

Giving from Abundance Calendar

During Lent, we are called to pray, to sacrifice, and to give. Imagine No Malaria helps us put our faith into action as we think about the blessings in our lives and give so that others may have life and have life abundantly.

The Giving from Abundance Calendar invites us to think every day about our access to resources and services that support our health. Clean water, electricity, transportation, medicine: many of us take these “necessary conditions for life” for granted. In reflecting upon our abundance, we are called to help create abundant life for others. Visit www.INM.UMCSC.org to give and learn more about the ways the United Methodist church is coming together in South Carolina to help bring healing, hope and life to those suffering from a disease that is 100% preventable, treatable and beatable.

These proposed gift amounts in the Giving from Abundance Calendar will generate giving around \$100 over the course of Lent for an average household. You can collect the money in a one of the red INM boxes, or a jar as you journey through Lent, or simply note the amounts each day and make one big donation at the end of Lent! The giving calendar ends on a Saturday, and Easter is the following Sunday. Make sure to bring your donations on Easter Sunday so that you can celebrate lives saved with your congregation! Log on to www.INM.UMCSC.org for more Lenten resources, including a Lenten Devotional book written by United Methodist clergy and laity around South Carolina.
