Updating Local Church Information (Church Profile)

Accessing Charge Conference Reports

Every church is expected to have an updated profile on record. The profile is completed online and should be done annually. **No printed/hard copies need be submitted to the district office.**

Follow the directions printed below for accessing and creating/updating a church's profile.

The deadline for updating church profiles is the date of the annual church charge conference.

Reminders will be made via email, in the newsletters, and online (district web page, district calendar, Facebook, Twitter, LinkedIn, and email). No notices will be sent via USPS.

1. Point your browser to the conference web page. <http://www.umcsc.org>
2. On the menu bar, rest your pointer on the link for **Login**.

3. You will see a drop-down menu, select **church/pastor login**.

4. On the next screen, enter your church's user ID and password. For those who have a multi-point charge, you must log in for each individual church. If you do not remember your church's user ID and password, contact the District Office. ***If you change your church's user ID and/or password, you must inform the District Office of the change.***

5. On the next page you will see a link for updating your church profile.

Church Profile

Charge Conference Reports

(I have blanked out the name of the church that this screen shot applies to. Your screen will not have a blue rectangle like this.)

6. Once you have completed your work, simply close your browser and you will be logged out automatically. There is now also a log out option.
7. If your church's profile does not have a current picture, you now have the option to upload a photo. The directions are on the church profile page. If you have any problems uploading a photo, contact the district office. We can provide assistance, including uploading the photo for you.
8. **No hard copies of the Church Profile need to be submitted to the district office.**

Completing/Updating Pastor Profile

Every person appointed or assigned to a local church is expected to complete or update his/her clergy profile annually. The profile is completed online. **No printed/hard copies need be submitted to the district office.**

1. To complete/update your profile, point your browser to the Conference web page: <http://www.umcsc.org>. On the extreme right-hand side of the menu bar, select **Email/Church Log In**. Enter your **personal** user ID and password. Your user ID is your entire umcsc.org email address. Example: slove@umcsc.org.
 - a. If you have created an online profile, previously, then your password is whatever you changed it to. If you do not remember your password, you will need to send an email to Jim Crews (jcrews@umcsc.org) and he will reset your password for you.
 - b. If this is your first time creating an online profile, then your password will most likely be your email address. If so, then please change your password immediately upon logging in. *(You are encouraged to make a note of this password for future reference.)*
2. Once logged in, you have various options, such as change password, create online profile, etc.
 - a. **Select** create online profile, if this is your first time.
 - b. If you are returning to update your profile, click on the date and you will be taken to your profile. *(Your profile will contain the information you submitted last year.)*
3. To update each section, click on the pencil icon at the beginning of each section.
4. Once you press “Enter” or click on “submit” your information for that question is automatically saved.
5. **It is imperative that every question be answered to the fullest extent.**
6. **If you do not have a picture on your profile, you may upload one to your profile.** Directions are online; however, if you need assistance with this, please contact Martha in the district office (864-223-2650 or gwdist@umcsc.org).

Personal clergy profiles should be updated annually as part of completing Charge Conference reports. *Reminders will be made via email, in the newsletters, and online* (district web page, district calendar, Facebook, Twitter, LinkedIn, and email). No notices will be sent via USPS.
