

## Charge Conference Reports

1. Minutes of the Charge Conference questions have returned to the pre-COVID19 questions
2. If a CHARGE has equitable compensation (EC) or congregational development (CD) funds as a pay source, there are 3 additional questions that the Ministerial Support Form (MSF) will ask. If a CHARGE does **not** have EC or CD as a pay source, the MSF behaves as it has previously.
3. Continuing Education (ContEd) PRINTED form has differing requirements based on a pastor's status. The status assigned to the pastor in Clergy Services is used to determine which ContEd requirements will display.
