sixty (60) days upon the close of the Annual Conference session for organization. (See SR 37b) In addition, it is recommended that each Ministry Area at their quadrennial organization may elect up to six (6) additional members to insure inclusiveness (See Par 610.5). Also, annual conference members serving on general agencies (ex-officio with vote) are included on their corresponding conference agencies. (See 710.6 of The Book of Discipline 2008) Other ex-officio representatives in the connection shall be assigned by the CCM Chair to serve on the appropriate conference agency.

By February 1 prior to the beginning of each quadrennium, each DS shall submit the list of nominees for CCM Ministry Areas to be elected by the annual conference to the Director of Conference Connectional Ministries for inclusion in the report of the Conference Committee on Nominations. The Director of CCM shall provide each District office with nominee forms, which shall include biographical data, local church experience, etc. and shall include the nominee’s signature indicating willingness to serve. (See SR 34)
Conference Ministry Area members shall be elected for a quadrennial term. The term limit shall be two consecutive quadrennium, except to permit exceeding this limit for completing an interim vacancy term of less than twenty-four (24) months. After this period of service that member shall be ineligible for re-election to that same CCM agency until a lapse of two (2) years. Interim vacancies shall be appointed to the CCM by the respective district superintendent in consultation with the district lay leader and the district congregational specialist. Interim vacancies which exceed twenty-four (24) months of the quadrennium shall be considered as a full quadrennial term of service (See SR 34).

IV. CCM OFFICERS
CCM Officers shall be chairperson, vice chairperson and secretary. These officers shall be elected from the CCM members upon nomination by a CCM Nominating Committee. The CCM Nominating Committee shall be appointed at the end of the quadrennium by the outgoing CCM chairperson. The resulting CCM member vacancy created by the election of a new chairperson of CCM shall be filled as prescribed by the annual conference in Structure Plan Section III.B.

A. Executive Committee for CCM
The Executive Committee shall be the CCM chairperson, CCM Vice-Chair, CCM Secretary and the four chairpersons of the Ministry Areas (Advocacy, Discipleship, Lay Leadership, Outreach) nominated by the appointed CCM Committee on Nomination and elected by the CCM at the quadrennial organizational meeting. The CCM Director shall be an ex-officio member without vote.

The executive committee may act on behalf of CCM to deal with program, missional needs, and emerging ministries to facilitate the work and functions represented in a Ministry Area of the CCM. Any executive committee actions shall be reported to the CCM at the next regularly scheduled meeting. Funding for such interim action by the Executive Committee shall be within the budgeted amounts recommended by Conference Council on Finance and Administration (CCFA) and adopted by the annual conference.

B. Funding for CCM
In accordance with The Book of Discipline 2008, the CCM annually submits the program and administrative budgets to the Conference Council on Finance and Administration (CCFA) for adoption by the annual conference. This adopted budget funds conference and district ministry programming and administration. This budget process provides a specific amount to each program council, board, commission, and committee in each Ministry Area which is recorded in line items of the CCFA Report submitted to annual conference for adoptions (See Par. 614.3 of The Book of Discipline 2008). The budget presented to the annual conference shall include a line item for conference benevolences in the budget of the Commission on Archives and History.

The CCM function in the budgeting process is prescribed in Par. 614.3a(2) which states: It is the responsibility of the conference council on ministries (CCM) to study the budget requests of the conference program agencies and to recommend to the conference council on finance and administration amounts to be allocated from the conference benevolences budget to each such agency, within the total established by the conference council on finance and administration. (See Judicial Decisions 521, 551)

By November 1 funding requests from each chair of the program council, board, commission or committee in the four Ministry Areas shall be submitted to CCM. Budget requests shall be based upon program and ministry designs finalized during the October CCM meeting. The Ministry Area Chairs present their budget requests to CCM at the February meeting. The CCM program and administrative budget requests are presented to CCFA at the March CCFA meeting.

FOUR MINISTRY AREAS
The Conference Advocacy Ministries Area shall be organized, funded as prescribed (See Par. 614.3), and function as mandated for the program-related conference agencies, which are described in The Book of Discipline 2008. The Advocacy Ministries shall be constituted to include, but not be limited to the following: Native American Ministry (See functions Par. 654), Christian Unity & Interreligious Concerns (CUC) (See functions Par. 642), Church and Society (See functions Par. 629), Religion and Race (See functions Par. 643), Status and Role of Women (See functions Par. 644), Ethnic Local Church Concerns (ELCC) (See functions Par. 632), and emerging community ministries.

