ALDERSGATE

SPECIAL NEEDS MINISTRY

Aldersgate Special Needs Ministry was born at the 2003 South Carolina Annual Conference of the United Methodist Church and provides homes for adults with developmental disabilities. Our residents are encouraged to be as independent as possible with the support of trained staff.

Today, Aldersgate operates three homes for adults with special needs. The homes provide life skills training, recreational experiences and connections to worshipping communities.

Adults with special needs are among the most underserved people in South Carolina and the nation. The need for their care continues to grow.

The South Carolina Annual Conference gives support by designating an Aldersgate Special Needs Ministry offering to be taken each year on the second Sunday in August, or an alternate Sunday chosen by each church. We are not an apportioned item in the Annual Conference budget.

Aldersgate Special Needs Ministry appreciates your prayers and support. We thank the churches and individuals who have given faithfully on Aldersgate Special Needs Sunday and other times during the year.

- When asked about their home, residents say they enjoy living at Aldersgate because it's a Christian home, it helps them be independent and they've made new friends.
- Your continued support allows us to care for our three homes and residents, as well as plan for the future. The needs and opportunities for this ministry are ever-growing.
