From the President ~ Kate Hyder

One of our problems is that we are blessed in so many ways that we can begin to take them for granted. Ralph Waldo Emerson said that if the stars came out only once a year, everybody would stay up all night to look at them. He observed that we have seen the stars so often that we don't bother to look at them anymore.

It's easy for us to be like that. We can become so accustomed to our blessings that we can lose our sense of gratitude.

As we start this New Year, let's pray we don't become complacent and just go through the motions but become more compassionate and eager to serve those who are less fortunate than us. When you see a need and you are able to meet that need or at least help, do it. That is why God has blessed you. To be a blessing to another.

Look through the Network news, read the articles, and go to work. Share the Word, meet the deadlines, and put your faith, hope, and love into Action.

Sharing God's Love,

Kate

As this year draws to a close, I want to write about being thankful. My childhood wasn't filled with great memories, but I have always been

thankful for Thornwell Home for Children, where I was able to receive my spiritual foundation. It was by God's grace that I am the woman I am today. 2 Corinthians 12:9-10 (NIV)

9 But he said to me, "My grace is sufficient for you, for my power is made perfect in weakness." Therefore I will boast all the more gladly about my weaknesses, so that Christ's power may rest on me. **10** That is why, for Christ's sake, I delight in weaknesses, in insults, in hardships, in persecutions, in difficulties. For when I am weak, then I am strong.

There have been so many times in my life where I have stumbled, but God always catches me!

Anderson District United Methodist Women

I'm walking in my Purpose.

I get up each day praying with my hands and my feet.

I am moving forward with action and a grateful heart. My vision is focused.

Though I may not always see or know when my breakthrough will come, I will keep walking by faith... not by sight.

I know what to do with these shoes: I will keep stepping and pressing on...

Theme: HARVESTING THE LORD'S PROMISES

Joshua 14:10 - Now then, just as the LORD promised, he has kept me alive for forty-five years since the time he said this to Moses, while Israel moved about in the wilderness. So here I am today, eighty-five years old!

WHEN ARE WE FINISHED DOING GOD'S WORK?

PLEASE PLAN TO ATTEND the annual conference IN 2018!

One day a woman who loved to LEGACY shop noticed a new stall in the local market. God was in the stall.

"What do you sell here?" she asked. God smiled and replied, "All your heart desires." The woman was astounded. "Wow!!! I'll have peace, joy, and a nice house. Not just for me, but for everyone and "God interrupted her. "I think you've misunderstood, my dear. I don't sell fruits here, only seeds."

God gives us seeds. What we do with them is up to us.

The Purpose of United Methodist Women

The Purpose is adopted by the General Conference of The United Methodist Church as the official mission statement of United Methodist Women.

United Methodist Women shall be a community of women whose purpose is to know God and to experience freedom as whole persons through Jesus Christ; to develop a creative, supportive fellowship; and to expand concepts of mission through participation in the global ministries of the church.

Out of the Purpose are four mission foci that relate to the mission initiatives and priorities of United Methodist Women.

- To be a community of women
- To know God
- To develop a creative and supportive fellowship
- To expand concepts of mission
