

## THE REPORT OF THE COMMITTEE OF NOMINATIONS

With the extension of the 2016 quadrennia, our election cycle for members of conference boards, agencies, councils, and committees is delayed. Those terms of office ending in the year 2020, will be instead extended until the 2016 quadrennia ends.

**Report Number One** is for the election of those institutions that relate to the annual conference, who select and nominate their own board members, and who, by standing rules, pass these nominations directly to the Annual Conference by way of the Conference Committee on Nominations. These nominations are before the Annual Conference for your election.

**Report Number Two** contains the nominations for the Wesley Foundations and Fellowships.

**Report Number Three** contains the nominations for the various district boards and committees and they are submitted by the districts for annual conference election.

**Report Number Four** is the list of all boards, agencies, committees and councils of the annual conference elected at the 2019 annual conference. This report is given as information only. These elections will stand until the end of the extended quadrennia.
