2019 is HERE!!! What an exciting time to be part of United Methodist Women as we celebrate 150 years of mission. The following information comes from publications by The Legacy Fund Endowment Campaign.

On March 23, 1869, in Boston, Massachusetts, Clementina Butler and Lois Parker informed six women members of the Methodist Episcopal Church about the desperate health care and educational needs of women in India. Their Call to Action raised funds to send Isabella Thoburn, a teacher, and Clara Swain, a doctor, to India. The meeting in March led to the formation of the Woman's Foreign Missionary Society, the first of many Methodist women's mission organizations to address the injustices imposed on women and girls in the 19th century. UMW is their successor, and we celebrate 150 years of changing the lives of women, children and youth. From the beginning, UMW members have led the way in countless endeavors, from founding schools, hospitals and clinics in the 19th century to interrupting the school-to-prison pipeline, and working for maternal and child health today. Our membership is compelled by their Christian faith to serve in places they never imagined. They are unified in the pursuit of women's progress and their development as leaders in their churches, work settings, and communities. The Legacy Fund hopes to establish funding so missions can continue for the next 150 years. Contributions can be made by check: made out to United Methodist Women, with Legacy Fund written on the memo line. The check needs to be sent to:

The check needs to be sent to: UMW, attn: LEGACY, 475 Riverside Dr., 15th. Floor, NY, NY 10115

WE WILL CELEBRATE THIS ANNIVERSARY ON MARCH 23, 2019. MORE INFORMATION WILL BE COMING ABOUT ACTIVITIES FOR THE DAY

We have had a successful 2018, thanks to all of the hard work of the Walterboro District Units and treasurers. Thank you, treasurers for getting remittances in on time.

South Carolina Mission Projects certificate: Your unit must contribute to Bethlehem Center Spartanburg, Bethlehem Center Columbia, Killingsworth, Rural Mission Johns Island, and Wallace Family Life Bennettsville.

My mailing address is: 326 Locust Street, Walterboro, SC 29488

I would like to again thank all the Local Unit Treasurers for the outstanding work they do in keeping their units running. I appreciate all you do. If you have any questions, please let me know.

FAITH-HOPE-LOVE in ACTION!! We DO 'Make It Happen!'

Thelma Hudson
District Treasurer
I want to wish all of my Sister’s in Christ a very Happy and Blessed New Year. I am looking forward to working with you and helping you to share your good news throughout 2019.

Please remember that any articles for the March 2019 edition needs to be submitted to me by March 10th, 2019.

Wishing all of you a very Happy New Year!!

We have such an abundance of Program Resources available: Prayer Calendars, UMW Program Books, UMW Handbooks, *Response* Magazine, Reading Program Materials, Mission U materials, etc. All of these and more are available online at [www.umwmissionresources.org](http://www.umwmissionresources.org) or [www.unitedmethodistwomen.org/readingprogram](http://www.unitedmethodistwomen.org/readingprogram). There have been some changes in the way we will be obtaining most of the above resources. In the past, the District Secretary for Program Resources (me) would order an abundance of books and materials to sell at the District Annual Meetings, Officer Trainings, etc. Now, I will be sent a “Bookstore in a Box” which contains some samples of Resource Materials and an Inventory List with Order Forms. You will have the option to order materials and books at the meetings, or you will be able to take the Inventory List and Order Form home to complete and mail at your convenience. The new 2019 Reading Program Books are included on the Inventory List but will not be available for purchase at the meetings.

The UMW Reading Program website has been updated and is very user-friendly. Along with all the recommended books, you will find summaries of the books to help you decide which ones you may want to order for your church group. I know I will be ordering many of these new books this year!

Please do not hesitate to contact me if you have any questions.

Blessings,

Cindy Keener, Secretary of Program Resources
Do you know what you are putting on your skin as well as the skin of your children?

A book “Not Just A Pretty Face” has been added to the United Methodist Women’s Book program and should be read by every woman everywhere. This book outlines what has been going on in the cosmetic industry as regards to cancer-causing chemicals. Cosmetic Companies do not have to have their products cleared for safety by the FDA and declare that the chemicals they use are not high enough to hurt anyone. How many times do you use cosmetics in a week. As you use them the cancer chemicals build up in your body. These products have already been banned in Europe and California where a 14 year old girl organized the teens in her school to demand safer products. She took it to the Legislature and then to the Governor who signed it into law.

There are several Data Bases available to help you in your search for safe products. Here are a few;

- Skindeep.org
- SafeCosmetics.org
- ResponsiblePurchasing.org
- LessToxicGuide.ca
- BigGreenPurse.com
- TheNakedTruthProject.org
- GreenLivingNow.com
- Safer-products.org

I encourage everyone to read “Not Just a Pretty Face”. It could save your life.