Each Advocacy Ministry Area shall identify and monitor implementation of the respective disciplinary functions for reporting to the CCM. Additional members for short term committees and task forces may be assigned by the CCM in the implementation of the Advocacy Ministries.
Members of Advocacy from each district shall be assigned to that Ministry Area along with mandated ex-officio members and other representatives. Each council, board, commission or committee in the Ministry Area shall elect a chairperson. This Ministry Area shall include:

APPENDICES A-E

APPENDIX A: Introductory Preface

DCM/CCM Structure

The DCM/CCM design will effectively equip local churches for ministry and strengthen the connections for ministry among local churches, districts, annual conference and general church agencies. The initial assigning of annual conference staff into the districts (District Congregational Specialists) has produced concrete results of building ministry programs around needs identified by local churches. The connection design is strengthened by having selected laity and clergy persons from the DCM make up the CCM
along with representatives from general agencies and others to insure inclusive membership. By streamlining the organizational structure, the connectional response to the needs of the local churches will be timely and efficient. Also this structure will facilitate a more direct connection between general agencies and local churches.

Upon perfection of this transition plan and adoption by the Annual Conference, several current Standing Rules
will have been incorporated into the plan. The document containing the transition plan, together with all appendices, is hereby substituted for current Standing Rule 48.

To comport with the transition plan, the terminology of current Standing Rule 74.a, concerning representation of district laity members on the Conference Committee on Nominations, is hereby amended to read: “It is recommended that there be one (1) lay person nominated and elected by each District Ministry Area on Lay Leadership.”

To maintain consistent terminology between the transition plan and the Standing Rules, references in the current Standing Rules to Conference Council on Connectional Ministries, CCCOM, District Council on Ministries, or DCOM shall be amended to read, respectively, Conference Connectional Ministries, CCM, District Connectional Ministries, or DCM. The Conference Secretary shall be authorized to make such editorial changes in the amended Standing Rules.

If a conflict should arise between this transition plan and any other current Standing Rule not cited in this appendix, the Committee on Standing Rules is authorized to make the necessary adjustments in dialogue with the affected agency and subsequently will report same to the next Annual Conference.

Amend standing rule by addition, deletion, and substitution:

APPENDICES A—E

APPENDIX A: Introductory Preface

VIII. DCM/CCM STRUCTURE

The DCM/CCM design will effectively equip local churches for ministry and strengthen the connections for ministry among local churches, districts, annual conference and general church agencies. The initial assigning of annual conference staff into the districts (District Congregational Specialists) has produced concrete result of building ministry programs around needs identified by local churches. The connection design is strengthened by having selected lay and clergy persons from the DCM make up the CCM along with representatives from general agencies and others to insure inclusive membership. By streamlining the organizational structure, the connectional response to the needs of the local churches will be timely and efficient. Also this structure will facilitate a more direct connection between general agencies and local churches.

APPENDIX E: Standing Rules Amended
Upon perfection of this transition plan and adoption by the Annual Conference, several current Standing Rules will have been incorporated into the plan. The document containing the transition plan, together with all appendices, is hereby substituted for current Standing Rule 48.
The following current Standing Rules have been incorporated within the transition plan and are therefore no longer needed as individual rules: 49, 62, 63, 65, 67, 72, 73, 83, 84, and 91.
To comport with the transition plan, the terminology of current Standing Rule 74.a, concerning representation of district laity members on the Conference Committee on Nominations, is hereby amended to read: “It is recommended that there be one (1) lay person nominated and elected by each District Ministry Area on Lay Leadership.”
To maintain consistent terminology between the transition plan and the Standing Rules, references in the current Standing Rules to Conference Council on Connectional Ministries, CCCOM, District Council on Ministries, or DCOM shall be amended to read, respectively, Conference Connectional Ministries, CCM, District Connectional Ministries, or DCM. The Conference Secretary shall be authorized to make such editorial changes in the amended Standing Rules.
If a conflict should arise between this transition plan and any other Standing Rule not cited in this appendix, the Committee on Standing Rules is authorized to make the necessary adjustments in dialogue with the affected agency and subsequently will report same to the next Annual Conference.
Standing Rule 57

Rationale: This proposed change to the preface of Standing Rule 57 would allow the Advocate to include well-qualified, gifted, and talented individuals they’ve identified for their Board of Trustees. This request comes from the Advocate, and this change would allow them to receive nominations through the Commission on Communications.

