Message From Your President

WE DID IT!!! I am so happy to report that the 45th Annual meeting of the South Carolina Conference of United Methodist Women was a success. Great reviews from the evaluations. There were 323 ladies registered. There were 54 ladies registered from the Columbia District. Thanks to everyone that played a role in making it a success…making scrubbers, bookmarks, preparing food, registration, making name tags, stuffing registration bags, organizing, setup and cleanup. Our hats off to the Union United Methodist Ladies for making it a comfortable and wonderful place to be. I passed the torch on to Florence District at our Conference Program Committee today. Thanks again goes out to The Columbia District team!! YOU DID IT!!!

Several of our officers attended the Conference officer training today at Trenholm Road UMC. I pray that our officers are equipped with information to pass on to our local officers. Our training day will be Saturday, January 13, 2018 at Chapin UMC. Registration will be 8:45am – 9:15am. The program will begin at 9:30am. Classes will begin around 10:30am – noon. The District executive team will meet immediately following the training. Local officers please mark your calendars for this very important event and plan to attend.

We were honored to have Jessica Tulloch from National Ministry Division in New York to visit our District. She is the liaison between the Missions and the National office. She visited Columbia Bethlehem Center and Killingsworth. She also got to attend the Killingsworth Gala. It was a delight to spend time with Jessica. Hope to see her again at the Assembly.

Speaking of Killingsworth Gala…it was well attended. It was a huge crowd. Not sure of the exact number in attendance, but from the looks of things everyone had a great time. Lots and lots of silent auction items and there were even live auction bidding on four items. That was a fun treat. Rev. Diane Moseley gave an emotional farewell and thank you to all for support over the years as she served as Director of Killingsworth. She will retire at the end of the year. The Board is currently looking for someone to fill her position.

Wallace Family Life is planning an adopt a Wallace Family Life child or Senior Adult campaign to raise money for the Center. The information on this fundraising event is included in this newsletter. Please read through and let’s all plan to help. You may sponsor as a group or individual or both. It would be great if every United Methodist Woman would accept and say yes to sponsoring a child or senior adult. It would truly be a great financial boost to the center. Prayerfully consider to help with this worthwhile much needed fundraiser.

The holidays are here and as we hussle and bussle getting things done, let us take time to remember the True Reason for the Season!

May His Blessings be with you always,

Happy Holidays!

News From The Vice President

Wow, this year is flying by!!! We will soon be ready to celebrate our Savior's birth. This year has been especially exciting for our United Methodist Women. We have had inspirational annual meetings for the Columbia District and South Carolina Conference United Methodist Women. Both of these meetings helped to inspire me to do more and be more in my service to our sisters and brothers in need. I hope those of you who did not attend will make plans to attend next year. It is amazing what a group of United Methodist Women can accomplish.

We also had our Conference officers training in November which helps equip us to train the leaders in our District. There is always more to learn!!!

We will have our District Officer training on January 13th at Chapin United Methodist Church beginning with registration at 8:45 am. All officers and Cluster leaders, mark your calendars to attend. It is so important to share ideas and exchange information with our unit leaders. Sharing ideas with other unit leaders can help us learn new ways to be connected to our women in our District. It is a great opportunity for each of us to be better equipped to lead the women in our Churches in fulfilling the missions of the United Methodist Women.

The Columbia District is also excited to set the pace for a new project. It is the "Me to We Quilt Project". We will be putting together a quilt with squares from each Church in our District that reflects the heart of that Church. We will begin meeting with the Circle leaders in the next few weeks to give them their squares with information on what we would like to see on the squares and when we would like to get the squares back. Once we have gotten all the squares from each Church, we will put together the quilt to be presented at the Annual Conference in June. We hope the quilt will show how all of us are connected by the work we do and those we serve. If you would like to volunteer to help cut squares and help put the quilt together, please email me at debrajschooler@gmail.com.

As we move in to the celebration of our Saviors birth and into a new year, I wish each of you a very Merry Christmas and blessed and happy New Year.

