

To: _____ Committee on Ordained Ministry

RE: _____ (candidate)

The Psychological Assessment Committee has reviewed the report of the required psychological testing of the candidate. In regard to that testing, we find the following:

1. _____ That the candidate shows good indication of psychological health, personality health and capacity for growth consistent with effective ministry.
2. _____ That the candidate may exhibit psychological and/or personality characteristics that could hinder effective ministry. We request that the District Committee on Ordained Ministry give some attention to the concerns listed below.
3. _____ That the candidate shows clear signs of psychological and/or personality unreadiness to take the next step in the ministry process. We request that the District Committee on Ordained Ministry give serious consideration to continuing the candidate at his/her present status until the concerns listed below are satisfactorily addressed.
4. _____ That the candidate shows clear signs of psychological and/or personality unreadiness to do the work of ministry. We request that the District Committee on Ordained Ministry give serious consideration to recommending discontinuing the candidate from the process of pursuing ordained ministry.

The following are concerns noted by the Psychological Assessment Committee in reviewing the candidate:
