Updating Local Church Information (Church Profile)

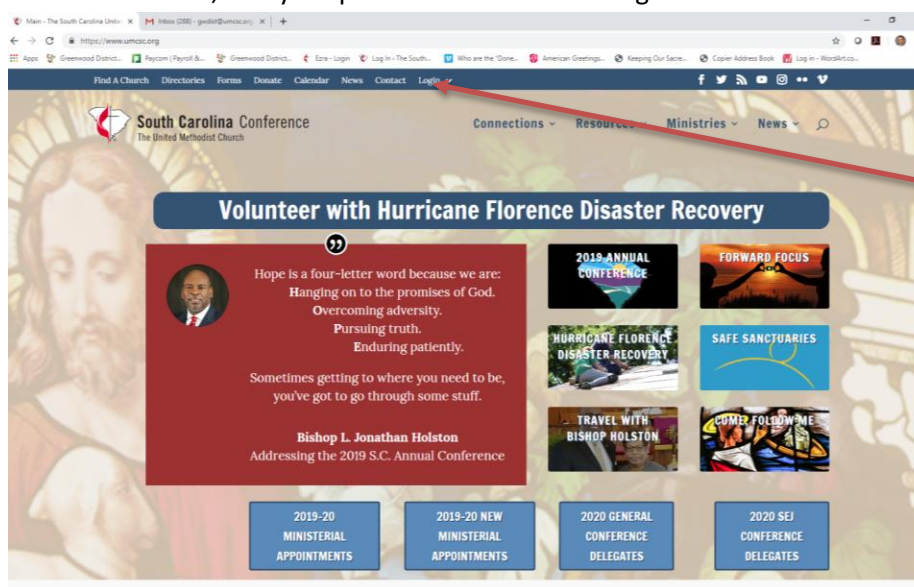

Accessing Charge Conference Reports

Every church is expected to have an updated profile on record. The profile is completed online and should be done annually. It is recommended that this profile be updated as part of completing Charge Conference reports each year. No printed/hard copies need be submitted to the district office.

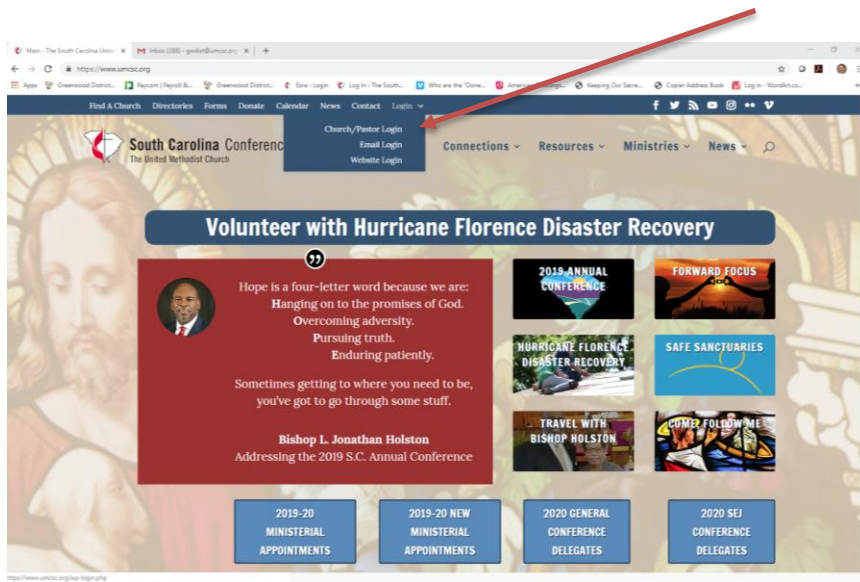

Follow the directions printed below for accessing and creating/updating a church's profile.

The deadline for updating church profiles is the date of the annual church charge conference. *Reminders will be made via email, in the newsletters, and online* (district web page, district calendar, Facebook, Twitter, LinkedIn, and email). No notices will be sent via USPS.

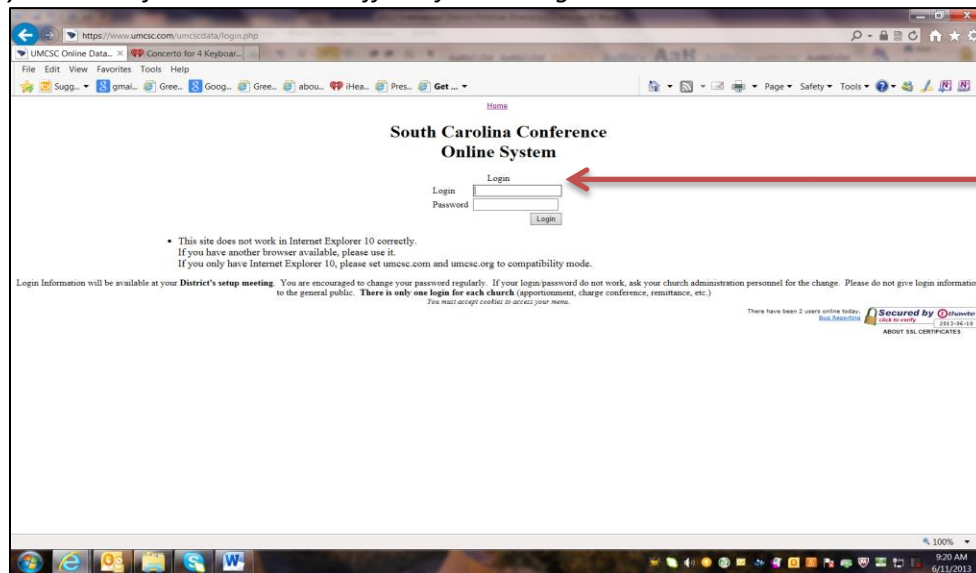

1. Point your browser to the conference web page. <http://www.umcsc.org>
2. On the menu bar, rest your pointer on the link for Login.

3. You will see a drop-down menu, select church/pastor login.

4. On the next screen, enter your church's user ID and password. For those who have a multi-point charge, you must log in for each individual church. If you do not remember your church's user ID and password, contact the District Office. *If you change your church's user ID and/or password, you must inform the District Office of the change.*

5. On the next page you will see a link for updating your church profile.

(I have blanked out the name of the church that this screen shot applies to. Your screen will not have a blue rectangle like this.)

6. Once you have completed your work, simply close your browser and you will be logged out automatically. There is also a log out option now.
7. If your church's profile does not have a current picture, you now have the option to upload a photo. The directions are on the church profile page. If you have any problems uploading a photo, contact the district office. We can provide assistance, including uploading the photo for you.
8. No hard copies of the Church Profile need to be submitted to the district office.

Completing/Updating Pastor Profile

Every person appointed or assigned to a local church is expected to complete or update his/her clergy profile annually. The profile is completed online. No printed/hard copies need be submitted to the district office.

1. To complete/update your profile, point your browser to the Conference web page:
<http://www.umcsc.org>. On the extreme right-hand side of the menu bar, select Email/Church Log In. Enter your personal user ID and password. Your user ID is your entire umcsc.org email address. Example: jsmith@umcsc.org.
 - a. If you have created an online profile, previously, then your password is whatever you changed it to. If you do not remember your password, you will need to send an email to Russ McKissick (rmckissick@umcsc.org) and he will reset your password for you.
 - b. If this is your first time creating an online profile, then your password will most likely be your email address. If so, then please change your password immediately upon logging in. *(You are encouraged to make a note of this password for future reference.)*
2. Once logged in, you have various options, such as change password, create online profile, etc.
 - a. Select create online profile, if this is your first time.
 - b. If you are returning to update your profile, click on the date and you will be taken to your profile. *(Your profile will contain the information you submitted previously.)*
3. To update each section, click on the pencil icon at the beginning of each section.
4. Once you press "Enter" or click on "submit" your information for that question is automatically saved.
5. It is imperative that every question be answered to the fullest extent.
6. If you do not have a picture on your profile, you may upload one to your profile. Directions are online; however, if you need assistance with this, please contact Martha in the district office (864-223-2650 or gwdist@umcsc.org).

Personal clergy profiles should be updated annually as part of completing Charge Conference reports. *Reminders will be made via email, in the newsletters, and online* (district web page, district calendar, Facebook, Twitter, LinkedIn, and email). No notices will be sent via USPS.