Standing Rule 57 – Relevant portion of existing rule:
57. There shall be a Board of Trustees of The South Carolina United Methodist Advocate composed of fifteen (15) members nominated by the Committee on Nominations and elected by the Annual Conference. It is recommended that eight (8) be lay persons and seven (7) be clergy persons.

Standing Rule 57 – Amend Standing Rule by substitution and addition:
57. There shall be a Board of Trustees of The South Carolina United Methodist Advocate composed of fifteen (15) members nominated by the Committee on Nominations Commission on Communications and elected by the Annual Conference. It is recommended that eight (8) be lay persons and seven (7) be clergy persons. Nominees shall be submitted to the Conference Secretary and the Office of Connectional Ministries by February 1.
DRAFT RESOLUTION ON PREDATORY LENDING
TO THE
SOUTH CAROLINA ANNUAL CONFERENCE OF THE UNITED METHODIST CHURCH
FROM THE ADVOCACY WORK AREA
OF
CONNECTIONAL MINISTRIES

Scriptural Reference

Exodus 22:25 esv says:
"If you lend money to any of my people with you who is poor, you shall not be like a moneylender to him, and you shall not exact interest from him.

Deuteronomy 23:19 esv says:
"You shall not charge interest on loans to your brother, interest on money, interest on food, interest on anything that is lent for interest.

Whereas: Payday and car title loan lenders are having a negative impact on the lives of the poor and marginalized residents of South Carolina, and;

Whereas: Payday and car title lenders are terms used to describe a wide range of unfair financial lending practices that target the poor, communities of color and those individuals who cannot access the traditional financial system, and;

Whereas: Twenty-three percent of South Carolina's jobs are low-wage jobs, and;

Whereas: A South Carolina resident, being on a fixed income or earning low wages does not make an individual or family a credit risk deserving of high interest rates and finance charges, and;

Whereas: South Carolina residents who pursue payday loans are often low-income and have an emergency bill that must be paid, and they have no other means of paying this bill, and;

Whereas: South Carolina has some of the highest utility costs in the southeast, requiring a significant number of low-income residents to borrow short-term loans from payday lenders to pay utility bills, and;

Whereas: In South Carolina by law, lenders can charge any interest rate they choose, only being required to file that rate with the SC Department of Consumer Affairs and post it in their place of business, resulting in lenders having filed interest rates as high as 999%, and;

Whereas: Abusive lending practices in poor communities are not limited to mortgage lending. Smaller dollar loans can result in low-income consumers paying thousands of dollars on relatively small loans of $601 to $2,500. One industry, Auto Title Lenders, regularly charges 300 percent interest on its loans, expecting a consumer to repay this loan within 30 days, and;

Whereas: Fifty-six percent of South Carolina payday loan consumers borrow more than 5 times per year, 29.8% borrow more than ten times per year, and 11% borrow more than 15 times per year, and;

Whereas: In 2018 nearly 700,000 payday loans were made to 86,000 people living in South Carolina, which is an average of 8 loans per person. These borrowers paid exorbitant interest rates and fees totaling roughly $44 million, and;

Whereas: Fifty-five percent of South Carolinians use subprime credit, and;

Whereas: Forty-two percent of all South Carolinians have at least one account that is in collection and at least 14% of South Carolina households fell behind on bills in the past year.

Therefore, be it resolved that the South Carolina Annual Conference of the United Methodist Church encourage the South Carolina General Assembly and/or the United States Congress to pass binding legislation capping usury fees and interest rates for small dollar loans at 36%, and;

Be it Further Resolved that the South Carolina Annual Conference of the United Methodist Church encourage financial institutions, foundations, state and federal government, and other interested parties pursue the development of financial products that meet the needs of low-income residents for small dollar loans to address emergencies that are not high interest or high cost, and;

Be it Further Resolved that the members of the SC Annual Conference mobilize and use its collective voice of justice to encourage lawmakers, financial institutions, funders and decision-makers to address the unjust effects of high cost lenders, including consumer finance, payday lending and auto title lending.

Respectfully Submitted,
