Updating Local Church Information (Church Profile) Accessing Charge Conference Reports

Every church is expected to have an updated profile on record. The profile is completed online and should be done annually. It is recommended that this profile be updated as part of completing Charge Conference reports each year. No printed/hard copies need be submitted to the district office.

Follow the directions printed below for accessing and creating/updating a church's profile.

The deadline for updating church profiles is the date of the annual church charge conference. *Reminders will be made via email, in the newsletters, and online* (district web page, district calendar, Facebook, Twitter, LinkedIn, and email). No notices will be sent via USPS.

1. Point your browser to the conference web page. <http://www.umcsc.org>
2. On the menu bar, rest your pointer on the link for Login.

3. You will see a drop-down menu, select church/pastor login.

4. On the next screen, enter your church's user ID and password. For those who have a multi-point charge, you must log in for each individual church. If you do not remember your church's user ID and password, contact the District Office. *If you change your church's user ID and/or password, you must inform the District Office of the change.*

5. On the next page you will see a link for updating your church profile.

6. Once you have completed your work, simply close your browser and you will be logged out automatically. There is also a log out option now.
7. If your church's profile does not have a current picture, you now have the option to upload a photo. The directions are on the church profile page. If you have any problems uploading a photo, contact the district office. We can provide assistance, including uploading the photo for you.
8. No hard copies of the Church Profile need to be submitted to the district office.

Completing/Updating Pastor Profile

Every person appointed or assigned to a local church is expected to complete or update his/her clergy profile annually. The profile is completed online. No printed/hard copies need be submitted to the district office.

1. To complete/update your profile, point your browser to the Conference web page: <http://www.umcsc.org>. On the extreme right-hand side of the menu bar, select Email/Church Log In. Enter your personal user ID and password. Your user ID is your entire umcsc.org email address. Example: jsmith@umcsc.org.