Tables I, II, and III Annual Church Demographic and Financial Reports AC Stats

Tables I, II, and III data are always due by February 28. *Notices and announcements will be sent via email, district newsletters, district web page, calendar, Facebook, Twitter, LinkedIn as to the deadlines for completing various church reports. No notices will be sent via USPS.*

Accessing Your Church's AC Stats

1. Point your browser to <http://stats.gcfa.org>
2. Login to your church's online accounts.
3. Follow the on-screen directions for entering your data for Tables I, II, and III
4. Please make sure that you answer ALL the questions. If you have no data for a question, make sure you insert 0 for that question.
 - a. Once you have completed all the questions, SAVE or PRINT a copy of your reports. The district office will NOT be responsible for providing a copy of your reports.
 - b. Be sure to address any **red flags** related to your responses. Not addressing these notices could result in higher apportionments for your church.

MissionInsite

Listed below are reports available from MissionInsite

PeopleView Discovery Tools

Map Driven Location Intelligence

The MI PeopleView™ System has been developed to provide a comprehensive understanding of any geographical area, best described as “location intelligence.” Discover unique ministry opportunities using interactive web based tools.

Community Demographic Reports

Demographics

Integrated into the MI PeopleView™ System is a full array of census data. These data are updated two times each year. Select one of many preset geographies such as zip codes, census tracts, block groups, etc., and build your own custom demographic report or generate one of MissionInsite’s Predefined Reports.

Google Base Maps

Easy-to-Use Map Interface

The MI PeopleView™ System has been built in conjunction with Google maps as part of Google’s Enterprise program. All MI maps use Google base maps. Select Base Maps, Google’s traditional Street Maps, Satellite View, Hybrid View or Terrain View. Additionally, Google’s street view can be displayed inside the MI PeopleView™ System where available.

Analytical Mapping Tools

Point and Click for Quick Answers

The analytical mapping tools best demonstrate the power of the MI PeopleView™ System. Complex and time-consuming tasks are accomplished in seconds with the click of a mouse. The PeopleView™ System designed for non-technical users!

Thematic Mapping

Maps Worth A Thousand Words

Maps tell stories. They visualize complex data. The PeopleView™ System makes map making very easy. Three clicks and a professional looking PowerPoint-ready map is created, giving you a seamless, easy-to-read view of your community.

PeoplePlot

The Church's Story in the Community

PeoplePlot is a powerful tool created to assist local churches in understanding their “reach” into the community. Comparing a church to its community using Experian’s MOSAIC Segmentation System creates a powerful portrait for developing dynamic mission based upon current reality.

Opportunity Scan

Discovering Ministry Opportunities

Opportunity Scan assists in locations of areas of ministry opportunity for selected data, such as preschool children, single parent households, or retirees.

Discover new areas of opportunity for racial ethnic ministry or Mosaic household groups.

The Quadrennium Project

A National Survey of American Religious Beliefs, Preferences and Practices

MissionInsite’s new Quadrennium Report includes local community data descriptions for Beliefs About God, Beliefs About Jesus, Beliefs About Social and Moral Issues, Religious Affiliations and Preferences, Faith and Religious Involvement, Reasons for Non-Participation in Church, Life Concerns and Program or

Ministry Preferences. A groundbreaking addition to the MI PeopleView™ System, Quadrennium provides the most current local religious information available for the church today.

How to Obtain a QuickInsite Report

The QuickInsite report is a colorful 11-page report including lifestyle types, current year estimates, five-year projections and ten year forecasts of selected population and household characteristics.

- Go to www.missioninsite.com
- Click on Client Login
- On Welcome page, mouse over “Tools” in the upper left of map screen just under MissionInsite Logo. Then click on “Report Wizard” in the dro down menu.
- A new page will come up that says “Begin here”. You will see the following:
“Prepared for: South Carolina Conference UMC”
“Select the type of geography:” – in the dropdown menu, click “Radius”, then “Next”.
- On this page, you will enter the address, city, state, and zip code. Then enter the radius you want to include around your target area. We usually use 5 miles. Click “Next”.
- Map will appear. Click “Next” under map.
- A list of reports will appear. Click “QuickInsite” report. (And/or any of the other reports you wish to view.)
- Then click “Get Report”.