In Christ,

Debra Schooler
Columbia District Vice President
News From The Secretary

The busy season is upon us. Churches are making their plans for Advent, Christmas Eve and Christmas Day services and families are planning celebrations, meals and gift exchanges. The children are making those famous Christmas lists and the stores are welcoming shoppers. Seems like every day is packed with things to do. The best thing about this time is the celebration of the birth of Jesus. Several churches in the Columbia area have Christmas Pageants, some have drive thru Bethlehem displays and most communities have a Christmas Parade, Riverbanks has Lights Before Christmas and Saluda Shoals has Drive Thru Christmas Lights. However you prepare for and celebrate Christmas, I prayed this Christmas will be a wonderful experience for you and your loved ones.

The business of the United Methodist Women continues as we elect and install new officers, attend training sessions, make pledges and continue giving to World Thank Offering and other mission projects. Please mark your calendars for the following events. Training for local unit officers will be held at Chapin United Methodist Church on January 13 from 9 am until noon. The church is located at 415 Lexington Hwy, Chapin, SC 29036. Legislative Day will be held on February 20 at Epworth Children’s Home. Reservation forms will be emailed and/or on the South Carolina United Methodist Church website soon. This is a time to come together to learn how to advocate for women, youth, and children in our communities, state and nation. And the peanut butter ice cream for dessert at Epworth is delicious. Finally, Day Apart will be March 3 at Cayce UMC in Cayce, SC. Look for that registration form in this edition.

I continue to work on the directory for Columbia District. If you have not submitted your officer names, addresses and email address to me, please do so ASAP. I hope to have a copy for each unit president at Officers Training. If I don’t have your information, your unit cannot be included in the directory. Send information to plgundler@att.net, Pat Gundler, 118 Greenleaf Circle, Chapin, SC 29036 or call me at 803-345-1339 by December 15, 2017.

The Standing Rules and ByLaws for Columbia District have been approved pending some additional information such as checklists and dates. I hope to have a copy of the ByLaws at Officers Training.

Treasurer's Report

For a child is born to us, a son is given to us; upon his shoulder dominion rests. They name him Wonder-Counselor, God-Hero, Father Forever and Prince of Peace. Isaiah 9:5. My Sisters in Christ, I'm prayerful that the wonders of His birth fill your heart with peace and hope this Christmas, and keep you and your family safe throughout the year.

Spiritual Growth

Spiritual Growth, what does that sound like? Growing my spirituality? But, I’m already spiritual. What’s the big deal? I never imagined when Betty Bradley asked me if I would like to be the Spiritual Growth Coordinator for the District what I was getting into. Well, that first year was scary on occasion trying to grow my Spiritual Growth. Betty told me it was just a couple of meetings a year not anything I couldn’t handle. Well, really? That first year was trial and error. Sometimes I felt like that lost sheep. So afraid my devotionals would flop or no one would understand them or no one could relate to them. Oh no, then I had to pray too. Gees………But somehow the Lord provided what I needed every time. Often times, my devotional for the day of a meeting would be just what I needed that day and so, there was my spirit growing and growing and I was not even paying attention. By the time that second year rolled up, I was feeling pretty confident. Well, let’s not get that horse before the cart or is it that cart before the horse. I don’t know, I just know that some days were a struggle. But each time, I asked the Lord to guide my words and guide my footsteps, then “BINGO”. God put those blessings at my fingertips. What a GOD we have! So AWESOME!

I have learned that God is always here to teach me forgiveness. Once I got that forgiveness “thing” down pat, I felt like a different person. It felt so good to forgive, even when I would have those “bad” thoughts of spitting in their coffee or just punching them out. Forgiveness was the easiest way to go. Granted it can be difficult, but once you forgive, then all the world is good. Yeah, I know it sounds so simple, but it is. Don’t hold that grudge. It will destroy you. FORGIVE!

Take time to smell those flowers or that freshly brewed coffee, if you like coffee.

God may shut one door, but He is always there to open another. We need to learn to be patient. All things are done in GOD’s time, not ours. Remember GOD’s time!!!

