Bishop Leonard Fairley, resident bishop of the South Carolina Conference of The United Methodist Church, is inviting all South Carolina UMC men to the MenNMinistry SC Bishop's Leadership Event, set for Sunday, April 6, from 4 to 5:30 p.m. at Ashland United Methodist Church in Columbia. Attend in person or by Zoom.

**We need new
and existing
leaders to move
South Carolina
men forward.**

South Carolina MenNMinistry is working to get healthy, strong and vital again after the pandemic and church separations caused a slowdown. We need to build and grow our men's ministry leadership so we can have strong men's involvement in every district in South Carolina – from the Upstate, through the Midlands and Pee Dee, to the Lowcountry. South Carolina men have long been viewed as leaders in the United Methodist Connection.

Leadership in the UMC and in our families is needed now more than ever. It is time for men to rise up and be the men God intended us to be for him and for our families. It is time to move forward. Let's look back and learn, but look forward and dream of what men of God can be.

We plan to refocus our leadership to engage our connection with other ministry groups and agencies, including lay leaders, lay servants, United Women in Faith, disaster responders, and more.

Areas of focus include but are not limited to:

- Scouting – building a bridge with the next generation
- Disaster Response and United Methodist Volunteers in Mission
- Salkehatchie Summer Service
- Mission events
- United Methodist Wesley Foundations at colleges and universities
- Camps and Retreat Ministries
- Prison ministries

**This is
all about
long-term,
committed
relationships.**

All men are invited to this gathering.
Please share with other men you know.