2018 draws to a close for the WFLC

This year, 2018, has been a challenging one financially for the Wallace Family Life Center.

A major challenge was replacement of two of our heating and air units which failed over the summer, requiring us to purchase $12,000.00 worth of new units that we had really not planned on. Then, our third unit went out in November requiring another $5,500.00 expenditure in order to replace it.

The Center now has three new, energy efficient units to heat and cool the Center for the next 15 plus years. We can enjoy our climate-controlled environment even more knowing we will NOT need to worry about purchasing any more heating/air units for the Center.

Another challenge has been trying to keep the Center’s disintegrating 18-year-old bus running - frequent repairs have been a constant drain on our financial resources. The bus must be replaced – a challenge for 2019 is to find funding for a safe, reliable replacement.

2018 has brought many other positive changes to the Wallace Family Life Center.

We now have county water for the first time in over thirty years. It is amazing how this simply addition has been such a blessing to the Center. The increased water pressure we now have and guaranteed flow of water is truly a great thing - no more competing with others who need to use water at the same time.

The Wallace Family Life Center has had multiple volunteers come to the Center this year to help us out with many structural and physical building needs. A group from Pennsylvania’s Salt ‘n Light youth ministries, who spent a week at the Center, helped paint the exterior and parts of the interior of the building as well as managing landscaping needs at the Center.

Additionally, a group of volunteers from Chapin United Methodist Church visited the Center for multiple days to help replace some windows at the Center, along with taking out carpet in our multipurpose room and replacing it with a laminate flooring. The multipurpose room now looks fresh and inviting and has a durable, easy to maintain floor.

The group from Chapin also helped with replacing some rotted boards around the building as well as added flashing and trim work, built an entry ramp to the building, repaired bathroom fixtures and installed some drop-down stairs at the Center.

The staff and other volunteers assisted in painting the upper exterior parts of the Center building along with repairing soffit vents to help keep the squirrels out of the rafters, along with closing off some old electric vents that have become obsolete.

Bethel United Methodist Church in Bennettsville provided the Wallace Family Life Center with a new sign for the front of the WFLC building earlier this year to help the Center with its restoration projects.

Currently the Center is undertaking a needs assessment of the Wallace area to determine how best it can continue to fulfill its mission to Wallace and surrounding areas.

Anyone with information or suggestions that would help in this effort is encouraged to contact the Center at 843-479-7991 or speak with a pastor at any United Methodist Church in Marlboro County, who can relay that information to the Center either directly or through a WFLC Board member.

Now that the Center has had many improvements made to the physical building, the Center is exploring ways we can make improvements to our programs, keeping them relevant to the needs of the area and to our mission. Once the needs assessment is completed, the Center Board and staff will be informed and will have accurate information needed to guide changes to existing programs, and creation of new programs.

The Wallace Family Life Center recognizes that as time goes by, services available in the Wallace area and the needs of area residents change. The WFLC must be flexible and able to change, as well, and in so doing, will continue to serve and be a positive influence in the Wallace area for another 40 years. 2018 was about improving the Centers physical structure, 2019 is about improving our programs and contributions to the community.

The Wallace Family Life Center is a mission project of the South Carolina Conference United Methodist Women. The WFLC was established in 1979 and has been providing services to the Wallace area of Marlboro County for nearly 40 years.

The Wallace Family Life Center is a family-oriented facility. Our mission is to provide educational, cultural, recreational, and religious programs to enrich the lives of the people in the Wallace community, something the Center has been doing for many decades.

Lord, you have come to the lakeshore
looking neither for wealthy nor wise ones;
you only asked me to follow humbly.
O Lord, with your eyes you have searched me,
and while smiling have spoken my name;
now my boat’s left on the shoreline behind me;
by your side I will seek other seas."

Reading Program Certificate Awards
Our St. George United Methodist Women has recognized our former Treasurer from the years 2010-2017, Elizabeth Thompson, for her dedicated years of service. On Wednesday, October 17, 2018, Elizabeth was presented with a Certificate and a Gold and Pearl Methodist Flame Pin. UMW President Melissa Smith and our present treasurer Margie Weathers presented Mrs. Thompson with the award and recognition in her home.

Elizabeth’s service as UMW treasurer included a yearly collection of district dues from the circles and members. Also, she has helped with the annual TEA ROOM fund raiser, involving the pre-planning, collection of funds, paying expenses, and balancing the two days’ proceeds correctly. In addition, Elizabeth expertly dispersed our annual donations to missions and other church projects in the local, state, national, and international levels. She regularly attended our quarterly meetings and presented the budget report to all.

Our officers represented the entire UMW when we thanked her for her expertise, caring, dedication, time, and volunteer spirit. We all appreciate and value her membership and service for our church and our United Methodist Women here and worldwide.