Sometimes, I float through the day, thinking “I” did well today but I have to remember………..GOD is in charge of me. I need to fully rely on Him. Because with Him ALL things are possible.

I know we like to hang on to our problems, (Indian-giver) but we have this AWESOME GOD, and He wants us to give Him our burdens.

GOD bless my Sisters in Christ. I love each of you and pray for your spiritual growth every day.

Pools of vulnerability: Stopping human trafficking

Human Traffickers "fish in pools of vulnerability." We, as Christians, bare a responsibility to love, nurture and protect the vulnerable.

Susan Greer Burton November 8, 2017

Many children dress up in silly and scary costumes at Halloween. They collect and consume massive amounts of candy. Halloween, in my community, marks the beginning of fall festivities.

Walking from house to house with “Thing 1” and “Thing 2” (i.e., my daughter and her best friend), I saw a couple handing out chocolate with an Equal Exchange sign. (Equal Exchange sells chocolate that is slavery-free, and they have an official partnership with The United Methodist Church.)

I was grateful for the reminder that there are ways to participate in festive traditions of candy-eating, baking and gift-giving that do not contribute to companies and individuals that make money by enslaving people.

Raising two daughters, I am always aware of their vulnerability to traffickers. And, I am mindful of the stories that I have heard from United Methodists in Liberia and the Philippines of loved ones and community members being trafficked.

In Liberia, children are abducted and transported to Cote d'Ivoire to harvest cocoa. In the Philippines, 2.2 million people travel abroad to work and earn money to send home to their families. Many are preyed upon by traffickers.

January is the month we have intentionally set to remind ourselves, educate our community, and advocate for policies and practices that will stop the demand and the supply of trafficking victims.

I'm reminded of the film, Not My Life. This documentary brings attention to the horrors and hope that are part of this movement to end trafficking.

“Filmed on five continents, in a dozen countries, Not My Life takes viewers into a world where millions of children are exploited, every day, through an astonishing array of practices including forced labor, domestic servitude, begging, sex tourism, sexual violence, and child soldiering.”

Church and Society has purchased the rights so you can show the film for free in your local settings. Register to receive a link and password to view the movie.

As one person states in the film, “traffickers fish in pools of vulnerability.” People who are vulnerable are the ones to whom Jesus calls us to love, nurture and protect. We invite you to use this movie to increase awareness about these vulnerable children and adults. And as we head toward the gift-giving season, we also encourage you to spend money in ways that do not support human trafficking.
Called to be Peacemakers (https://www.umcjustice.org/)

The general secretary responds to the mass shooting at First Baptist Church of Sutherland Springs, TX.

Rev. Dr. Susan Henry-Crowe November 6, 2017

The United States is once again grappling with another mass shooting. And again, in a place of worship.

We lift up to God those who have died and those who have lost family members at First Baptist Church of Sutherland Springs, TX. May they be enveloped in God’s comforting peace and healing now and in the days to come.

This violence continues to desecrate churches, neighborhoods, schools, concerts, movie theaters, and clubs. Our communities are being ripped apart by gun violence.

As heartsick as this makes us, we cannot and must not throw up our hands in defeat. To do nothing to combat the evils of gun violence is irresponsible and contradictory to Christ’s call to be peacemakers.

What do we know? What can we do?

We know that mental health is frequently a factor in gun violence and mass shootings.

- **Advocate** for lifting the ban preventing the Centers for Disease Control from researching gun violence as a public health issue.
- **Advocate** for expanded access to quality mental health services.
  
  *Call your members of Congress at 202.224.3121*

We know that access to deadly weapons makes shootings worse and more frequent.

- **Advocate** for expanded background checks and a ban on assault weapons.
  
  *Call your members of Congress at 202.224.3121.*

We know that domestic abuse becomes deadly—and deadly on a larger scale—when weapons are accessible.

- **Advocate** for laws that keep deadly weapons out of the hands of domestic abusers.
  
  *Call your members of Congress at 202.224.3121.*

We know that when we feel hopeless – and when words are not enough – the Spirit of God intercedes for us. We can trust in the word of God and the comfort of community to lift us up and lead us to action.

- **Read** the United Methodist Book of Resolutions #3428 “Our Call to End Gun Violence” for ideas.
- **Pray** for God’s wisdom and healing for communities and leaders.
- **Speak** with others about gun violence and what our communities can do to prevent it.

May God be with First Baptist Church and the community of Sutherland Springs. May healing come for all who suffer from the unrelenting terror of gun violence in the United States.

*Cindy Ballenger*

Social Action Coordinator - Columbia District
Greetings my Sisters in Christ,

**URGENT: Local Presidents and MN&O Coordinators Please Read Carefully**

Yes, it is that time again. 2018 is upon us, and Census 2017 is here. First, I want to thank all the district local UMW persons who were diligent in completing or making sure that 2016 census was completed. The Columbia District reported fewer numbers in 2016 than in 2015. We must do better for census 2017. Our goal for 2017 is to have 100 percent of our local units represented in the census.

You will recognize some changes on the 2017 census form. There are several new questions that are focused on strategies around increasing membership, social justice priorities, and training needs. The national goal is to increase membership by 2 percent at the district level by 2020, so the feedback received through the census is critical in how national plans strategically to meet this goal.

Listed below for your convenience are the links to the instructional videos for the 2017 Census and the myUMW Membership Log. Local Presidents and/or MN&O Coordinators are encouraged to view these videos. If there are any questions or if you need additional information, please contact me by email at mbelk@sc.rr.com or by phone at (803)786-5659.

In Addition, this year’s Woman of the Year program was a success. Twenty-three (23) Columbia District UMW women were honored at the 2017 Annual Meeting. Each honoree was recognized and received a certificate for her participation. I would like to thank all the churches that participated.

*I look forward to seeing you at the local officers’ training January 13, at Chapin UMC.*

Education and Interpretation’s Report

Each of our missions have many needs both financially and various items. Each mission has also requested lots of prayers. They also express their gratitude to the UMW for all the support to their organizations.

**Spartanburg Bethlehem Center** – Emphasis Mission for October - Senior Program is in full swing. The after school program operates year round and is doing well. They help with homework and academic support, teach them skills to be a good citizen and to pray, and recreation time.

Food Pantry is three days a week. They hosted a Men & Women's Day held on 10/21/17. The day promoted the Bethlehem Center Spartanburg and brought awareness of the services they provide. Ongoing needs are postage stamps, Walmart/Office Depot/Bilo gift cards, and non-perishable food items for their food pantry.

**Columbia Bethlehem Community Center** – The after school program is in full swing. There are 10-15 attendees. The Center is looking into a feeding program through DSS. The FOODSHARE program continues at the CBCC twice a month where families can purchase a basket of food for $20.00 cash or use EBT Snap for $10.00. A representative from National UMW visited the Center on Thursday 11/9/17. Great to have their interest. After school program needs are: individual packages of Pop tarts, Goldfish, Animal Crackers, Capri Suns, and Apple Sauce.

**Rural Missions** – Great News. The Staff has been able to move back into their offices. The offices were damaged due to hurricane Matthew. Volunteer groups have worked hard to restore the building and offices. Several needs are gift cards of any amount are needed for purchase of food, cleaning supplies, gasoline, etc (Wal-Mart, Office Depot for office supplies). One of the requests was also for Large Print Bibles.

**Wallace Family Life Center** – They now have new leadership & are committed to improving their standing in the community & among UMW programs. The Center is struggling and are extremely thankful to the UMW and their continued support. They will be hosting a Christmas Dinner this year and inviting the community to attend. Postage stamps, paper products, cleaning products, toothpaste and toothbrushes are just some of the items requested.

**Killingsworth** – The annual Gala fundraiser that was be held on 11/9/17 was a Great Success. This year they are celebrating 70 years. Congratulations! Diane Mosely is retiring after 41 years as Executive Director. We thank her and wish for her a wonderful and relaxing retirement. Search for a replacement is ongoing and prayers are requested for a successful transition. Please see their website for a list of items needed.

Reading Resource Manager

The weekend of October 26-28, 2017 at the SCCUMW, I witnessed some awesome women with fantastic leadership abilities, organizational skills, educational presentations and great personalities. It is special to be a part of this great group of women. This group reminded me of a book on the 2018 reading program which is *50 Women Every Christian Should Know*.

Let us continue to thrive with these women as role models by being bold and compassionate and demonstrating love to all we meet.

There are so many options today for the reading program with kindles, used books on Amazon, libraries, audible books and book sharing groups. Any of the items listed can help make reading “your happy place”.

Love, peace and joy this wonderful Christmas Season,

Blessings

I wanted to thank you again for the donations and bringing your group out to tour Sharing God's Love. I also was honored to be part of the welcoming for the United Methodist Women's Annual Meeting. You did a great job planning the event and guiding us through. May God continue to bless you in all of your doings.

Yours in Christ,

Shari Selke

Dear District Presidents,

I wish I could meet with you personally and thank you for the support you have given me over the last three years as your representative to Wallace Family Life Center. Together we have accomplished much and I leave with an even greater passion for the work that is being done and the lives that are being impacted.

My dream is to see the Center grow and be a shining light in the Wallace community. Unfortunately, as we see the roles of our UMW decline, and greater numbers of us retire and begin to live on fixed incomes, this has had a major impact on the Center's finances, and growing our programs is becoming increasingly difficult. However, I still believe God has a work for us to do and that He will bless our efforts.

The WFLC Board of Directors has devised a plan for a fundraiser and I am attaching a brief explanation. You may call the Center for more details.

We want to be able to expand our programs, but as I once heard Rev. Dianne Mosley say, you must have a place. So we cannot ignore that our building is aging and needs many repairs, the least of which is a replacement air conditioner for the large classroom.

We are so fortunate to have two wonderful people overseeing our Center now. Kevin Long, Ex. Director, and Linda Sanders, Program Coordinator. They have not allowed any program to suffer, even though we had to make both positions part time due to finances. The Summer Enrichment program was a great success, the After School program is thriving, Senior citizens meet twice/week, the food pantry is in operation and the Center is used for some community/church meetings.

So why am I writing you? I sincerely hope you will think about ways that together we can fund the Center. Perhaps each of your units could do a fundraiser and/or each member "adopt" a child or grandparent. And put the word out that we need a new bus. We must transport our students from school to the Center, and our senior citizens must be picked up and returned to their homes.

Above all, remember this mission in your prayers. When we ask believing that God will do what He says He will do, there is nothing that can stop us.

Bless you for your caring hearts,

Garvin Gilley
The Specifics of Adopt-a-Child program:

Each individual or group who makes a one-time donation of $59.00 to WFLC under the “Adopt-a-Child” program will obtain the following:

1. One initial thank you note from the Administrator, Program Coordinator and Board Chair of WFLC.

2. A certificate illustrating the support of WFLC by way of the adopt-a-child Program.

3. An end of year report regarding the Children as a whole and the benefits to the WFLC by the Program Coordinator.

4. A Christmas card from the Center.

The WFLC will NOT provide a photo of the child, nor the child’s real name, address of any specific details regarding the Child to the donor. All information provided to the donor will be generic in nature and not tie back to the specific child at the Center.

In the 2015-2016 school year, the after school program provided snacks, homework assistance, and Christian based learning to over 16 children from the Wallace area. This number was down from 22 children the year before. The Children come to the Center after school by way of the WFLC bus and are picked up by parents at 5:00.

The Summer Reading program provided 6 weeks of learning and fun to over 15 children in the 2015-2016 school year and include breakfast, lunch, snacks and a field trip to EdEventure in Columbia SC for all those who desired to attend.

Specifics of Adopt-A-Grandparent Program:

Each individual or group who makes a one-time donation of $99.00 to WFLC under the “Adopt-a-Grandparent” program will obtain the following:

1. One initial thank you note from the Administrator, Program Coordinator and Board Chair of WFLC.

2. An outline illustrating the benefits to the Adult programs at the Center as a result of donation received.

3. An end of year report regarding the activities afforded the Grandparent/adults because of the donation written by the Program Coordinator.
The WFLC will **NOT** provide a photo of the Grandparent, nor the grandparent’s real name, address or any specific details regarding the Grandparent to the donor. All information provided to the donor will be generic in nature and will not tie back to the specific grandparent/older adult at the Center.

The adult Education class fluctuates week to week depending on the various activities of the group. Doctor appointments and other obligations result in this fluctuation. The class has had a low of 6 attendees and a high of 15. It really is a great opportunity for improving math skills, reading skills and basic day to day skills for the older adults.

The “Adopt-A-Grandparent’ Program is funding the Adult activities of the Center. Geriatric adults within the community frequent the Center for the Adult Education programs as a refresher for them. Many = take part in the Arts and Crafts programs at the Center as well. The adults learn important skills and benefit from a homemade and hot fresh meal. For many of these seniors it is likely the best meal they have all week and an important part of Center activity. Many of these adults have been coming for over five years to these programs and look forward to them each week.

The Wallace Family Life Center has been in operation since 1979, supporting generations within the Wallace area of Marlboro County. The WFLC has provided an after school program, summer reading programs, Adult Education programs, among many other programs over the years. Your support is critical to the continued success of the Center. Donations can be made at any time by simply going to our webpage: www.wallacefamilylifecenter.org and clicking on the link **DONATE NOW**. It is that simple! It will automatically default to $59.00 under the Adopt-A-Child link. It will ask for your card number and other necessary information. This transaction is secure and set up with the PayPal System which has been the leader in on-line financial transactions since established in 1998 and one of the world’s largest internet payment companies.

You can log onto the webpage www.wallacefamilylifecenter.org 24 hours a day, seven days a week and make a secure donation directly to the Wallace Family Life Center. All donations received this way will be acknowledged by the WFLC by way of a thank you letter. Please let us know what your donation is to be used for and we will see that it is used in the way directed.

You can also donate by simply mailing a check to the Wallace Family Life Center at the address below:

**The Wallace Family Life Center**
PO Box 56
Wallace, SC 29596

The WFLC is located in Marlboro County on 574 Old Wire Road, however, we have no mail receptacle at our physical location and all mail is directed to our PO Box in Wallace. Please indicate what the donation is for in the memo section of your check. All funds received at the Center will be acknowledged as long as we have the necessary address etc. to send and acknowledgment.

The Center is a Christian-based learning environment for adults, children and seniors of all ages. Wallace Family Life Center prides itself on being able to help a wide range of people of various ages in the Wallace community. In that the Wallace community and Marlboro County as a whole is extremely rural and agricultural, with a median household income of $28,091.00, the Wallace Family Life Center...
relies on donations of all kinds to help us fulfill our mission. To this end, we are always in need of paper products such as paper towels, toilet tissue, paper plates, etc. Additionally we always need school related items like pencils, copy paper, notebooks, book bags and erasers, to name just a few. These are things we need year around. These items are often used up as quickly, as soon as we receive them.

The two programs, "Adopt-a-Child" and "Adopt-a-Grandparent are intended to be a vehicle by which anyone can make a one-time financial donation to the Center to help the Center with its ongoing operational cost. These programs are designed to help the Center with all finical needs as the quarterly contributions to the Center have declined over the years and have not been enough for the Center to maintain its ongoing cost of doing business, let alone replace outdated assets of the Center, such as the bus, fixtures in the building, and AC units.

The Wallace Family Life Center is reaching out to everyone who will listen...We need your assistance so that we can fulfill the mission of the Center!!!!

*The Wallace Family Life Center is a family oriented facility. Our Mission is to provide educational, cultural, recreational, and religious programs to enrich the lives of the people in the Wallace Community.*
